ANNEXURE-IA**SCOPE OF WORK & JOB SPECIFICATION****NAME OF THE CONTRACT:**

Road and culvert construction/widening from Central Block-2 to the existing crusher house, drainage and excavation work, electrical work, roadway traffic signaling and boom barrier system to facilitate transport of 2.0 MTPA of bauxite from Central Block, sector 2 of Panchpatmali Bauxite Mines to the existing crusher house at NALCO, Damanjodi, Odisha, Odisha.

Scope of Work:

The work comprised in tender covers Road & Culvert construction/Widening from Central Block-2 to the Existing Crusher House, Drainage and Excavation work, to facilitate transport of 2.0 MTPA of Bauxite from Central Block, Sector 2 of Panchpatmali Mines to the Existing Crusher House at NALCO, Panchpatmali mines Project as shown in Tender Drawing No. 29054-000-000-LTL-0004-RB, and 29054-000-000-LTL-0005-RB as indicated in the Specification and Bill of Quantities.

The work shall consist of but not limited to following activities:

- a) A separate 16 m road corridor of bituminous type for HVM movement from nearly 100 m before starting point Nursery to up to new proposed security gate CISF main gate is to be constructed.
- b) In front of Nursery area, culvert no. 2 will be constructed for HVM pass over cable belt.
- c) In front of industrial canteen, culvert no. 3 will be constructed for crossing over of HVM over cable belt. Crash barrier will be installed along valley side at this location for safety purpose, up to proposed security gate.
- d) Controlled movement will be there for HVM beyond CISF main gate area.
- e) Concrete type road for HVM and bituminous type road for LMV provided with separator for dedicated movement, will be laid from central stores gate to 'Work is Worship' gate.
- f) A separate 10 m road corridor of bituminous type road for LMV movement will be laid nearly 100 m before Culvert no. 1 and will stretch up to CISF main gate.
- g) A roundabout with necessary sign boards will be installed for smooth transition of traffic at nursery junction.
- h) The boundary wall along central stores area will be dismantled to lay bituminous road for LMV movement from central stores gate up to 'Work is Worship' gate.
- i) For straightening of the proposed haul road near grade separator area, a part of nursery area would be used along this road (up to the 4th light pole) to maintain a minimum required width of 13 m and for smooth transition of separate HVM road up to the existing culvert (near pump house).

- j) Two nos. new culvert shall be constructed for proposed haul road (considering for the movement of 100 T loaded dumpers) to cross over cable belt as per the construction drawings furnished by the Employer/Consultant.
- k) Appropriate signaling system shall be installed as per technical specification for controlled movement of HMT and LMT beyond CISF gate towards the mine office to avoid conflict of traffic as much as possible.
- l) A separate LMT path towards the North Block shall be required for which demolishing of the existing boundary wall of Central Stores would become inevitable and shall be in the scope of successful bidder. A new boundary wall for the Central Stores is to be constructed under the road package based on construction drawings furnished by the Employer/Consultant.
- m) The existing 'Work is Worship' gate shall be dismantled and a new structural cable gallery shall be constructed keeping into consideration the revised width of the HMT as well as the adjacent LMT road.
- n) Drainage work for the stretch of proposed HMT road from nursery to CISF gate shall be carried out as per prevailing practice.
- o) Pipe culverts shall be built near training center and in front of the fire station area to serve the purpose of crossing the run-off from the existing drain (which is to be modified) to another drain existing on the other side of the road.
- p) Necessary Illumination of the road, with required lux level as per relevant standards, shall be made by installing new LED make lighting fixtures and/ or by relocating existing fixtures.
- q) All required enabling jobs for making new/modification of road, such as relocation/laying of new Pipelines, Electrical, Instrumentation cables.
- r) Execution of roadworks and drains will be carried out based on construction drawings and as specified in this specification.

Any modifications in general works including construction of roads, cross drainage pipe culverts and all other related works based on site condition shall have to be carried out wherever necessary for the due and satisfactory construction, completion and maintenance of works.

ANNEXURE-IB**SPECIAL CONDITIONS OF CONTRACT****1.0 INTRODUCTION**

- 1.1 National Aluminium Company Limited (NALCO), a Government of India undertaking and a Navaratna company owns and operates a large integrated Mines-Alumina-Aluminium complex in India.

a)	Mines & Alumina Refinery	Damanjodi, Odisha.
b)	Aluminium Smelter	Angul, Odisha
c)	Captive Power Plant	Angul, Odisha
d)	Port Handling Facilities (for alumina export & caustic soda import)	Visakhapatnam, Andhra Pradesh

The entire bauxite requirement of Damanjodi Alumina Refinery is being sourced for Panchpatmali bauxite mines. For convenience of exploration /mining, this deposit has been divided into three blocks viz. North Block (Part-I and Part-II), Central Block (Sector-1 and Sector-2) and South Block. The present bauxite requirement of Alumina Refinery of about 7.3 million tonne per annum (MTPA) is being met by excavating the ore from North and South Block.

