## **Environment Policy**

In recognition of the interests of the society in securing sustainable industrial growth, compatible with a wholesome environment, NALCO affirms that it assigns high importance to promotion and maintenance of a pollution-free environment in all its activities.

### **Objectives**

- **To use non-polluting and environment-friendly technology.**
- **To monitor regularly air, water, land, noise and other environmental parameters.**
- **To constantly improve upon the standards of pollution control and provide a leadership in environment management.**
- **To develop employees' awareness on environmental responsibilities and encourage adherence to sound environmental practices.**
- **To work closely with Government and local authorities to prevent or minimise adverse consequences of the industrial activities on the environment.**
- **To comply with all applicable laws governing environment protection through appropriate mechanisms.**
- **To actively participate in social welfare and environmental development activities of the locality around its Units.**

### **Commitment**

We dedicate ourselves to ensure a green and wholesome environment in all areas of our operations for sustainable industrial growth and to set standards in environmental management.
