PART –A

General information

1. Company Information

- 1.1. National Aluminum Company Limited (NALCO), incorporated in 1981, is a premier Navaratna Public Sector Enterprise under administrative control of Ministry of Mines of Govt. of India in the field of Alumina/Aluminium having integrated multi-locational facility of Bauxite Mining, Alumina Refining, Aluminum Smelter, Power Generation and Port. NALCO has one of the major Aluminum production facilities consisting of Bauxite Mines, Alumina Refinery, Aluminium Smelter and Captive Power Plant, all located in the state of Odisha.
- 1.2. More details on NALCO can be viewed on company's website www.nalcoindia.com

2. E-Procurement through GeM

- 2.2 The bidder wishes to participate in the published tender should have his firm registered in the GeM portal. Accordingly, bidder should do the registration in the tender site <http://gem.gov.in> using the option available.
- 2.2 Reverse Auction:- In case of Reverse auction tendering, the Date, time and quantum of decremental value will be **as per the provisions of GeM Portal..** The bidder should take a note of it and see the **other** details as per **Annexure-A8**.

3. Purpose of this NIT

- 3.1. CPP- NALCO invites **digitally signed / physically signed** online bids under **OPEN / TWO PART** GeM system.
- 3.2. **The Salient features of the Tender are as detailed in F-02 Form (Annexure-B1).**

4. Bidding Process

- 4.1 The entire set of Tender document needs to be uploaded and **digitally signed / physically signed** in GeM Portal (www.gem.gov.in) along with bid submission conformation page from GeM System Government of India, before the scheduled time of bid submission.
- 4.2 Bids will be received up to last date and time specified or extended bid due date, as the case may be through e-tendering at (www.gem.gov.in).
- 4.3 NALCO shall not be responsible for any expenses incurred by bidders in connection with the preparation & submission of their bids, and other expenses incurred during bidding process.
- 4.4 The bidders are advised to submit the tender document online well in advance before the prescribed time to avoid any last-minute hitch / problem.
- 4.5 After the bid submission, the acknowledgement number generated by the e-tendering system should be printed by the bidder and kept as a record of evidence for online submission of bid for the tender.
- 4.6 Further, bid shall be evaluated based on documents furnished. So bidder must ensure that all relevant documents are furnished at the time of submission of offer.
- 4.7 This NIT is in three parts .The part -A is mainly General information and instructions to bidder, Part- B is about the contract details and Part-C consists of various forms ,agreement formats, declarations etc. The bidder should go through full NIT before filling.
- 4.8 The bidder should go through '**Annexure-A1**' i.e. instructions to the bidders prior to bidding.

4.9 Bidders are required to submit the hard copy of the followings in a sealed envelope and should reach General Manager (T&C) Tender & Contract Department, CPP, NALCO, Angul-759145 (Odisha) by Speed Post/By Hand before the due date & time of bid opening.

4.9.1 Tender Fee, EMD and Cancelled Cheque (all in original). Copy of all these documents are also required to be uploaded in GeM Portal along with Bid documents.

4.9.2 Tender Fee & EMD is a pre-requisite other-wise the Tender will be normally rejected. However the Public Sectors, Government agencies and the Firms registered with DGS&D/NSIC /District Industries Centers(DICs) / Khadi & Village Industries Commission(KVIC)/ Khadi & Village Industries Board (KVIB)/Cair Board/ Directorate of Handicrafts and Handloom or any other body specified by Ministry of Micro, Small & Medium Enterprises ,others for which specific exemption has been granted by NALCO such as Ancillary Industries etc and all Startups recognized by Department of Policy and Promotion (DIPP), Ministry of Commerce and Industry, Govt of India are exempted from payment of EMD. If the bidder desires the bidder may submit attested copy of certificate such as NSIC / MSME /other category mentioned above (for the service /work for which they are registered) for claiming EMD & Tender Fee exemption .

4.9.3 Affidavit in Original towards Litigation History duly signed after the NIT publication date.

4.10 Clarifications, if any, regarding this tender can be obtained from the undersigned **through mail or phone no. at Pg-8 of**

137

before the TSD

4.11 After downloading / getting the tender schedules, the bidder should go through them carefully and then submit the documents as asked. **If there are any clarifications, they may refer online through the tender site, or through the contact details.** Bidder should consider the corrigendum published before submitting the bids online. Bidders in their own interest should get ready in advance to submit the bid documents as indicated in the tender schedule. These documents should be in PDF / XLS / RAR / DWF formats. If there is more than one document, they can be clubbed together.

4.12 Bidder should clearly fill up the PQC Technical (Detailed work order and execution statistics) (**Annexure-C6**) and Details of present commitments of the tenderer (**Annexure-C8**) for his offer evaluation. Suppression of credential / facts may lead to penal action as per procedure.

4.13 It is mandatory for the bidder to fill up the **Annexure-A9** (Preference to Make in India 2017), **Annexure-A10** (Restrictions under Rule 144 (xi) of GFR 2017), **Annexure-C19** and **Annexure-C20** (regarding declaration of the relatives in Nalco) and **Annexure-C3** (Deviation statement to the tender terms and conditions) and **Annexure-C4** (Declaration by the bidder) while submitting the offer.

4.14 Bidder should check his mail and GeM portal for any information regarding tender from time to time.

4.15 In case any specific adverse report is found against any bidder during enquiry about the statement made / credential submitted along with the offer documents in respect of capabilities, spare capacities, performance, completion certificates and criminal background of the bidder, the offer submitted by such bidder shall be rejected and penal action as deemed fit may be initiated.

4.16 If the bidder submits the bid in manual form (if permitted categorically in the tender), he should have already registered in the tender site and he shall have to mention the registration ID in the bid submitted otherwise his tender will not be considered.

4.17 Nalco reserve the right to seek any document / information at later stage in respect of evaluation of bid which the bidder must submit failing which the bid may be rejected.

5 Bid Evaluation

5.1 Evaluation will be done strictly in line with the facilities available under government website www.gem.gov.in i.e. based on documents uploaded by the bidder as per PQC. In case of non-compliance to the PQC requirement, i.e. any shortfall documents arise out of submitted technical as well as commercial credential submitted within tender submission date, bidders will be given only one chance under GeM to upload shortfall documents within a stipulated date. No new documents would be called up as part of PQC experience documents.

5.2 The technical acceptability will be strictly as per matching of PQC with submitted work credential by the bidder

5.3 In case any specific adverse report is received against any bidder and proved to be correct after enquiry about the statement made / credential submitted along with the offer documents in respect of capabilities, spare capacities, performance, completion certificates and criminal background of the bidder, the offer submitted by such bidder shall be rejected and penal action as deemed fit may be initiated.

5.4 Concurrent commitment: - The concurrent commitments of bidder on various jobs under execution by the bidder will be considered to assess the spare capacity available with the bidder. The bidder must confirm that they have disclosed all the works being executed by them in the offer. If the annualized concurrent commitments of the bidder plus annualized estimated value of the work (for single agency)/ annualized estimated maximum percentage of work in split case under consideration (for multiple agency) exceeds **four times** the average annual financial turnover during the last three financial years of the bidder, then the bid of such a bidder shall not be considered for further evaluation. **Suppression of fact /data regard to jobs under execution will be considered as gross violation and rejection of bid including penal action such as banning/ blacklisting, as deemed fit.**

The bidder has to submit complete list of concurrent commitments on all jobs under execution by them, which will be taken into account to assess the spare capacity available with the bidder.

Concurrent Commitment of the bidder shall be evaluated as on the last day of the Month previous to bid due date **of submission**, based on the confirmation / declaration of the bidders that they have disclosed all works being executed by them. Bidders shall exclude all stalled project for which there is no progress in last one year giving reason for no progress considering above cutoff date. In case any adverse report / complaint are received against bidder and on enquiry found correct, offer shall be rejected and bidder shall be liable for appropriate legal action.

5.5 In-house information for assessment of capability of bidder and their performance on jobs completed / in progress at NALCO shall be considered for evaluation purpose. In case of poor performance, the offer from such bidders shall not be evaluated.

5.6 Nalco reserve the right to seek any document information at later stage in respect of evaluation of bid which the bidder has to submit failing which the bid may be rejected.

5.7 In case the Bidder submits the work experience as a sub-contractor (of the Main contractor), approval from the Principal agency/Client, for the engagement as Sub-Contractor of the Main Contractor, needs to be submitted along with Bid.

6 Ordering

6.1 On selection of Vendor for award of work, necessary internal approval processes will be completed, and during the said process, the Vendor Master data will be cross checked with documents like PAN Registration Certificate, GST Registration Certificate, Signed & Cancelled Cheque (with Name, Account No and IFSC Code printed on the Cheque) duly authenticated by the Vendor and attached to ANNEXURE- C10.

6.2 In normal circumstances the party in whose favor the work is awarded shall be issued with LOI. The party shall have to enter into an agreement in writing on non-judicial stamp paper of appropriate value as laid down in the GCC. The agreement normally consists of LOI, BOQ at the accepted rate, complete bid document, Schedule of Agreed Variation (if any) etc. The documents such as, correspondences, minutes of meeting, (if held with the party) etc. shall also form part of the contract agreement if required. On execution of Agreement a Detailed Order will be issued.

7 **General Conditions of Contract (GCC)** will be a part of the NIT.

ANNEXURE-A1

INSTRUCTIONS TO BIDDERS

SMELTER / CPP of National Aluminium Company Ltd (NALCO) is situated on NH-55 at approximately 6 KM away from ANGUL (District head quarter) and 5 KM away from Banarpal in Angul district of state of Odisha, connecting between Cuttack and Sambalpur.

1.0 SCOPE OF WORK:

The scope of work shall be as detailed is enclosed at **Annexure-B2**. The work shall be carried out as per direction of Engineer-in-charge/Manager-in-charge subject to special condition of contract given in **Annexure-B3**.