In view of reserve depletion in North Block, NALCO is planning to start mining operation from Central Block Sector-2 and transport bauxite to the existing Alumina Refinery through existing cable belt conveyor system, which is presently the transportation route of bauxite from Panchpatmali mine to NALCO's Refinery Complex.

Maximum 6.825 million tonne bauxite shall be excavated per annum from Central Block Sector-2. However, the full amount of bauxite (6.825 MTPA) from Central Block Sector-2 shall not be required till the mining operation continues in the North Block. R.O.M bauxite of maximum 3.825 MTPA shall be crushed and fed to the cable belt conveyor from the newly proposed crusher house through mid-point loading. Rest 3 MTPA of bauxite shall be crushed and fed to existing cable belt conveyor by using semi-mobile crushing plant (SMCP) and existing crusher house of Stream-1 in the North Block. Approximately 2 MTPA can be transported from Central Block Sector-2 to the existing crusher house by using 30 tonne tipper truck through a new dedicated tipper truck road.

Based on the above requirement, Road and Culvert Construction/Widening from Central Block-2 to the Existing Crusher House has been envisaged to facilitate transport of 2.0 MTPA of Bauxite.

NALCO has appointed M.N.DASTUR & COMPANY (P) LIMITED (DASTUR), as their EPCM Consultant (hereafter referred as CONSULTANT).

- 1.2 NALCO, on behalf of M/s M.N. Dastur & Company (P) Ltd., invites bids for Road & Culvert Construction/widening from Central Block-2 to the Existing Crusher House, Drainage and Excavation work, Electrical work, Roadway Traffic Signalling and Boom Barrier System to facilitate Transport of 2.0 MTPA Bauxite from Central Block, Sector- 2 of Panchpatmali Mines, Damanjodi, Odisha under Two Part bid system, electronic mode of tendering, on "Open" tender from competent agencies with sound technical and financial capabilities.

2.0 BRIEF SCOPE OF WORK:

- 2.1 The scope of work covers Road & Culvert Construction/widening from Central Block-2 to the Existing Crusher House, Drainage and Excavation work, Electrical work, Roadway Traffic Signalling and Boom Barrier System to facilitate Transport of 2.0 MTPA Bauxite from Central Block, Sector-2 of Panchpatmali Mines, Damanjodi, Odisha as per Technical Specification No. TS-29054-CON-BAU-002A.
- 2.2 The Technical Specification is being issued for placement of Contract for Road & Culvert Construction/widening from Central Block-2 to the Existing Crusher House, Drainage and Excavation work, Electrical work, Roadway Traffic Signalling and Boom Barrier System with supply of all materials, labour, tools & tackles, construction equipment, testing equipment/kits as well as storage, office and other services and facilities whether of temporary or permanent nature as required for satisfactory completion of work.
- Road & Culvert Construction/widening from Central Block-2 to the Existing Crusher House, Drainage and Excavation work and submission of relevant documents and drawings respectively.
 - Installation, Testing and Commissioning of Electrical Equipment and submission of relevant documents and drawings respectively.
 - Roadway Traffic Signaling and Boom Barrier System and submission of relevant documents and drawings respectively.

3.0 GENERAL

The Special Conditions of Contract shall be read in conjunction with the Notice Inviting Tender, Instruction to Bidder, General Conditions of Contract, Technical Specifications, Preamble to Bill of Quantity, Bill of Quantity, Drawings, if any and/or other supplementary documents detailing the work.

Provided that, where any provision of the General Conditions of Contract is repugnant to or at variance, unless a different intention appears, the provision of the Special Conditions of Contract shall be deemed to override the provision of the General Conditions of Contract and shall to the extent of such repugnance or variation prevail.

The bidder must carefully examine the tender documents, terms & conditions, drawings, specifications etc. and must satisfy himself on technical and commercial aspects and make themselves acquainted with the site and surroundings and consider all other matters including nature, magnitude of work, requirements of materials, labours, conditions and things, probable contingencies including delays, hindrances and interferences and generally all matters incidental thereto and ancillary thereof, affecting the execution and completion of the work.

Site Visit for the subject tender is mandatory: The tenderers shall visit the site and acquaint themselves of the prevailing local conditions before submitting their bid. Tenderers have to enclose a certificate issued by the departmental head of NALCO at site for having visited the site or else the offer may be liable for rejection. The prospective tenderer who has already visited the site against tender reference No. T&C/MINES/CRG/C-1501 dated.14.09.2023 and possessing the site visit certificate issued by NALCO can submit the same one and no fresh/further site visit is necessary.

