

RURAL DEVELOPMENT

NALCO has undertaken construction and renovation of earthen, metal, bituminous and concrete roads in its peripheral villages. NALCO has also established vital road links from IAPL square to Bentapur and Kaniabeda to Kurdol. NALCO is taking up various development projects in peripheral villages: 49 projects in 1st phase at a cost of 15.83 Cr, 32 projects in 2nd phase at a cost of 24.33 Cr.

NALCO has addressed the problems of rehabilitation of displaced families with adequate compensation, housing and employment; construction of community halls; development of public parks, etc.