2.0 PRE QUALIFICATION CRITERIA (PQC)

2.1 Single part Tender will be evaluated on the basis of price bids only. Hence, bidder should not take any technical/commercial deviations, otherwise their offer will be liable for rejection. For other type of tenders, wherever techno-commercial evaluation is to be done first, the bidders are required to submit documentary evidences for technical experience and financial capabilities as part of Pre-Qualification Criteria (PQC).

2.2 It may be noted that the details of documents submitted in support of the PQC for Technical & Financial capabilities are to be specified in following formats. If no references are found in the stated Annexures and the bidder gets disqualified, non-cognizance of such documents by NALCO, even if attached somewhere else as part of bid documents, will not be seen as a deficiency in proper evaluation of such documents. Hence, bidders may ensure that such documents are invariably referred in the below-mentioned Annexures.

2.2.1 Technical/Experience Criteria: **Annexure-C6**

2.2.2 Financial Criteria : **Annexure-C7**

2.2.3 The bidder should possess independent EPF, ESI, PAN & PAN based GST registration certificates respectively from the concerned Regional Provident Fund Commissioner for PF, Independent Account Code from concerned Regional Director ESIC for ESI, Direct Tax Authorities for PAN and Indirect Tax Authorities for GST, as applicable.

2.2.4 Litigation history for criminal background: **Annexure-C22**

2.2.5 The concurrent commitments of bidder on various jobs under execution by the bidder will be taken into account to **assess** the spare capacity available with the bidder. Bidders are required to fill **Annexure-C8** for calculation at our end. **Suppression of fact and figures will liable to cancellation of bid and penal action as per rule.**

Note: While making the online payment, the Tender Number may be mentioned in the text field of the transaction.——

Incase EMD amount is Rs.1.25 lakhs or more, EMD in the form of Bank Guarantee in prescribed format from NALCO approved Bankers (**Annexure-C17**) shall also be accepted. The original BG is to be submitted along with bid as indicated in the NIT.

- 4.3** Bids without EMD will be rejected. However, the Public Sectors, Government agencies and the Firms registered with NSIC/MSME , and others such as Ancillary Industries etc. for which specific exemption has been granted by NALCO may be considered for exemption from EMD subject to submission of attested documentary evidence in support of the same in sealed envelope as stipulated in NIT.MSEs having UAM no shall also submit supporting documents such as UAM certificate, CA Certificate (certifying that the unit is a MSE having valid MSE certificate).
- 4.4** EMD of unsuccessful bidders will be refunded within 15 days of finalization of contract for single part bid tender and within 15 days of acceptance of techno-commercial offers by the Competent Authority in case of two-part bid tender.
- 4.5** The EMD shall be forfeited without any notice on any of the following situations.
- 4.5.1** On withdrawal of offer after expiry of submission date & time of bid offered.
 - 4.5.2** If the bidder does not submit the agreement prior to effective date mentioned in the Service Purchase Order/LOA/LOI considering the criteria of Clause No. 15.0 of this **Annexure-A1**.
 - 4.5.3** If the work is not commenced from the effective date of Service Purchase Order, after award of the work.
 - 4.5.4** At any point of time if it is found that the party has submitted any false declaration in his offer.
 - 4.5.5** If the bidder modifies its bid after the opening of the bids without written instruction from NALCO.

5.0 BANK GUARANTEES: -

- 5.1 The vendor may submit Bank Guarantee against Performance Security, Free Issue Material (FIMBG), Advance BG (ADVBG) and Contract Cum Performance Guarantee (CPBG) where ever applicable.
- 5.2 The BG in prescribed format (Annexure-C11 to Annexure-C16) should be issued by approved Banks listed at Annexure-C17 having its branch at Angul/Bhubaneswar and the BG should be registered in Structured Financial Messaging System (SFMS) for BG Conformation and Lodging of claim. Place of Encashment may be limited to Angul/Bhubaneswar only.
- 5.3 The original EMD BG should be sent by the Bank directly in the address of Tender Inviting Authority (TIA) and for other BGs to EIC/MIC mentioned in the Work Order through Registered/Speed Post with AD. It may be noted that the BG Format requires mentioning of the address, Phone, Fax no. and email ID of the issuing Bank. On receipt of Original BG, it will be forwarded to Finance by EIC/MIC through Inter Office Memo (IOM).
- 5.4 Each BG contains a start date, expiry date and claim date. The validity of BG (Start date to expiry date) should cover the Tender/Contractual execution period. A further claim period of 3 months is required to lodge a claim for extension/encashment of BG if necessary. Therefore, the claim date should be 3 months beyond the expiry date. If a consolidated BG is provided including claim period, 3 months will be considered as claim period and accordingly BG extension should be provided to cover Tender/Contract requirement.
- 5.5 BG extension whenever required should ideally be provided 15 days prior to Expiry date from the same Banker against the Original BG with reference to the Tender/Contract. However, in specific cases if a new BG from a different bank is provided against the Original BG the subsequent BG should also cover the obligations under original BG period. The subsequent banker has to give an undertaking in this regard in their BG forwarding letter in letter head.

6.0 ORDER OF PRECEDENCE OF CONTRACT DOCUMENTS:

- 6.1 The documents as stated below shall constitute the integral part of Contract Documents. In the event of any ambiguity or conflict between the Contracts documents as given below, the order of precedence shall be the order in which they are listed. All documents forming part of this tender are intended to be correlative, complimentary and mutually explanatory. The tender documents should be read by the bidder as a whole before bidding the tender.
 - 6.1.1 Conditions of Integrity Pact.
 - 6.1.2 Bill of Quantity.
 - 6.1.3 Scope of Work/Technical Specifications.
 - 6.1.4 Drawings if any.
 - 6.1.5 Special Conditions of Contract.
 - 6.1.6 Instruction to bidders/NIT.
 - 6.1.7 General Conditions of Contract (GCC).
 - 6.1.8 Relevant Indian Standards.
- 6.2 If any varying of conflicting situation arises in any of the document forming part of the Contract, NALCO's decision with regard to intention/interpretation of the document and the decision shall be final and binding on the parties.

7.0 MODE, SUBMISSION, RECEIPT AND OPENING OF TENDER:

- 7.1 Corrigendum and/or Clarification, if any issued for the NIT shall form part of the Tender Documents. Corrigendum and/or Clarifications will be hosted on the web-site www.gem.gov.in and no separate intimation will be given to the bidders or released in the press. Bidders are requested to visit the web-sites from time to time to note the Corrigendum and/or Clarifications before submission of their bid. NALCO shall not be responsible if any bidder omits to notice any Corrigendum and/or Clarifications and make necessary change if required in their submitted final bid.
- 7.2 Telex/ Telegraphic/ Fax/ E-mail bids shall not be accepted.
- 7.3 Before submission of the bid, the bidders are requested to read the bid document carefully to make themselves fully conversant with the GCC, Special Conditions of Contract and Conditions of bidding, Specific conditions, technical Specifications and bid drawings if any. The bidder should visit site and get familiarized with the site conditions so that, no ambiguity may arise in these respects, subsequent to submission of the bids.
- 7.4 Nalco's General Conditions of Contract (GCC) & Special Conditions of Contract (SCC) if any shall form part of this contract. The tenderer is advised to go through the same either in the office of the Tender Inviting Authority during office hours to seek clarification if any, or may refer to NALCO web site and get them-selves satisfied before quoting the rates. It will be taken for granted by NALCO that tenderer has seen and gone through the terms and conditions and shall abide by same.
- 7.5 The forwarding letter / covering letters & information is to be included in the offer. The instruction given in the checklist of single part / two-part bids must be strictly complied.
- 7.6 Tenders are to be uploaded in the GeM web site www.gem.gov.in on or before time & date specified at Sl. No. 5.0 of F-02 form of Contract Details, **Annexure-B1**. The PART-I bids in case of two-part tendering and Single part bid in case of LTE shall be opened at the time & date specified at Sl. No. 6.0 of F-02 form of Contract Details, **Annexure-B1**.
- 7.7 The price bids of technically qualified bidders shall only be opened on a later date. The date & time of opening of price bid shall be intimated to the qualified bidders through www.gem.gov.in website.
- 7.8 Bidders are advised to submit complete set of Tender documents along with ANNEXURE-B4 & ANNEXURE-C3 etc. under GeM Portal in the Online Mode. Price Bid shall also be uploaded online only.
- 7.9 All the supporting documents to meet the PQC need to be uploaded with the offer after attesting them by a gazette officer or notary public and are required to sign each page by the bidder or by their authorized representative. The hard copy of these PQC compliant documents should reach the office of the Tender Inviting Authority before the due date & time of bid opening.
- 7.10 **As per Manual for Procurement of Works 2019 Ministry of Finance Department of Expenditure 5.4.5 Normally no post bid clarification at the initiative of bidder shall be entertained. The shortfall information /documents if any may be sought only in case of historical documents which pre- existed at the time of tender opening and which have not undergone change since then. So far as the submission of documents is concerned after submission of the tender, Nalco may ask and consider, only related shortfall documents. For example, if the bidder has submitted a contract without its completion / performance certificate / annual turnover, the certificate can be asked for and considered. However, no new contract will be asked further so as to qualify the bidder. No post-bid clarification at the initiative of the bidder shall be entertained. Hence bidders are required to take due care to upload all relevant work credentials available with them in order to avoid rejection.**

- 7.11 Deviations of any form are not acceptable. In case deviation is unavoidable, bidders are instructed to give all deviations in the enclosed deviation statement sheet (**Annexure-C3**) only, along with the tender document. Please be informed that only deviation mentioned in Annexure-C3 will be considered for further evaluation. Deviations at any other place will not be considered. Deviations in LTE single part will not be considered in any case and the bids will be rejected.
- 7.12 Deviation(s) listed at any other place of the tender shall not be considered at all and shall not be binding on NALCO. The tender shall be evaluated based on the deviation statement and no claim whatsoever shall be entertained irrespective of bidder has accepted this particular clause or not.
- 7.13 In case of withdrawal of deviations to NIT specification, if any bidder insists for revision in price before opening of price bid and Nalco agrees for the same, the submission of price implication shall be in offline mode from the bidder in a sealed envelope by hand/password protected file through e-mail within a stipulated time.
- 7.14 NALCO reserves the right to defer the date of tender opening in case the response is considered inadequate or due to any other reasons. In such event, the bidders shall be intimated the next date of opening subsequently.
- 7.15 The bidder shall ensure submission of complete information / documents in the first instant itself. NALCO reserves the right to evaluate the offer based on the details furnished by the bidders on the scheduled date of tender submission without seeking any subsequent additional information.
- 7.16 All the pages of GCC duly signed & stamped by authorized signatory should be submitted along with the agreement / offer. In case of online offers, the copy of GCC is to be uploaded with the offer after **digitally signed / physically signed** by the bidder.
- 7.17 Declaration regarding Relationship with Board of Directors and Employees of Nalco: The contractors must furnish certificate as mentioned in **Annexure-C19** & **Annexure-C20** enclosed, disclosing in detail about their relatives in Nalco. Suppression of this information in any form if detected at any stage will lead to disqualification and lead to rejection of the offer or termination of the contract as the case may be. The concerned party may also be banned from participation in future tenders.
- 7.18 Owner's Right to Accept or Reject a Bid: A bidder may seek clarification regarding the bidding document provisions, bidding process and / or rejection of his bid. NALCO/Consultant shall respond to such queries within a reasonable time.