For visiting the site, the tenderer shall contact the following officer:

4.0 FACILITIES AND CONDITIONS AT WORK SITE

4.1 Land for Bidder's Field Office, Go-down and Workshop

- 4.1.1 The Owner will at his discretion and convenience and for the duration of the execution of the work shall provide the land to the Bidder for their offices, go-down and workshop for the execution of the contract nearer to the owner's Plant premises.

The Bidder shall at his cost construct all these temporary buildings, structures and provide suitable water supply and sanitary arrangement as approved by the Engineer-in-Charge and the inspectorates.

- 4.1.2 On completion of the works undertaken by the Bidder, he shall remove all temporary works erected by him and have the site cleared as directed by Engineer-in-Charge. If the Bidder fails to comply with these requirements, the Engineer-in-Charge has the right to remove any structure, such surplus, rubbish materials and depose off the same as he deems fit and get the site cleared and the Bidder shall forthwith pay the amount of all expenses so incurred and shall have no claim in respect of any such surplus materials disposed as aforesaid. The Owner reserves the right to ask the Bidder at any time during the pendency of the contract, to vacate the land by giving 7 (seven) days notice on security reasons or on national interest or otherwise.

- 4.1.3 Land for residential accommodation for Bidder's staff and labour, if available, may be made available to Bidder outside plant boundary limit at the discretion of the Engineer-in-Charge and rent for the same will be as decided by the Engineer-in-Charge according to location and the area occupied by the Bidder.

- 4.2 All materials brought by the Bidder for execution of work inside Owner's plant premises shall be with proper challan & documents and records shall be maintained. The Bidder may have to be required to produce the documents for authenticity. It will be advisable for the Bidder to store the materials separately for proper identification.

4.3 Construction Water

- 4.3.1 Unless other wise provided in the Contract, the Bidder shall be responsible for the arrangements to obtain supply of water necessary for the works, his labour colony, his workshops, his offices etc. All pumping Erections, pipe network and distribution system will have to be carried out by the Bidder at his own cost.

- 4.3.2 The Owner may agree to supply water at a single point to the Bidder for use in the Owner's works on specified terms and conditions as shall be determined by the Owner, which shall be binding on the Bidders. The bidder is however required to exercise his option to receive such water supply from Owner's main at the time of submission of his tender.

- 4.3.3 When the water is supplied by the Owner, the Owner's main supply point will be within 500 metres from the Bidder's Site. The Bidder shall make necessary arrangements to take the water from that point at his own cost, and shall provide all necessary ferrules, piping, fitting, couplings and tanks and temporary works required and he shall maintain all such works in satisfactory condition and all costs towards the same shall be included in the price. The Bidder shall remove all such works and shall re-instate and make good any work disturbed, to the satisfaction of the Engineer-in-Charge.

- 4.3.4 In the event of the Bidder's drawing water from the Owner's main/source, he shall not claim any compensation for interruption or failure of Owner's water supply caused due to any reasons beyond the control of the owner.

4.3.5 The water so supplied by the Owner shall be free of cost for the Constructional work only.

4.4 Construction Power

4.4.1 Subject to availability, Owner will supply power at 415 V at only one point at the nearest substation on chargeable basis, the present Rate is Rs.4.30/kWh and any change in power tariff shall be intimated to the bidder, The bidder will make his own arrangement for temporary distribution of power from the nearest substation. All the works will be done as per IEA regulations and passed by the Engineer-in-Charge. The temporary line will be removed forthwith after the completion of work or if there is any hindrance caused to the other works due to the alignment of these lines; the Bidder will re-route or remove the temporary lines at his own cost. The Bidder at his cost will also provide suitable electric meters, fuses, switches, etc. for purposes of payment to the Owner, which should be in the custody and control of the Owner. The cost of power supply shall be payable to the owner at every month at the rate specified by the Owner, which will be deducted from the running bills. The owner shall not, however, guarantee the supply of electricity and no compensation for any failure or short supply of electricity will be entertained and this does not relieve the Bidder of his responsibility for timely completion of this works as stipulated in the contract.

4.4.2 It shall be the responsibility of the Bidder to provide and maintain the complete Erection of the load side of the supply with due regard to safety requirement at site. All cabling, equipment, Erections etc. shall comply in all respects with the latest statutory requirements and safety provisions i.e. as per and the Central/ State Electricity Acts and Rules etc. The Bidder will ensure that his equipment and Electrical wiring etc. are installed modified, maintained by a licensed Electrician/ Supervisor. A test certificate is to be produced to the Engineer-in-Charge for his approval, before power is made available.

4.4.3 At all times, IEA regulations shall be followed failing which the Owner has a right to disconnect the power supply without any reference to the Bidder. No claim shall be entertained for such disconnection by the Engineer-in-Charge. Power supply will be reconnected only after production of fresh certificate from authorised electrical supervisors.

4.4.4 The Owner is not liable for any loss or damage to the Bidder's equipment as a result of variation in voltage or frequency or interruption in power supply or other loss to the Bidder arising there from.

4.4.5 The Bidder shall ensure that the Electrical equipment installed by him are such that average power factor does not fall below 0.90 at his premises. In case power factor falls below 0.90 in any month, he will reimburse to the Owner at the penal rate determined by the Owner for all units consumed during the month.

- 5.1. Any breach of the aforesaid provisions by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER) shall entitle of the BUYER to take all or any one of the following actions, wherever required: -

- (i) To immediately call off the pre-contract negotiations without assigning any reason or giving any compensation to the BIDDER. However, the proceedings with the other BIDDER(s) would continue.
- (ii) The Earnest Money Deposit (in pre-contract stage) and/or Security Deposit / Performance Bond (after the contract is signed) shall stand forfeited either fully or partially, as decided by the BUYER and the BUYER shall not be required to assign any reason therefore.
- (iii) To immediately cancel the contract, if already signed, without giving any compensation to the BIDDER.
- (i) To recover all sums already paid by the BUYER, and in case of an Indian BIDDER with interest thereon at 2% higher than the prevailing Prime Lending Rate of State Bank of India, while in case of a BIDDER from a country other than India with interest thereon at 2% higher than the LIBOR. If any outstanding payment is due to the BIDDER from the BUYER in connection with any other contract for any other stores, such outstanding payment could also be utilized to recover the aforesaid sum and interest.
- (v) To en-cash the advance bank guarantee and performance bond / warranty bond, if furnished by the BIDDER, in order to recover the payments, already made by the BUYER, along with interest.
- (vi) To cancel all or any other Contracts with the BIDDER. The BIDDER shall be liable to pay compensation for any loss or damage to the BUYER resulting from such cancellation / rescission and the BUYER shall be entitled to deduct the amount so payable from the money(s) due to the BIDDER.
- (vii) To debar the BIDDER from participating in future bidding processes of NALCO for a minimum period of five years, which may be further extended at the discretion of the BUYER.
- (viii) To recover all sums paid in violation of this Pact by BIDDER(s) to any middleman or agent or broker with a view to securing the contract.
- (ix) In cases where irrevocable Letters of Credit have been received in respect of any contract signed by the BUYER with the BIDDER, the same shall not be opened.
- (x) Forfeiture of Performance Bond in case of a decision by the BUYER to forfeit the same without assigning any reason for imposing sanction for violation of this Pact.

5.2 The BUYER will be entitled to take all or any of the actions mentioned at para 5.1(i) to (x) of this Pact also on the Commission by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER), of an offence as defined in Chapter IX of the Indian Penal Code 1860 or Prevention of Corruption Act, 1988 or any other statute enacted for prevention of corruption.

5.3 The decision of the BUYER to the effect that a breach of the provisions of this Pact has been committed by the BIDDER shall be final and conclusive on the BIDDER. However, the BIDDER can approach the independent Monitor(s) appointed for the purposes of this Pact.

6. Independent External Monitors (IEMs):

- 6.1 The BUYER has a panel of Independent External Monitors (hereinafter referred to as IEMs) for this Pact in consultation with the Central Vigilance Commission as mentioned in NALCO's NIT/NALCO's website (www.nalcoindia.com).
- 6.2 The task of the IEMs shall be to review independently and objectively, whether and to what extent the parties comply with the obligations under this Pact.
- 6.3 The IEMs shall not be subject to instructions by representatives of the parties and perform their functions neutrally and independently.
- 6.4 Both the parties accept that the IEMs have the right to access all the documents relating to the project / procurement including minutes of meetings.
- 6.5 As soon as the IEM notices, or has reason to believe, a violation of this Pact, he will so inform the Authority designated by the BUYER.
- 6.6 The BIDDER(s) accepts that the IEM has the right to access without restriction to all Project documentation of the BUYER including that provided by the BIDDER. The BIDDER will also grant the IEM, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The IEM shall be under contractual obligation to treat the information and documents of the BIDDER / Subcontractor(s) with confidentiality.
- 6.7 The BUYER will provide to the IEM sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the parties. The parties will offer to the IEM the option to participate in such meetings.
- 6.8 The IEM will submit a written report to the designated Authority of BUYER / Secretary in the Department / within 8 to 10 weeks from the date of reference or intimation to him by the BUYER / BIDDER and should be occasion arise, submit proposals for correcting problematic situations.
- 6.9 Bidder may write to the IEM through E-mail (provided in the tender) for their grievances, if any, giving details of the tender reference, name of the tender issuing officer and Nalco's Unit for quick identification of the tender by the IEM.

7. Facilitation of Investigation:

In case of any allegation of violation of any provisions of this Pact or payment of commission, the IEMs shall be entitled to examine all the documents including the Books of Accounts of the BIDDER and the BIDDER shall provide necessary information and documents in English and shall extend all possible help for the purpose of such examination.