8.0 EVALUATION OF BIDS:

- 8.1 The price bids of the techno-commercially qualified bids in case of two-part bid system & bids in case of single part bidding shall be evaluated as per the note of "Quantity & Rate Schedule" (**Annexure-B4**) in the excel format available in the GeM site.
- 8.2 In case there is a tie in L-1 position, the concerned bidders may be called to offer maximum possible discount on their quoted rates/revised rate in sealed envelope in order to decide the L-1 bidder among the considered bids.
- 8.3 In case "tie" of price bids, even after application of clause 8.2 above, the following criteria shall prevail in the given order.
 - 8.3.1 Bidder having highest average turnover during last three years shall be preferred. Average Annual Turnover shall be decided based on audited profit and loss account submitted by the bidder for the last three financial years.
 - 8.3.2 The contractor executing the same contract satisfactorily will be preferred.
 - 8.3.3 The contractor of the previous contract, who has executed the same work satisfactorily, will be preferred.
- 8.4 In case of tie for L2 or other positions and L1 price matching is to be made for splitting of the job as per NIT condition, then L2, L3 etc positions shall be determined by applying criteria at sl. no. 8.3 above.
- 8.5 **Where the tender is being finalized through GeM Portal, as per GTC applicable for GeM procurement, if multiple L-1 bidders have quoted the lowest allowed price for the tendered**

service (i.e. TIE cases), NALCO shall place the contract by selection of resultant bidder amongst the L-1 bidders through a random algorithm executed by GeM system. This will supersede Clause No. 8.2 to 8.4 as above.

9.0 ACCEPTANCE OF TENDER:

- 9.1 NALCO reserves the right to reject or accept any or all the offers in full or part, split the work, reduce or increase the quantity, without assigning any reason thereof.
- 9.2 NALCO reserves the right to award the work in parts between two or more agencies if considered expedient. The quoted rates shall hold good for such an eventuality. Reference is also invited to clause No: 9 of General conditions of contract.
- 9.3 Validity of Offer: - The validity of the offers submitted by the bidders shall be as per F-02 Form i.e. Contract Details in **Annexure-B1**. In case the validity of offers expires during the processing of the case, all the bidders / techno-commercially accepted bidders shall be requested to extend the offer validity with same price and terms & condition of the tender. The offers of such bidders shall be rejected if they do not extend the validity unconditionally.
- 9.4 Bidders may note that, Brief Order / Letter of Intent / Fax of Intent / Service Purchase Order placed, is in acceptance of their offer by NALCO and shall be binding on them. However, the bidder has to return a copy of LOI / FOI / Service Purchase Order duly signed by them or their authorized representative as a token of receipt of the same within seven days of issue of the same for our records. In case of no communication of the same is received within the stipulated time from their end, it will be presumed that the party has received the Brief Order / Letter of Intent / Fax of Intent / Service Purchase Order.
- 9.5 Any communication such as Letter, BO, LOI, FOI, SPO etc. shall be communicated to the Bidder through Registered post/ Speed post/ Fax/ Hand delivery/ By mail registered with Nalco. Any communication through any one or more of above modes shall be valid and binding on the Bidder.

10.0 CONTRACT PERIOD:

- 10.1 Timely completion is the essence of the Contract. The contract period for this work shall be as mentioned in Sl no:3 of F-02 form (**Annexure-B1**) of contract details and shall be applicable from the effective date as mentioned in the service purchase order/LOI. Time period of completion" of individual items/activities may be decided jointly by Manager-In-Charge and contractor, which shall be adhered to by the contractor.

11.0 OCCUPATIONAL HEALTH & SAFETY MANAGEMENT SYSTEM:

- 11.1 **Safety:** The contractor shall have to take necessary safety arrangements/ precautions for the workmen engaged by him and shall be responsible for any First Aid / Emergency treatment for his labours / workmen. In addition, the contractor shall have to abide by all fire & safety regulations of the owner. The contractor has to execute the works after taking necessary instruction & safety clearance from the safety officer.
- 11.2 All lifting/handling tools & tackles deployed by the contractor should have been load-tested as per the prevailing rules & regulations. Mobile equipments such as Truck, Tractors, Tippers, Dumpers etc. shall have valid fitness certificate with due insurance required as per the prevailing rules & regulations. Wherever transport of material is applicable, the contractor has to ensure that goods carried during transportation do not exceed the permitted laden weight as certified by registering authority for the respective vehicles.
- 11.3 Personal Protective Equipment (PPE): The contractor shall have to provide all the necessary PPE to the workmen engaged by them as per the requirement, area wise as mentioned in the PPE format. In case the contractor fails to provide PPEs as per requirement, at the time of starting the job, they will not be allowed to carry out the assigned job. PPEs can be got issued from NALCO on request with recovery of purchase cost, plus administrative charge @25% of Procurement cost as penalty plus GST on administrative charges as applicable. (**Annexure-A3**).
- 11.4 The contractor, before starting the work, shall collect a copy of the **safety manual** from Safety Department and shall abide by all instructions mentioned therein.
- 11.5 The contractor shall be responsible to promote awareness on the OSHAS requirements among the workmen engaged by them for the subject job and ensure adherence to sound OSHAS related practices as detailed in the "**Occupation Health & Safety Policy**" enclosed herewith. The contractor shall be responsible for abiding by all the applicable provisions of safety code of

- 14.1** The contractor shall use all the documents, drawings, data & information of proprietary in nature, received from NALCO, solely for the purpose of performing and carrying out the obligations on their part under this contract. He shall not disclose the same to any other person except to the extent required in the performance of the work and shall maintain the utmost secrecy. Contractor and NALCO shall bind their employees, who are involved in engineering of the project by a suitable secrecy contract. The documents, drawings, data and information received from NALCO shall not be used by contractor for any other purpose and will also keep them confidential. All data, documents and information provided by Contractor during the course of execution of the work will be treated as confidential by NALCO and will not be released to any third party, without specific written permission of Contractor.
- 14.2 Breach of Secrecy:** In case of breach of secrecy by the Contractor, Nalco will have right to terminate contract, Performance Security and claim damages from the party.

15.0 EXECUTION OF CONTRACT AGREEMENT:

- 15.1 The contractor shall have to execute an agreement on **Rs.50/-** non-judicial stamp paper to be purchased from any stamp vendor under the jurisdiction of the Orissa High Court, in the specific format (**Annexure-C23**). Issuing authority of work order shall sign the agreement on behalf of NALCO. The agreement shall not be required to be executed for work orders of value less than or equal to **Rs.1,00,000/-**.
- 15.2 The agreement should be submitted to T&C Department, within **10 days** of issuance of LOA/LOI or at least 10 days prior to effective date mentioned in the Service Purchase Order.
- 15.3 Contract Agreement is mandatory before starting of work. EIC/MIC will ensure before Gate Pass is issued.
- 15.4 No bill shall be payable unless the agreement is signed, if signing of agreement is applicable

16.0 SUPERVISION:

- 16.1 The contractor shall have to work as per direction of the Manager-in-charge and shall report to him daily regarding day-to-day progress. The contractor shall give full access to the Manager-in-charge / authorized representative of NALCO to inspect day-to-day work executed by the contractor. Besides, the Contractor will take full responsibility to ensure proper workmanship, good quality of work and supervision during the contract period without any additional cost.
- 16.2 Under prevailing statute, the supervision should be carried out by a capable competent person.

17.0 PAYMENT OF WAGES TO ENGAGED LABOUR AT SITE:

- 17.1 Payment of wages to the labour employed by the contractor shall be as per the Central Government notification fixing minimum wages for different categories of labour in Central Public Enterprises from time to time plus an additional element as indicated below (as a part of wages).The contractor shall have to make labour payment accordingly, along with applicable statutory benefits. Therefore, the contractor must quote their rates considering the labour rates indicated at **Annexure-B5**.
- 17.2 The contractor has to ensure payment of minimum bonus @ 8.33% on the notified minimum wages for each category including the additional elements but excluding canteen subsidy (Considering minimum salary as Rs.7000/- per month) to all his workmen engaged in the contract annually.
- 17.3 As per statutory provisions, contractors will have to pay the monthly wages of contract labourers latest by 10th of subsequent month as well as deposit the statutory contributions within due date. In case of failure to do so, NALCO as principal employer will pay wages/release the payments to the concerned labourers at any time after the 10th of subsequent month without any further intimation.
- 17.4 If the date of payment is beyond 10th of subsequent month or there is direct payment, Nalco reserves the right to recover up to 25% as administrative charge on the amount of labor payment plus GST on administrative charges in the RA/Final Bill.
- 17.5 The contractor failing to make payment of labour wages as per applicable Law, may be debarred / banned for conducting future business with NALCO.