8. Law and Place of Jurisdiction:

This Pact is subject to Indian Law. The place of performance and jurisdiction is the seat of the BUYER.

9. Other Legal Actions:

The actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the extant law in force relating to any civil or criminal proceedings.

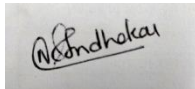

10. **Validity:**

- 10.1 This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the contract, and for all other Bidders 6 months after the contract has been awarded. If any claim is made/lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/ determined by CMD, NALCO.
- 10.2 Should one or several provisions of this Pact turn out to be invalid, the remainder of this Pact shall remain valid. In this case, the parties will strive to come to an agreement to their original intentions.
11. If the bidder/ Contractor is a partnership or a consortium, this agreement must be signed by all partners or consortium members

- 10.6 **The anti-profiteering provisions of GST Act mandate that any reduction in tax rates or benefits of input tax credits be passed on to the service recipient by way of commensurate reduction in prices. Vendors to take note and pass on such benefits to NALCO while quoting.**
- 10.7 **The bidder has to submit the anti-profiteering declaration format (Appendix V) duly signed and stamped with seal of the bidder at the time of submission of bid.**

Anti-Profiteering Clause (Sec 171 of CGST Act) Applicable for Indian Bidders)

- 10.7.1 If any new Tax/Taxes is introduced on sale of goods/service. Either in lieu of existing tax/taxes or as separate tax/taxes, then the overall incidence of tax/taxes on the Vendor on account of its inputs and outputs wherever less than the incidence of existing taxes, then the Vendor shall pass on to Owner, the benefits thereof by way of commensurate reduction in the basic price w.r.t. Input Tax benefit and reduction in Tax chargeable to Nalco w.r.t. Output Tax benefits in connection with goods and/or services provided.
- 10.7.2 If on the other hand, the incidence of tax/taxes is in excess of the incidence of existing tax/taxes, the Owner on submission of satisfactory proof, shall reimburse the Vendor the additional incidence of tax provided they are within the contractual completion date.
- 10.7.3 The Vendor has to provide a declaration along with the Tender that they will abide by the requirements under CI 171 of CGST Act, 2017.

10.8 DEDUCTION OF INCOME TAX:

- 10.8.1 Income Tax as applicable at the prevailing rate on the gross amount billed shall be deducted from the contractor's bills.
- 10.8.2 Compliance to recent amendments to the provisions of Income Tax TDS/ TCS is applicable to vendors for supply of Services. Reference is invited to recent amendments in Finance Act 2021 sections 206AB & 206 CCA of Income Tax TDS /TCS. The newly introduced sections shall be effective from 01.07.2021. In compliance to the said provisions, all payments to the vendor's w.e.f 1.7.2021 for supply of services shall be subject to TDS/ TCS as per the newly introduced sections under Income Tax Act.

The provision mandates different rate of TDS depending upon the Compliance as detailed below:

- i. It mandates submission of Income Tax Return (ITR) filed by the vendor for supply of Services for two immediate previous years for which the due date of filing the return has been expired.
- ii. It mandates updation of PAN (Permanent Account Number) of Income Tax of the vendor for supply of Services in the vendor master before processing of the Bill for payment.

With introduction of this section w.e.f 1.7.2021, the applicable TDS is 0.1% subject to compliance of (a) and (b) above. However in the event of non-compliance higher rate of TDS shall be applicable as furnished below:

- i. If PAN No is not available, then TDS @ 5% shall be applicable on the amount paid/ credited to the vendor for supply of services.
- ii. If Income tax Return is not submitted as mentioned at (a) above the applicable TDS shall be higher of twice of rate of relevant TDS section or 20 % (for services).

In view of the same,

- (i) All the vendors are required to submit their PAN No with Copy of PAN Card along with the bid.

- (ii) All the vendors are required to submit the copy of Annual Income Tax Return for previous Year 2018-19 and 2019-20 along with invoice for processing the bills up to 30.9.2021. Thereafter, IT Return for next previous year 2020-21 may be submitted if the statutory period for filling the return is expired which shall suffice the release of payment up to 31.07.2022.
- (iii) In the event of non-compliance to the above, the bill shall be processed (after waiting for seven days of Bill submission) with applicable higher TDS as mentioned above.

Providing a Copy of Income Tax Return for each of the Two previous Financial Years for which due date for filling of Income Tax Return has expired with self-certification is a mandatory requirement else suitable provisions of the Act will be applicable.

10.9 DEDUCTION OF CESS UNDER BUILDING & OTHER CONSTRUCTION WELFARE CESS Act.1996

20.0 PAYMENT OF WAGES TO ENGAGED LABOUR AT SITE:

20.1 WAGES OF THE CONTRACT LABOR:

- A) The payment of minimum wages to the contractor labors shall be as per the rates notified by the central government, as per the minimum wages act – 1948 and as adopted/circulated by the Nalco management from time to time.
- B) The classified workers in different categories will be as per the notification issued by the central government fixing the minimum wages for above scheduled appointment. Where the minimum wages notified by the government of Odisha is higher than the rates notified by the central government, the government of Odisha rates should apply to concerned scheduled employment as long as the same remains higher than the central government rates.
Therefore, the contractor must quote their rates considering the following conditions applicable

The rate of minimum wages for different categories of laborers' are indicated in Salient Points of the tender at P/4.

- C) Besides the minimum wages payable as mentioned above, the contractor is required to pay an additional element of Rs. 32/- (Rupees Thirty Two only) per day as a part of wages per day. It would qualify for all statutory payments.
- D) In addition to minimum wages, an amount of Rs12/-(rupees twelve) per day as indicated above shall be payable to each contract labourer towards canteen subsidy and this will be paid by the contractor concerned which will qualify for deduction of provident fund and other statutory deductions as applicable.
- E) Also contractor shall pay to his workmen medical benefit @ 4.75% & special compensatory allowance @ Rs. 30/- per day of actual work.

The daily wages to be paid shall include the following components –Basic wages, VDA, contribution to provident fund, additional element, canteen subsidy, medical benefit, special compensatory allowance, bonus, leave salary, safety appliances, holiday/ PH/NH wages and retrenchment benefit as applicable to NALCO Mines.

- F) The minimum wage as notified by the chief labour commissioner (central) has a variable component as special allowance which is linked to average AICPI for industrial workers, which keeps on changing every six months. The contractor has to absorb all such variations due to increase in minimum wage in their quoted price, and no claim whatsoever on this account shall be entertained.

20.2 a) Price variation clause (PVC) towards changes in labour charge for this contract (Refer SI no 16a of Contract Details at P/3)

b) In case labour charge variation Clause is applicable for this contract as per SI. No. 16a of Page-3, the following shall be applicable:

1. In case of increase in minimum wages of the workers, the differential wages and associated components will be reimbursed based on actual payment to labourers excluding OT amount claimed.
2. The reimbursement of escalated amount under this provision will be based on documentary evidence of payment of the claimed amount to the bank account of the workmen.

20.3 In case the contractor fails to pay wages to the workmen employed by him for the subject work, NALCO will make the payment and recover the same from the contractor's bill along with 10% service charge for the amount paid.

20.4 The contractor failing to make payment of labor wages as per applicable Law, may be debarred / banned for conducting future business with NALCO.

21.0 RECOVERY TOWARDS COMPENSATION FOR DELAY:

Quality and time (contract period) is the essence of the contract. In the event of failure of the contractor to perform as per the contract in the stipulated period, penalty is leviable @ 1% of contract value for every week of delay subjected to maximum of 10% of work order value and/or as specified in the special conditions of contract. Decision of engineer-in-charge in this regard is final and binding. Clause no.24 of GCC is applicable for the above

This is a genuine pre-estimate of the loss/damage which will be suffered on account of delay/breach on the part of the contractor and said amount will be payable on demand without there being any proof of the actual loss or damages caused by such delay/breach. GST as applicable shall also be recovered.

PREFERENCE TO MAKE IN INDIA**ORDER NO. P-45021/2/2017-PP(BE-II), DTD: 16.09.2020**

- 1.0 The bidders are requested to go through the GoI Order No: P-45021/2/2017-PP(BE-II), DTD: 16.09.2020 for the purpose of Purchase Preference on the basis of Local Content and submit the Declaration by the Bidder accordingly.
- 2.0 For the purpose of this order dtd. 16.09.2020:-
- 2.1 Local content means the **amount of value added in India** which shall, unless otherwise prescribed by the nodal ministry, **be the total value of the item procured** (excluding net domestic indirect taxes) **minus the value of imported content in the item** (including all customs duties) **as a proportion of the total value, in percent.**
- 2.2 Class I local supplier means a supplier or service provider whose goods, services or works offered for procurement has local content equal to or more than 50%, as defined at cl. 2.1 above.
- 2.3 Class II local supplier means a supplier or service provider whose goods, services or works offered for procurement has local content equal to or more than 20% but less than 50%, as defined at cl. 2.1 above.
- 2.4 Non-local supplier means a supplier or service provider whose goods, services or works offered for procurement has local content less than 20%, as defined at cl. 2.1 above.
- 2.5 **'Margin of purchase preference'** means the maximum extent to which the price quoted by a "Class-I Local supplier" may be above the L1 for the purpose of purchase preference. The margin of purchase preference shall be 20% against the tender.
- 3.0 Subject to the provisions of the above order and to any specific instructions issued by the Nodal Ministry or in pursuance of this order, purchase preference shall be given to 'Class-I Local supplier' in procurement undertaken by procurement entities in the manner specified here under:-

CASE-I (FOR DIVISIBLE QUANTITY): All the provisions of the order No.P-45021/2/2017-PP(BE-II) dtd. 16.09.2020 shall be applicable for this tender towards purchase preference.