18.0 LABOUR LAWS:

- 18.1 The successful bidder shall abide by all applicable statutory provisions in respect of workmen deployed by him to the satisfaction of Central & State Government Authority. The contractor shall comply with the provisions of all statutes and amendments thereof at their cost for different legislations as under. The contractor shall have to abide by and comply with any Modification/ Change/ Amendment to the existing laws or introduction of any new law relating to the work and rules framed there under from time to time. The list is indicative and not exhaustive.
 - 18.1.1 Building & other Construction Workers (RE & CS) Act 1996
 - 18.1.2 Child Labor (Prohibition & Regulation) Act 1986,
 - 18.1.3 Employees' Provident Fund and Miscellaneous Provisions Act, 1952.
 - 18.1.4 Employees' State Insurance Act, 1948.

- 18.1.5 Factories Act, 1948
- 18.1.6 Industrial Dispute Act 1947,
- 18.1.7 The Inter-state Migrant Workmen (Regulation of Employment and Conditions of Service) Act, 1976
- 18.1.8 The Maternity Benefit Act 1961
- 18.1.9 Minimum wages Act 1948.
- 18.1.10 Payment of Wages Act 1936,
- 18.1.11 Payment of Bonus Act 1965,
- 18.1.12 Payment of Gratuity Act, 1972
- 18.1.13 Employees' Compensation Act 1923.
- 18.1.14 Contract Labour (R&A Act, 1970)

19.0 GATE PASS & SECURITY:

- 19.1 Normally before starting of work, EIC/MIC will ensure that Contract Agreement is signed otherwise, Gate Pass should not be allowed. Therefore, the contractor shall have to produce the Contract Agreement and arrange valid gate pass for the labour/ workers engaged by him in order to enter into the factory premises if the work is to be executed inside the plant. (Refer Form No: F-02 of Sl. No- 15 at Annexure-B1).
- 19.2 **Issue & Use of Electronic ID Card:** All the contract workers will be provided with electronic entry/exit pass by CISF before mobilization of site/commencement of work by the contractor. All contract workers shall use this ID/Punch cards for making entry into /exit from the plant. After expiry of the contract, ID/Punch card will be surrendered by the workers at the time of closure of contract through the contractor. In case of loss /missing of ID/Punch card, contractor has to deposit Rs. 200/- per card in the cash counter of NALCO for issue of fresh identity card. Incase of discontinuation of job by the workers, the cards will be surrendered to the CISF under intimation to unit HRD.
- 19.3 Attendance of contractor's workers will be regulated through biometric punching systems. In case of discrepancy, decision of EIC/MIC will be Final & Binding on the contractor.
- 19.4 **Use of Online Contract Labour Management System (CLMS):**
An online Contract Labour Management System (CLMS) has been launched across NALCO w.e.f. 01.07.2017. As per the portal architecture, every contractor employing contract labour in NALCO shall have to use this online portal for various activities like safety clearance, issue of gate pass, application for license in Form II, issue of certificate from Principal Employer (NALCO) in Form III for obtaining license from the Central Labour Department, preparation of monthly wage sheets, issue of wage slips, employment cards, preparation and filing of returns, maintenance of statutory registers etc. The contractors have to use the CLMS for entering relevant data about themselves and the labour engaged by them for getting the benefits of the system. Since the package has been developed as per the mandate given by the Management and is being closely monitored by the Ministry of Mines as an item on the DASHBOARD, use of the system is mandatory for the contractor.
- 19.5 **TIME OF WORK: The factory timings are as follows:**
'A' shift-6.00 AM to 2.00 PM, 'B' shift-2.00 PM to 10.00 PM, 'C' shift-10.00 PM to 6.00 AM,
'G' shift-8.00 AM to 5.00 PM (with 1.00 Hr lunch break from 1PM to 2PM)

20.0 MATERIAL TOOLS & TACKLES:

20.1 The contractor shall have to make his own arrangement for supply and storage of his materials / consumables and general tools, tackles, welding sets, electrodes, chain pulley blocks, slings, gas welding/cutting sets, in connection with execution of work. No extra payment shall be applicable for such provisions. Wherever required consumables of approved quality like general purpose welding electrodes, cleaning agents, Oxygen gas, D.A. gas, etc to execute the contract shall be in Contractor's scope and contractor must arrange these materials at their own cost unless mentioned otherwise in the tender documents attached herewith. Apart from the above any job /tender specific requirement of materials is indicated in special condition of contract.

20.2 FREE ISSUE MATERIALS / CONSUMABLES:

Unless mentioned otherwise in the attached tender documents, Argon Gas & Co₂ gas will be supplied by Nalco as Free Issue Item if required for the work executed inside plant. The contractor will do transportation from issue point to work site.

Issue of cement and steel as Free Issue shall be governed by clauses 52 to 54 of GCC unless mentioned otherwise in scope of work / special conditions / BOQ or elsewhere in this tender document subject to the followings:

20.2.1 For issue of materials within plant boundary wall limit, the contractor shall submit only indemnity bond for the entire value of materials issued to them free of cost as per clause 53 (ix) of GCC.

20.2.2 For the materials which are issued for outside plant boundary such as Ash Pond area , Intake Pump House , Lean Slurry area , Bidyut Nagar Colony , township, CISF Barrack etc, the contractor shall furnish Bank Guarantee equivalent to 20% of the value of material and indemnity bond equivalent to 80% value of materials being issued to the contractor.(Ref Sl no. 8.1 & 8.2 of Form F-02 (**Annexure-B1**) of Contact Details)

20.2.3 For materials taken out side plant to the vendor's shop, Bank Guarantee equivalent 100% of the value of the materials will be submitted by the vendor before taking out the materials.

20.2.4 The Indemnity bond and the Bank Guarantee shall remain valid till the material account is totally settled. The BG and Indemnity Bond shall be submitted in the prescribed format enclosed (Refer **Annexure-C15 & Annexure-C11**).

20.2.5 The materials drawn if any by the party as "free issue materials" from NALCO should be reconciled. The reconciliation statement of free issue items / materials should be submitted to the EIC/MIC for certification to be submitted along with RA Bill. The final reconciliation statement should be submitted along with final bill for release of final payment.

21.0 ENERGY/WATER/GROUND/BUILDING PREMISES:

21.1 Provision of Power/Water/Land/Building to Contractor's Works.

21.1.1 Lump Sum Turn Key (LSTK) Contracts- Electricity charges shall be billed @ Rs.4.30 /KWH on meter reading. Water charges will be billed on monthly basis by Estate department, @ Rs. 150.00 per month or part thereof. Ground/Building Premises inside plant will be provided without any rent. However Building premises provided inside Township will be on chargeable basis as per Rent Circular.

21.1.2 Other than LSTK Contracts : If Electricity and Water is required for the work to be executed, it will be supplied by Nalco free of cost from any suitable point. The contractor shall have to make arrangements, at his own cost, for tapping and using the power/water so required as per advice EIC/MIC. Ground/Building Premises will be provided without any rent.

21.1.3 For availing Electrical energy, the contractor shall have to provide, at his own cost, a MCB (Miniature Circuit Breaker) at the point of power supply by Nalco. The MCB shall have to be of a suitable capacity as decided by Nalco's electrical authorities for the concerned area and shall have to be replaced, as and when warranted, on the grounds of changed power requirements or the MCB having been defective and/or damaged.

- 21.2 Power and Water Supply to Contractor's Establishment:** The following points shall be complied in addition to Nalco GCC Clause No. 2.3 for giving power supply to Contractors' Establishments:
- 21.2.1** Power and Water supply will be provided to the contractor to whom the permission has been granted by Estate Department to have establishment in the township/plant as per requirement. Ground/Building Premises inside plant will be provided without any rent. However Building premises provided inside Township will be on chargeable basis as per Rent Circular.
 - 21.2.2** Contractor have to make all arrangements to receive power from designated panels by laying necessary cables and installing suitable distribution board. They have to apply to Estate department through the Engineer-in-Charge. The application will be made in prescribed format and a completion certificate by licensed electrical contractor will be enclosed. The representative of DGM (Elect) will inspect the installation and after getting their clearance, power supply will be charged. The individual establishments are to be maintained and managed by contractors as per IE rules.
 - 21.2.3** At the time of charging of power supply, initial meter reading will be jointly noted by representatives of contractor, Estate Department and Electrical Department.
 - 21.2.4** Every month, energy meter reading will be jointly taken by representatives of Estate Department and Electrical Department. Electricity Bill will be raised by Estate Department @ Rs.4.30 per KWH basing on the meter reading as per the prevailing rate. However, the rate is subject to revision time to time.
 - 21.2.5** Water charges will be billed on monthly basis by Estate department, @ Rs. 150.00 per month or part thereof. However, the rate is subject to revision from time to time.
 - 21.2.6** The contractor has to deposit Water & Electrical Charges on monthly basis. While processing any Final Bill relating to any work, the contractor has to submit clearance certificate from Estate Department covering period under Final Bill.
 - 21.2.7** While processing final bill of the contractor they must enclose Disconnection Certificate from Estate Department for power/water supply connection or Certificate regarding Continuation of connection due to other valid contract with proper reference through concerned EIC & Estate Department.
 - 21.2.8** The final bill will not be processed without compliance of the above. (Supporting document to be attached)
- 21.3** The contractor must dismantle the structure constructed by him for the purpose of office-cum-store on completion of the contract as per the provision of GCC clause no.2.4.2. If the same is not dismantled within two months of completion of contract, he will not be issued any tender paper or will not be allowed to participate in any tender. Besides with-holding of final bill, other penal action as per contract / Law as deemed fit may be initiated against the contractor.
- 21.4** Following penal actions shall be initiated against the unauthorized occupant;
- 21.4.1** Disconnection of power and water supply lines to be made,
 - 21.4.2** Penal rent @ Rs.10,000/- per month Plus GST as applicable or part thereof towards the ground rent and 20 (twenty) times penal rent towards electricity and water charges shall be recovered,
 - 21.4.3** Initiation of eviction proceedings in the Estate Court for outside Plant establishments

22.0 QUANTITY & RATE:

- 22.1 The quantity & rate schedule format is enclosed at **Annexure-B4**. Bidders are required to quote their rates in figures as well as words in the enclosed **Annexure-B4** only. In case of any discrepancy between rate in figures, words and amount quoted by the bidder, the relevant provision of GCC will apply to resolve the matter.
- 22.2 The tenderers must quote their most reasonable and workable rate. Overall total evaluated price for all items of schedule of quantities shall be the basis for determining the reasonableness of price and gradations of the tenders. In case the offered price of the tenderer(s) is found to be abnormally low (un-workable), based on the rate approved by NALCO (**if applicable, refer clause no.1.1 (ii) of Annexure-B1**), the tenderer(s) may be asked to justify their quoted rates within ten days of issuance of letter to that effect through email. The bidder must provide written clarification including detail price analysis of its bid price in relation to Scope, Scheduled, allocation of risks and responsibility, and any other requirement of the bid documents. However, if after evaluating the price analysis, NALCO determines that, the bidder has substantially failed to demonstrate its capability to delivered the contracts at the offered price, then NALCO may reject the bid / proposal. NALCO also reserved the right to award the job without seeking clarification or receiving clarification from the bidder about the price reasonability. In case of non-acceptance of work order, EMD furnished by the bidder shall be forfeited. **(CLAUSE NO. 22.2-NOT APPLICABLE, if Minimum workable offer is not applicable [Refer Caluse No.1.1 (ii) of Annexure-B1])**
- 22.3 Bidder shall quote in figures and in words for the rates tendered by him in the “Quantity & Rate Schedule” (**Annexure-B4**) forming part of the documents, in such a way that misinterpretation is not possible. The amount for each item shall be worked out and entered in the requisite column for all items.
- 22.4 **Price bids must not contain any conditions stipulated by the bidders. Conditional price bids are liable for rejection.**
- 22.4.1 No discount over quoted rate / total amount should be mentioned separately in the offer.
- 22.4.2 No additional rate over quoted rate / total amount should be mentioned separately in the offer.
- 22.4.3 Bidders shall submit the details about engagement of Agents/ Middlemen/ Intermediary/ Consultants / Service Providers and payments proposed to them by the bidder and it should be a part of the present bid.
- 22.4.4 All corrections and alterations in the entries of tender document if any shall be signed in full by the bidder with date. No erasures and over writings are permissible.
- 22.4.5 Bidders are required to quote for all items of the “quantity and rate schedule” (**Annexure-B4**) otherwise the offer will be dealt as per rules of NALCO & may be rejected as an incomplete offer.
- 22.4.6 Bidders are required to quote their best prices considering the fact that price negotiation, if required, may be held with the lowest bidder only.
- 22.4.7 Bidders are required to quote their rates up to two decimal places only. Decimal digits beyond two will be rounded off to two decimals for evaluation/placement of order.
- 22.5 **Quantity Variation:**
- 22.5.1 **Item rate contracts:** The Quantities mentioned in the schedule are approximate in nature and may vary by a wide margin within the contract value for which the contractor shall have no option but to execute the works, as per direction of the Manager-in-charge at the same rates, terms & conditions of the order. NALCO may negotiate the rate of items whose execution quantities is considered for increase during their execution, which will be agreed mutually. Payment shall be released to the contractor for the actual executed quantity only.

22.5.2 Lump sum/ Turnkey Contracts: In case of Lump sum/ Turn key (LSTK). Adjustment to the contract value due to such change in scope of work shall be governed by the provisions of GCC.

22.6 REVISED PRICE IMPLICATION:

22.6.1 In case of necessity due to post tender changes in specifications/scope of work / terms & conditions of NIT etc. before price bid opening, corrigendum shall be issued regarding the changes to all concerned techno-commercially qualified bidders and they shall be permitted to submit the corresponding price implication if any in offline mode in sealed envelope by hand/password protected file through e-mail within a stipulated time.

22.6.2 The price implication submitted in offline mode by the bidders (Refer Caluse 7.13 & 22.6.1) shall be opened and uploaded in GeM Portal before opening of original price bids. The evaluation will be done taking into account the original on-line price bid along with offline price implications.

22.6.3 In no case, bidder shall be allowed to submit revised price bid post bid submission date.

23.0 QUALITY OF WORK:

23.1 The contractor shall execute the job under their adequate supervision in accordance with the best engineering practices and the specification laid down in the enclosed Annexures. NALCO may inspect the work any time without notice to the contractor and may order re-execution of sub-standard work reserving the right to recover compensation in terms of GCC.

23.2 Inspection and test procedure given in the relevant clauses of the contract or BIS codes or other codes in practices as specified in the Scope of work / Special Conditions of Contract should be strictly followed.

23.3 Contractor shall use instruments calibrated in a Laboratory, accredited to NABL / Laboratory approved by the manufacturer for measurements/tests/inspection.

24.0 SECURITY DEPOSIT:

24.1 On receipt of the order, the successful bidder shall deposit with NALCO an amount, equivalent to 10% of the order value for value of contracts not exceeding **Rs. 1.0 crore**, 7.5% for the value of contracts over **Rs. 1.0 crore** up to **Rs. 5.0 crores**, and 5% of the value of contracts over **Rs. 5.0 crores** by the person(s), here in after called as contractor as Security Deposit within 21 days from the date of issue of Service Purchase Order/LOA/LOI. This amount will have to be suitably enhanced to the tune of above percentage of the executed value.

Alternatively, Initial Security Deposit amounting to 2.5% of the contract value shall have to be deposited, within 21 days of receipt of Service Purchase Order /LOA/LOI by him. In this case, the balance amount of the security deposit shall be recovered through deductions from bills as indicated under Payment term .

In case the successful bidder fails to submit the ISD /SD, with in a period of 21 days from the date of issue of Service Purchase Order / LOI, the ISD amount along with a simple interest @12% per annum as penalty, applicable from the date of Service Purchase Order till the date of submission of ISD or submission of 1st RA bill, shall be recovered starting from 1st RA bill .

24.2 The contractor can submit the initial SD or total SD in the form of either bank draft or bank guarantee from any NALCO approved bank in the prescribed format {ref Annexure-C14}

24.3 The Earnest Money Deposited along with the tender, by the successful bidder, if any shall be adjusted towards security deposit / initial security deposit.

24.4 The performance security /SD will be released along with release of final bill if there is no DLP or on successful completion of the DLP, with certification of Manager-in charge / Engineer-in charge. The vendor has to claim such refund along with Final Bill or within 15 days from the closure of DLP as the case may be.

25.0 TAXES & DUTIES:

25.1 GOODS & SERVICES TAX (GST)

25.1.1 The Rates indicated in **Annexure-B4** are inclusive of all but exclusive of GST.

25.1.2 The contractor must provide GST No including copy of Registration Certificate.

25.1.3 The Trade Name in GST Certificate should match to the name in vendor code and name in the Cheque. The Legal name in the GST Certificate should match to Legal Name in the PAN. In case of a Company or a Firm all the names should be same. But in case of Sole Proprietorship, the Legal Name and Trade Name may be different.

- 25.1.4 The contractor should submit the GST Invoice as per the format Annexure-C9 providing HSN / SAC Code (first 6 digits) and GSTIN of both Vendor and Nalco in the form of Business to Business (B to B) transaction.
- 25.1.5 As per Rule-46 of GST Act, the Serial Number of Tax Invoice should be maximum up to 16 digits, and should be unique for a Financial Year.
- 25.1.6 As per Rule-47 of GST Act, time limit for issuing Tax Invoice is 30 days from the date of Supply of Service.
- 25.1.7 Payment of GST is subject to compliance as stated in Payment Terms.
- 25.1.8 The contractor shall be fully & solely responsible to the statutory authorities for compliance of all the provisions of GST and other statutory provisions applicable to this work as a service provider either already enacted or to be enacted from time to time during contractual period.
- 25.1.9 NALCO reserves the right to recover any penalty and Interest imposed on NALCO by the concerned statutory authorities due to non-fulfillment of GST compliance by the service provider.

25.2 Anti-Profitteering Clause (Sec 171 of CGST Act) Applicable for Indian Bidders)

- 25.2.1 If any new Tax/Taxes is introduced on sale of goods/service. Either in lieu of existing tax/taxes or as separate tax/taxes, then the overall incidence of tax/taxes on the Vendor on account of its inputs and outputs wherever less than the incidence of existing taxes, then the Vendor shall pass on to Owner, the benefits thereof by way of commensurate reduction in the basic price w.r.t. Input Tax benefit and reduction in Tax chargeable to Nalco w.r.t. Output Tax benefits in connection with goods and/or services provided.
- 25.2.2 If on the other hand, the incidence of tax/taxes is in excess of the incidence of existing tax/taxes, the Owner on submission of satisfactory proof, shall reimburse the Vendor the additional incidence of tax provided they are within the contractual completion date.
- 25.2.3 The Vendor has to provide a declaration along with the Tender that they will abide by the requirements under CI 171 of CGST Act, 2017.

25.3 INCOME TAX:

- 25.3.1 The contractor must provide PAN including copy of Registration Certificate.
- 25.3.2 Income Tax TDS as applicable at the prevailing rate on the gross amount billed shall be deducted from the contractor's bills.
- 25.3.3 The contractor shall be fully & solely responsible to the statutory authorities for compliance of all provisions applicable to this work as a service provider under Income Tax Act, already enacted or to be enacted from time to time during contractual period.
- 25.3.4 NALCO reserves the right to recover any penalty and interest imposed on NALCO by the concerned statutory authorities due to non-fulfillment of all provisions applicable to this work as a service provider under Income Tax Act, already enacted or to be enacted from time to time during contractual period.
- 25.3.5 Party has to provide the Copy of Income Tax Return for each of the Two previous Financial Years for which due date for filling of Income Tax Return has expired with self-certification is a mandatory requirement else suitable provisions of Act will be applicable.