However, in case of participation by MSE & ancillary units, the tender quantity reserved for MSE & ancillary units as per purchase preference policy of NALCO for MSEs as mentioned in the tender document shall take precedence over the purchase preference against the above mentioned order (to be mentioned, if applicable).

- 4.1 In the procurement of goods or works which are divisible in nature, the 'Class-I Local Supplier' shall get purchase preference over 'Class-II local supplier' as per the following procedure:
 - a) Among all qualified bids, the lowest bid will be termed as L1. If L1 is 'Class-I local supplier', the contract of full quantity will be awarded to L1.
 - b) If L1 bid is not a 'Class I local supplier', 50% of the order quantity shall be awarded to L1. Thereafter, the lowest bidder among the 'Class I Local supplier' will be invited to match the L1 price for the remaining 50% quantity subject to Class-I local supplier's quoted price falling within the margin of purchase preference and contract for that quantity shall be awarded to such 'Class-I Local supplier' subject to matching the L1 price. In case such lowest eligible 'Class-I Local supplier' fails to match the L1 price or accepts less than the offered quantity, the next higher 'Class-I Local supplier', within the margin of purchase preference shall be invited to match the L1 price for the remaining quantity and so on and the contract shall be awarded accordingly. In case some quantity is still left uncovered on 'Class-I Local supplier, then such balance quantity may also be ordered on the L1 bidder.
- 4.2 'Class-II local supplier' will not get purchase preference in any procurement undertaken by procuring entities.

CASE-II (FOR NON-DIVISIBLE QUANTITY): All the provisions of the order No. P-45021/2/2017-PP(BE-II) dtd. 16.09.2020 shall be applicable for this tender towards purchase preference.

- 4.3 In the procurement of goods or works which are not divisible in nature, the 'Class-I Local Supplier' shall get purchase preference over 'Class-II local supplier' as per the following procedure:

- a) Among all qualified bids, the lowest bid will be termed as L1. If L1 is 'Class-I local supplier', the contract will be awarded to L1.
 - b) If L1 bid is not a 'Class I local supplier', the lowest bidder among the 'Class I Local supplier' will be invited to match the L1 price subject to Class-I local supplier's quoted price falling within the margin of purchase preference and contract shall be awarded to such 'Class-I Local supplier' subject to matching the L1 price.
 - c) In case such lowest eligible 'Class-I Local supplier' fails to match the L1 price, 'Class-I Local supplier' with the next higher bid within the margin of purchase preference shall be invited to match the L1 price and so on and contract shall be awarded accordingly. In case none of the 'Class-I Local supplier' within the margin of purchase preference matches the L1 price, the contract may be awarded to the L1 bidder.
- 4.4 'Class-II local supplier' will not get purchase preference in any procurement undertaken by procuring entities.

5.0 Verification of local content.

- 5.1 The 'Class-I local supplier' / 'Class II-local supplier' at the time of tender, bidding or solicitation shall be required to indicate percentage of local content and provide self-certification that the item offered meets the local content requirement for 'Class-I local supplier' / 'Class II-local supplier', as the case may be. They shall also give details of the location(s) at which the local value addition is made. **Declaration to be given in the format attached/enclosed below.**
- 5.2 In case of procurement for a value in excess of Rs. 10 crores, the 'Class-I local supplier' / 'Class II- local supplier' shall be required to provide a certificate from the statutory auditor or cost auditor of the company (in the case of the companies) or from a practicing cost accountant or practicing chartered accountant (in respect of suppliers other than companies) giving the percentage of local content.
- 5.3 Decisions on complaints relating to implementation of this order shall be taken by the competent authority which is empowered to look into procurement-related complaints relating to the procuring entity.

6.0 Only "Class-I local suppliers and Class-II local suppliers", as defined under the order, shall be eligible for participation against this tender. The offers of 'Non-Local Suppliers' shall not be considered for evaluation against this tender.