25.4 CESS UNDER RE&CS ACT

Cess will be deducted as per Workers' (RE&CS) Act 1996 and as stated under payment terms.

25.5 ROYALTY CLEARANCE.

As per Mines and Minerals Act of Govt. of Orissa the contractor is required to pay royalty for various types of construction materials (minor minerals) used in the work. The royalty charges shall have to be deposited in the office of Tahsildar from whose jurisdiction the minerals have been lifted and submitted along with Final Bill.

26.0 BILLING & INVOICING:

- 26.1 Measurement of the work done, during a period, against a Contract is very much essential for correct accounting. This is more so necessary at the end of each financial year. Therefore the contractors are expected to stick to the periodic billing schedule as per the Order. The billing system followed in Nalco is called Running Account Bills (RA Bills) to be generated in prescribed format through ERP system based on measurement of work done during a period with

certification by Contractor and approval by EIC/MIC. RA Bills will be sequentially numbered and the last RA Bill will be called nth RA & Final Bill.

- 26.2** Period of raising RA Bill and GST Invoice will normally be 1 month unless otherwise specified in Special Condition of Contract (**Annexure-B3**). GST Invoice amount should always match to RA Bill / Final Bill amount.
- 26.3** The RA Bill (in duplicate) will be accompanied by
- 26.3.1** Joint Measurement Sheet signed by Contractor & EIC/MIC.
 - 26.3.2** R.A. Bill Form signed by Contractor & EIC/MIC.
 - 26.3.3** Human Resource Dept. (HRD) Clearance (if applicable)
 - 26.3.4** Safety Certificate in 1st RA Bill issued by Safety Dept
 - 26.3.5** Any other document required by EIC/MIC or as per directive from statutory authorities.
 - 26.3.6** Deviation statement once the executed value reaches 80% of the Order value.
- 26.4** Similarly, in addition to above the Final Bill (in quadruplicate) will be accompanied by
- 26.4.1** Material Reconciliation Statement for Free Issue Material, (if applicable)
 - 26.4.2** Stores Issue Voucher, Stores Return Voucher, Material Transfer Voucher if any.
 - 26.4.3** No claim certificate duly signed by the contractor. (**Annexure-C28**)
 - 26.4.4** No due certificate from suggested by MIC. (**Annexure-C28**)
 - 26.4.5** Work Completion certificate from EIC/MIC. (**Annexure-C29**)
 - 26.4.6** Deviation Statement
 - 26.4.7** Handing over / taking over certificate (wherever applicable)
 - 26.4.8** Satisfactory commissioning protocol (wherever applicable)
 - 26.4.9** Royalty clearance certificate (wherever applicable)
 - 26.4.10** Electrical License (if required)
 - 26.4.11** Dismantling of Temp Structure, Disconnection of Water/Elect. & Clearance of Charges.
Note: - Certificates not applicable to a particular work will be certified by the MIC.
 - 26.4.12** Anti-Profitteering Declaration Format.
 - 26.4.13** As per Rule-47 of GST Act, time limit for issuing Tax Invoice is 30 days from the date of Supply of Service. Therefore RA/Final Bill must be submitted within 15 days from the end of the billing period. Any delay more than 30 days from Completion of Work will be considered as a failure in contractual terms and the contract may be closed ex-parte on the basis of certification of measurement and amount payable/recoverable considering all recoveries into account by the EIC/MIC. Decision of EIC/MIC shall be final & binding on the contractor. Besides above, the contractor may be treated as dormant or non-responsive and may affect assignment of further business to the vendor.
- 26.5** Party has to provide the copy of the Income Tax Return for each of the two previous Financial Years for which due date of filling of Income Tax Return has expired with self-certification is mandatory along with each GST Tax Invoice else suitable provisions of Act will be applicable.
- 26.6** Vendor / Party categorised / designated as "specified person" under Section 206AB of Income Tax Act, 1961 shall be liable for TDS at higher rate as provided under the said section, by NALCO. So, Vendors / Contractors are advised to submit self-certified copies of Income Tax return (ITR) for each of the Two Previous Years for which due date for filling of ITR has expired, along with the Invoice / Bill so as to facilitate NALCO, verify the applicability of Section 206AB.

27.0 PAYMENT TERMS:

- 27.1** The contractor will complete the measurement of work done for the billing period in consultation with EIC/MIC. They will process the RA Bill along with necessary documents as defined under "Billing & Invoicing" for release of payment. It will be processed for release of payment after deductions in compliance to different statutes and retentions as recommended by EIC/MIC. Amount payable will be subjected to further adjustments against outstanding receivables against the vendor if any. The net amount will be paid online through RTGS/NEFT/IMPS/Internet Banking or any other online facility provided by our banker. Charges if any levied by respective banks, is to be borne by respective parties.

- 27.2 If the contract value is Rs.20,000/- or less, full and final bill will be admitted.
- 27.3 Payment against RA Bill will be considered only when the remaining period of the contract is not less than Billing Period defined in the contract or the remaining value of contract is not less than average periodic value executed up to previous RA Bill. In case the remaining period of contract is less than the billing period or the remaining value of contract is less than average periodic value executed up to previous RA Bill, specific declarations that “Final Bill will be submitted in time” will be sought from the contractor with certification by EIC/MIC before processing of RA Bill.
- 27.4 On award of the contract to the successful bidder, it becomes mandatory by the bidder to enclose a deviation statement with RA bill once the executed value of the work has reached 80% of the awarded value.
- 27.5 In case of Lump sum / Turnkey contract, the payment shall be released according to approved Billing schedule and Payment Terms specified in special conditions of contract.
- 27.6 Payment of GST is subject to reflection of the party's invoice in GSTR 2A/Anx-2 (GST new return) of NALCO. If the vendor fails to comply for two consecutive periods against one order, no further payment will be released till compliance is made by ‘FILLING’ up to last period. If a vendor submits proof of filing GSTR1 duly authenticated by Vendor on the Main page containing Nalco's GSTIN with ‘FILLED’ status and detail list of invoices generated from their GST login, for Invoices already paid by Nalco, then basic amount of subsequent Invoices may be released. However, GST withheld will be released after checking of GSTR2A.
- 27.7 GST TDS as applicable at the prevailing rate on the gross amount billed shall be deducted from the contractor's bill.
- 27.8 Cess will be deducted from Gross bill value as per Building and Other Construction Workers' (RE&CS) Act 1996 for Township construction contracts. (construction, alteration, repairs, maintenance, demolition in relation to buildings, streets, roads, drainage, electrification, distribution of power, water works, communication works etc.)
- 27.9 Payment against Final Bill will not be released if royalty clearance certificate as stated under Royalty Clearance is not submitted by the vendor.

28.0 PRICE VARIATION FOR LABOUR:

- 28.1 **Price variation for Labor (Wherever applicable):** On subsequent revision of applicable minimum wages to be notified by NALCO from time to time the differential wage and associated components will be reimbursed based on actual payment to workmen, excluding OT amount and Administrative Charges on production of documentary proof to HR Dept regarding payment through bank.

29.0 PRICE VARIATION FOR FUEL

Price variation on Fuel is normally not allowed. If price variation on Fuel is applicable it will be regulated as per the Special Conditions of Contract (**Annexure-B3**).

30.0 DEFECT LIABILITY PERIOD (DLP):

- 30.1 The DLP shall be governed by the detailed terms and conditions stipulated in clause 65 and 68 of GCC. The defect liability period shall be reckoned from the date of completion of the contract period for supply and workmanship unless mentioned otherwise in Scope of Work / Special Condition of Contract. Duration of DLP is mentioned at Sl. No. 9 of F-02 form of contract details, **Annexure-B1**.

30.2 DLP for SPECIALISED WORKS:

- | | | |
|--------|---|-----------|
| 30.2.1 | Water proofing (Below or above ground) and Roof treatment works | -10 YEARS |
| 30.2.2 | Post construction Anti-termite treatment | - 5 YEARS |
| 30.2.3 | Weather proof Paint works | - 4 YEARS |

30.3 In some cases appropriate DLP can be considered depending upon the nature of the job.

31.0 CONTRACTOR'S OBLIGATIONS AND PENALTY FOR NON-COMPLIANCE: The contractor shall abide by the following obligations during execution of contract against deployment of contract labours.

- 31.1 If found suitable, Preference for engagement of labourers under NALCO's contractors establishment may be given to the land affected persons.
- 31.2 The Contractor shall not engage any contract labour having unsound mind, criminal record, and poor health or having record not suitable from security point of view to NALCO.
- 31.3 The contractor has to ensure that no contract labour should enter the plant/work premises without valid photo pass.
- 31.4 The contractor shall ensure that no contract labour should leave the work place/plant before time without authorization/gate pass/ permission of the representative of contractor, to check frequent entry/exit, which may also cause security/administrative inconvenience.
- 31.5 The disputes of the Contractor's labourers are to be settled by individual contractor. In no case NALCO, as the Principal Employer will enter into the matter except witnessing the proceedings, if required by the Statutory Authorities.
- 31.6 The contractor shall have valid labour license during the execution of the contract, wherever applicable. The contractor shall not engage child labourers, in compliance to statutory requirement.
- 31.7 PF & ESI A/c Codes: The contractor must possess independent Account Codes from the concerned Regional Provident Fund Commissioner for PF and also independent Account Code from the concerned Regional Director, ESIC for ESI, as applicable.

32.0 RECOVERY TOWARDS COMPENSATION FOR DELAY:

- 32.1 **Repetitive O&M Contracts** – Recovery towards compensation for delay shall not be applicable for this type of contract, unless otherwise mentioned separately in Special Conditions of Contract (**Annexure-B3**).
- 32.2 **Other Contracts**- Recovery towards compensation for delay shall be applicable for this type of contract. In case the contractor fails to complete the work within the stipulated period, the contractor shall be liable for a penalty @ 1% (one) of the contract value per week of delay subject to a maximum of 10% (Ten) of the value of the contract, unless otherwise mentioned separately in the Special conditions of contract. (**Annexure-B3**). GST as applicable shall also be recovered.

33.0 BLACKLISTING/BANNING/SUSPENSION/DELISTING OF BUSINESS/HOLIDAY LIST

- 33.1 **Blacklisting** : Blacklisting of any agency/ firm/ contractor working with the Company may be resorted to in following cases:
 - 33.1.1 If the Proprietor or Partner or Director of the Firm is convicted by a Court of Law, following prosecution under the normal process of Law for an offence involving moral turpitude in relations to business dealings;
 - 33.1.2 If security considerations including the question of loyalty to the State warrant as per recommendations of Ministry of Home Affairs.
 - 33.1.3 If there is justification for believing that the Proprietor or Partner or Director (or Employee) of the Firm has been guilty of malpractices such as bribery, corruption, cheating, fraud, substitution of bid or theft or any other illegal activities while carrying out the work etc.
 - 33.1.4 If the Firm refuses/fails to return the Company's dues without adequate cause;
 - 33.1.5 If the Firm is blacklisted by any Department of the Central Government/ State Government.

- 33.1.6 If the Firm is a confirmed evader of Central / State taxes/duties for which NALCO has received notice from the concerned department of Central / State Govt.
- 33.1.7 Misbehavior/ threatening of departmental supervisory staff during work execution.
- 33.1.8 Constant non-achievement of milestones on insufficient and imaginary grounds and non-adherence to quality specifications despite being pointed out.
- 33.1.9 Persistent & intentional violation of important conditions of contract.
- 33.1.10 Submission of false/ fabricated/ forged documents for consideration of a bid.
- 33.1.11 If declared bankrupt or insolvent.
- 33.2 **Banning:** In case where the conduct of the firm is not serious enough to merit blacklisting but removing the name from the registered vendors of NALCO is justified in the interest of the company, the firm/company shall be banned from doing business with NALCO for a period up to 3 years but not less than one year. The reasons for banning are listed below. This list is illustrative only and not exhaustive.
- 33.2.1 Any failure to execute the contract satisfactorily.
- 33.2.2 Offence except criminal, such as moral turpitude, fraud, theft, unlawful activities within the premises of the company (Plant or Township) by the contractor or their workmen.
- 33.2.3 Defaults such as failing in disbursements of wages of the workmen/contract labourers in time at least twice in a contract period.
- 33.2.4 Submission of false declaration / documents in the offer.
- 33.2.5 Misconduct / misbehavior of the contractor or any of the workers engaged by them.
- 33.2.6 Non-compliance of environment, safety and health requirements including use of proper PPEs.
- 33.3 **Suspension of Business:** Temporary Suspension of business may be ordered without any notice, where full enquiry into the allegation is pending and may entail the blacklisting of the firm/ party/ contractor, if the allegation is proved.
- 33.4 **Delisting from Vendor List against all Contracts:**
- 33.4.1 Party's performance is being evaluated through online assessment system by the respective Managers-in-Charges for the works being executed at site / at party's premises.
- 33.4.2 The assessment ratings are reviewed and the contractors are reminded for improvement in next assessment period if their performance rating is poor.
- 33.4.3 If two consecutive assessments of a contract are Very poor in a single evaluation / Safety & Environmental requirements compliance is not O.K. / SA 8000:2008 Compliance is not OK, then the concerned Vendor will be delisted for one year for that particular job subject to approval by Competent Authority of NALCO and the vendor will be intimated through a letter.
- 33.4.4 The delisted Vendor may be re-enlisted upon the request of the Vendor on completion of the de-listment period and subsequent approval by Competent Authority of NALCO.
- 33.4.5 If any vendor is Black-listed / Banned by any units of NALCO, the Vendor will also be delisted.
- 33.4.6 In case the performance of the vendor is found to be unsatisfactory by the Manager-in-charge, the vendor may not be considered in future tender for similar jobs.
- 33.5 **Holiday List:** In case the bidder does not participate in three consecutive bids, the bidder will be put under holiday list for a period of one year.
- 33.6 NALCO will issue show-cause notice giving 15 days' time to the contractor to respond the same in cases of debarring/ blacklisting/ banning/ suspension of business with the party.
- 33.7 **If any varying of conflicting situation arises in any of the document forming part of the Contract, NALCO's decision with regard to intention/interpretation of the document and the decision shall be final and binding on the parties.**

34.0 TERMINATION OF CONTRACT:

- 34.1** If the performance is found unsatisfactory during the period of contract, the contract will be terminated with short notice of 15 days and the same shall be carried out by any other agency at the risk & cost of the contractor. Other penal actions such as forfeiture of Performance Security Deposit and debarring the contractor for participating in future tenders of NALCO may also be taken as per clause no. given in this **Annexure-A1**.
- 34.2** If the Government of India or any Statutory Authority/empowered to do so, decides/directs to terminate the Contract, the contract shall be terminated without any notice and for that contractor shall not be entitled to any claim such as extra claim, loss, loss of profit etc. against NALCO. The settlement of the dues of contractor shall be done on the basis of execution of actual work in accordance with the terms & conditions of contract.
- 34.3** Short Closure of Contract: NALCO reserves the right to short close the contract by serving 15 days' notice to the contractor, when either of the contract value is executed or the assigned BOQ quantity is exhausted. The decision of NALCO in this regard shall be final & binding on the contractor.

35.0 ARBITRATION:

The clause No.87 of General Conditions of contract shall be applicable incase of any dispute or difference whatsoever, which may arise at any point of time. Subject to all other provisions contained in clause 87 of GCC, the provisions of the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof and the rule made there under, and for the time being in force shall apply to the arbitration proceeding under this clause.

36.0 CONTRACT CLOSURE:

- 36.1** Completion of work assigned through the contract within contractual period is both a contractual obligation and legal obligation on both the parties to the contract i.e. Contractor and Nalco. Closure of contract is achieved in stages through contractual terms or through mutual agreement/settlement. Submission of Final Bill is the 1st stage of closure. Successful completion of Defect Liability Period and Performance Guarantee Period is the 2nd Stage of closure. Settlement of all outstanding payables and receivables is the 3rd stage of closure.
- 36.2** It will be the responsibility of the Contractor in all three stages to lodge necessary claims with EIC/MIC and settle it as follows.
- 36.2.1** 1st stage - Submission of Final Bill, and Performance Guarantee Bond (PGB) maximum within 3 months from the end date of contract period.
- 36.2.2** 2nd stage - Submission of Claim letter for release of SD/PBG maximum within 15 days from the date of closure of Guarantee/DLP.
- 36.2.3** 3rd stage - Settlement of all outstanding relating to the Contract, before release of Contract Completion Certificate (**Annexure-C29**) by EIC/MIC with concurrence of Finance regarding Contract Execution Value.

37.0 Energy Management System (ISO 50,001) Requirement:

37.1 Mandatory guidelines for saving any form of energy:-

Energy is lifeline of an Organization and SMELTER / CPP , NALCO is implementing Energy Management Systems (EnMS) – ISO 50001 in all activities. The contractual service providers are advised to train his workmen for practicing the following “Dos & Don'ts” while executing the assigned work at site.

37.2 The Energy Policy of NALCO is attached. The Service Provider needs to comply all the requirements of the Policy in consultation with the Manager-in-Charge of the contract.

38.0 **Owner's Right to Accept or Reject a Bid:** A bidder may seek clarification regarding the bidding document provisions, bidding process and / or rejection of his bid. NALCO/Consultant shall respond to such queries within a reasonable time.

ANNEXURE-A2

SAFETY GUIDELINES

Special Terms and Conditions of the Contract against Electrical Safety

- 1- The Contractor shall ensure proper safety of all the workmen, materials, and equipments belonging to him or to NALCO or to others, working at the site. The Contractor shall also be responsible for provision of all safety notices and safety equipment required both by the relevant legislations and the Engineer as he may deem necessary.
- 2- All equipments used by Contractor shall meet Indian/ International Standards and where such standards do not exist, the Contractor shall ensure these to be absolutely safe. All equipments shall be strictly operated and maintained by the Contractor in accordance with manufacturer's operation Manual and safety instructions and as per Guidelines / Rules of NALCO in this regard.
- 3- Periodical Examinations and all tests for all lifting/hosting equipment & tackles used by the contractor shall be carried out in accordance with the relevant provisions of Factories Act 1948, Indian Electricity Act 1910 and associated Laws/Rules in force from time to time. A register of such examinations and tests shall be properly maintained by the contractor and will be promptly produced as and when desired by Engineer or by the person authorized by him.
- 4- The Contractor shall provide suitable safety equipment of prescribed standard to all employees and workman according to the need, as may be directed by Engineer who will also have right to examine these safety equipments to determine their suitability, reliability, acceptability and adaptability. The Contractor shall provide safe working conditions to all workmen and employees at the Site including safe means of access, railings, ladders, scaffoldings etc. The scaffoldings shall be erected under the control and Supervision of an experienced and competent person. For erection, good and standard quality of material only shall be used by the Contactor.
- 5- The Contactor shall not interfere or disturb electric fuses, wiring and other electrical equipment belonging to the Owner or other contractors under any circumstances, whatsoever, unless expressly, permitted in writing by NALCO to handle such fuses, wiring or electrical equipment.
- 6- Before the Contractor connects any electrical appliances to any plug or socket belonging to the other Contractor or Owner, he shall :
 - a) Satisfy the Engineer that the appliances are in good working condition.
 - b) Inform the Engineer of the maximum current rating, voltage and phases of the appliances.
 - c) Obtain permission of the Engineer detailing the sockets to which the appliances may be connected.
- 7- No work shall be carried out on any live equipment unless otherwise the equipment is declared safe by the Engineer and a permit to work shall be issued by the Engineer. The Contractor before any repair work is carried out on electric lines/equipments whether live or dead shall provide suitable type and sufficient quantity of tools to electricians/ workman etc.
- 8- In case of any accident during the activities undertaken by the Contractor thereby causing any minor or major or fatal injury to his employees due to any reason, whatsoever, it shall be the responsibility of the Contractor to promptly inform the same to NALCO's Engineer and also to all the authorities envisaged under the applicable laws.
- 9- The Contractor shall follow and comply with all NALCO Safety Rules, relevant provisions of applicable laws pertaining to the safety of workmen, employees, plant and equipment as may be prescribed from time to time without any demur, protest or contest or reservation. In case of any unconformity between statutory requirement and NALCO Safety Rules referred above, the later shall be binding on the contractor unless the statutory provisions are more stringent.