DEFINITIONS

1. GOI vide Order (Public Procurement No.1, 2 & 3) dated 23 Jul 2020 & 24 Jul 2020 has imposed Restrictions under Rule 144 (xi) of the General Financial Rules (GFRs), 2017 on bidders from a country which shares a land border with India.
2. "Bidder" for the purpose of this Order (Public Procurement No.1, 2 & 3) (including the term 'tenderer', 'consultant' 'vendor' or 'service provider' in certain contexts) means any person or firm or company, including any member of a consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated hereinbefore, including any agency, branch or office controlled by such person, participating in a procurement process
3. "Bidder from a country which shares a land border with India" for the purpose of this Order (Public Procurement No.1, 2 & 3) means
 - a. An entity incorporated, established or registered in such a country; or
 - b. A subsidiary of an entity incorporated, established or registered in such a country; or
 - c. An entity substantially controlled through entities incorporated, established or registered in such a country; or
 - d. An entity whose beneficial owner is situated in such a country; or
 - e. An Indian (or other) agent of such an entity; or
 - f. A natural person who is a citizen of such a country; or
 - g. A consortium or joint venture where any member of the consortium or joint venture falls under any of the above

Note: "Beneficial owner" for the purpose of above paragraph (3) will be as under:

- i. In case of a company or Limited Liability Partnership, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person(s), has a controlling ownership interest or who exercises control through other means.

Explanation

- a) "Controlling ownership interest" means ownership of, or entitlement to, more than twenty-five per cent of shares or capital or profits of the company;
- b) "Control" shall include the right to appoint the majority of the directors or to control the management or policy decisions, including by virtue of their shareholding or management rights or shareholder's agreements or voting agreements;
- ii. In case of a partnership firm, the beneficial owner is the natural person(s) who, whether acting alone or together, or through one or more juridical person, has ownership of entitlement to more than fifteen percent of capital or profits of the partnership;
- iii. In case of an unincorporated association or body of individuals, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical

person, has ownership of or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individuals;

- iv. Where no natural person is identified under (i) or (ii) or (iii) above, the beneficial owner is the relevant natural person who holds the position of senior managing official;
- v. In case of a trust, the identification of beneficial owner(s) shall include identification of the author of the trust, the trustee, the beneficiaries with fifteen percent or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.
- vi. "Agent" for the purpose of this Order (Public Procurement No.1, 2 & 3) dtd 23 Jul 2020 & 24 Jul 2020 is a person employed to do any act for another, or to represent another in dealings with third persons.

Rule: Following shall be complied by the Bidders of the said countries while submitting bids.

- A) Any bidder from a country who shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority. The Competent Authority for the purpose of registration under this Order shall be the Registration Committee constituted by the Department for Promotion of Industry and Internal Trade (DPIIT). However, Order will not apply to bidders from those countries (even if sharing a land border with India) to which the Government of India has extended lines of credit or in which the Government of India is engaged in development projects. Lists of countries to which lines of credit have been extended or in which development projects are undertaken are given in the website of the Ministry of External Affairs. This order shall also not apply to procurement by Indian missions and by offices of government agencies / undertakings located outside India.
- B) **The Bidder shall have to submit declaration / certificate as per the attached Format towards compliance of Public Order on Restrictions under Rule 144 (xi) of the General Financial Rules (GFRs), 2017. B)**
- C) For works contracts, including Turnkey contracts, the successful bidder shall not be allowed to sub-contract works to any contractor from a country which shares a land border with India unless such contractor is registered with the Competent Authority. The definition of "Contractor from a country which shares a land border with India" shall be as in paragraph (3) above.

Format for Declaration towards Compliance of Order (Public Procurement No.1, 2 & 3) dtd 23 Jul 2020 & 24 Jul 2020 on Restrictions under Rule 144 (xi) of the General Financial Rules (GFRs), 2017 .

This declaration must form part of all tenders & it contains general information and serves as a declaration form for all bidders. (Before completing this declaration, bidders must study the General Conditions, Definitions, Govt Directives applicable in respect of Public Procurement No.1, 2 & 3) dtd 23 Jul 2020 & 24 Jul 2020 on Restrictions under Rule 144 (xi) of the General Financial Rules (GFRs), 2017 & prescribed tender conditions).

DECLARATION BY AUTHORISED SIGNATORY OF THE FIRM

I, the undersigned , (full names), do hereby declare, in my capacity as of M/s(name of bidder entity), that:

- 1) The facts contained herein are within my own personal knowledge.
- 2) I have read the Order (Public Procurement No.1, 2 & 3) dtd 23 Jul 2020 & 24 Jul 2020 on the subject of Restrictions under Rule 144 (xi) of the General Financial Rules (GFRs), 2017 regarding restrictions on procurement from a bidder of a country which shares a land border with India and comply to all the provisions of the Order.
- 3) I certify that M/s(name of bidder entity) is not from such a country / ~~is from such a country~~ (**strike out whichever is not applicable**), has been registered with the Competent Authority. I hereby certify that this SUPPLIER fulfils all requirements in this regard and is eligible to be considered. [Where applicable, evidence of valid registration by the Competent Authority is attached].
- 4) I understand that the submission of incorrect data and / or if certificate / declaration given by M/s(name of bidder entity) is found to be false, this would be a ground for immediate termination and further legal action in accordance with law as per Clause 12 of the Public Order on Restrictions under Rule 144 (xi) of the General Financial Rules (GFRs), 2017