- 10- The Contractors shall provide suitable latest Personal Protective Equipments of prescribed standard to all their employees and workmen according to the need. The Engineer I/c shall have the right to examine these safety equipments to determine their suitability, reliability, acceptability and adaptability. The contractor should also ensure these before their use at worksite.
- 11- Wherever the workers are exposed to the hazards of falling from height, the contractor shall provide full harness safety belts fitted with fall arresting systems to all the employees working at higher elevations and life line wire rope with turn buckles for anchoring the safety belts while working or moving at higher elevations. Safety nets shall also be provided for saving them from fall from heights and such equipment should be in accordance with BIS standards. The contractor must get a permit to work at height from the Engineer-in-Charge before starting the job.
- 12- The contractor should ensure that all electrical installations at the site comply with the requirements of latest electricity acts / rules.
- 13- The contractor shall take all adequate measures to prevent any worker from coming into physical contact with any electrical equipment or apparatus, machines or live electrical circuits which may cause electrical hazards during the work. The contractor shall provide the sufficient ELCBs / RCCBs for all the portable equipments, electrical switchboards, distribution panels etc. to be used by him to prevent electrical shocks to the workmen.
- 14- In case of fire in electrical installations, all electrical supplies are to be disconnected first to the affected system. Fire-fighting at the initial stage may be initiated with the CO2, Dry Powder etc. Water will never be sprinkled onto live electrical system.
- 15- Before starting any job the Contractor will be responsible for the following -
 - a. Ensuring safe components/equipments are used.
 - b. Providing earth leakage circuit breakers on all electrically operated power tools/equipments.
 - c. Inspecting power tools before use and ensuring defective tools are discarded.
 - d. Using 3 core cable and 3 pin plugs for all portable tools and ensuring its earthing.
 - e. Authorized electrician is only attending all electrical job as per latest Electrical Rules & CEA guide lines.
 - f. Ensuring double earthing to all equipments.
 - g. Ensuring all the electrical system is as per Indian Electricity Rules.
 - h. Disconnecting and removing all unwanted cables and wires from electrical system.
 - i. Identification Marks and Numbers are clearly being marked on all electrical distribution boards, switchboards etc. used by the Contractor.
 - j. All electrical system components being protected against damage.
 - k. All electrical joints are being tested to meet the standards.
 - l. Hand lamps are providing with suitable guards.
 - m. Providing personal protective equipments including electrical safety shoes, rubber gloves etc. as per the enclosed PPE matrix.
 - n. Ensuring unauthorized person shall not have access to electrical system.
 - o. Protecting all live parts.
 - p. Ensuring all fuses are replaced with actual current rating.

ANNEXURE-A8

GENERAL GUIDELINE TO BIDDER ON REVERSE AUCTION (NOT APPLICABLE)

- a) The techno-commercially qualified bidders shall be eligible to participate in Reverse Auction Process. The price bids of techno-commercially qualified bidders shall be opened, as per schedule in the tendering portal (GeM).
- b) GeM system shall decide Start / Reference Price and Step Value of Decrement in case of RA based on product selection and / or outcome of bidding process.
- c) GeM normally requires 48 hrs for approval / rejection of the product / service offered by Sellers before it is listed on the portal.
- d) RA in Bid to RA case, where the bid offer validity is less than 30 days, will be extended to 30 days including the RA initiation date.
- e) In case of Services bids, if the multiple L-1 bidders have quoted the lowest allowed price for that service, Buyer shall place the Contract by selection of a bidder amongst the L-1 bidders through a Random Algorithm executed by GeM system.
- f) Against any bidding or RA conducted on GeM, if a bidder quotes Nil Charges / consideration, the bid shall be treated as non-responsive and will not be considered.
- g) In case of RA, Start / Reference Price and Step Value of Decrement shall be indicated to the Bidders at the start of the auction. Any participating bidder can bid one or multiple Step Decrement lower than the prevailing Lowest Bid at that time.
- h) The Bidder shall be able to view Bid Start Price, Bid Decrement Value, Prevailing Lowest Bid value and last Bid Placed by him. Whenever a lower price bid is received in the closing moment i.e. within 15 minutes of existing end time of Reverse Auction, the end time of reverse auction shall be extended automatically by another 15 minutes. All participant sellers of that RA shall be allowed to submit revised bid under the RA. The same process shall be repeated, if there is another lower bid received in the RA during last 15 minutes of RA.
- i) If a bidder does not participate in the Reverse Auction, the price quoted by him in the price bid shall be considered as the valid price of that bidder. The inter-se position of the said bidder shall be considered based on their position on completion of reverse auction.
- j) Only the chronologically last bid submitted by the bidder till the end of the auction shall be considered as the valid price bid of that bidder. Any bid submitted earlier by the bidder prior to submission of his last bid will not be considered as valid price bid.
- k) There are two options for elimination in Reverse auction in the GeM portal (i) **Bid to RA with 50% elimination rule** (ii) **Bid to RA with H-1 elimination rule**. The buyer shall select one option applicable for the tender, which will be mentioned in the tender.

(i) **Bid to RA with 50% elimination rule:** Reverse Auction would be conducted amongst first 50% of the technically qualified bidders arranged in the order of prices from lowest to highest. Number of sellers eligible for participating in RA would be rounded off to next higher integer value if number of technically qualified bidders is odd (e.g. if 7 bids are technically qualified, then RA will be conducted amongst L-1 to L-4). In case number of technically qualified bidders are 2 or 3, RA will be between all without any elimination. If Buyer has chosen to split the bid amongst N sellers, then minimum N sellers would be taken to RA round.

(ii) **Bid to RA with H-1 elimination rule:** Reverse Auction would be conducted amongst all the technically qualified bidders except the Highest quoting bidder. The technically qualified Highest Quoting bidder will not be allowed to participate in RA. However H-1 will be allowed to participate in RA - (a) If number of technically qualified bidders are only 2 or 3, (b) If Buyer has chosen to split the bid amongst N sellers, and H1 bid is coming within N.

l). Bidders at their own interest should ensure uninterrupted internet connectivity at their end during the reverse auction with necessary backups to take care of any connectivity problem. In order to have trouble-free elementary level reverse auction process, NALCO reserves the right to make any changes, as deemed fit.

m). Other relevant parameters shall be displayed in the GeM Portal reverse auction window. GeM Portal Server time shall be the basis of Start time & Closing time for bidding and shall be binding for all. The bidders to participate in tender-cum-auction process in GeM Portal, has to log into GeM Portal (i.e. <https://gem.gov.in/>)) to access the application and quote from their own offices/place of their choice.

All complaints shall be dealt/examined jointly by the full panel of IEMs. However, complaint can be received by any of the IEMs mentioned in the tender. The bidder(s), in case of any dispute(s) / complaint(s) pertaining to this package may raise the issue either with the designated 'Nodal Officer' in NALCO or directly with the IEM.

Bidder may write to the IEM through E-mail (Provided in the tender) for their grievances, if any, giving details of the tender reference, name of the tender issuing officer and Nalco's Unit for quick identification of the tender by the IEM.

Only representation in respect of Integrity Pact need to be addressed to the IEMs and no query regarding tender terms and conditions should be addressed to the IEMs. Any clarification regarding the tender details and terms & conditions should be addressed to NALCO's officials as per details given below.

2. The Independent External Monitors (IEMs) have the right to access without restriction to all Project documentations of the NALCO. The Monitor is under contractual obligation to treat the information and documents of the Bidder / Subsidiary (ies) and/or Holding Company and/or Subsidiary (ies) of its Holding Company / Consortium members/Sub Contractors with confidentiality.
3. If the Employer has terminated the Contract pursuant to Section-3 of the Integrity Pact (IP), NALCO shall act in accordance with **Section 6 of The Integrity Pact**.

ANNEXURE A9

PREFERENCE TO MAKE IN INDIA
ORDER NO. P-45021/2/2017-PP(BE-II), DTD: 16.09.2020

- 1.0 The bidders are requested to go through the GoI Order No: P-45021/2/2017-PP(BE-II), DTD: 16.09.2020 for the purpose of Purchase Preference on the basis of Local Content and submit the Declaration by the Bidder accordingly.
- 2.0 For the purpose of this order dtd. 16.09.2020:-
- 2.1 Local content means the **amount of value added in India** which shall, unless otherwise prescribed by the nodal ministry, **be the total value of the item procured** (excluding net domestic indirect taxes) **minus the value of imported content in the item** (including all customs duties) **as a proportion of the total value, in percent.**
- 2.2 Class I local supplier means a supplier or service provider whose goods, services or works offered for procurement has local content equal to or more than 50%, as defined at cl. 2.1 above.
- 2.3 Class II local supplier means a supplier or service provider whose goods, services or works offered for procurement has local content equal to or more than 20% but less than 50%, as defined at cl. 2.1 above.
- 2.4 Non-local supplier means a supplier or service provider whose goods, services or works offered for procurement has local content less than 20%, as defined at cl. 2.1 above.
- 2.5 '**Margin of purchase preference**' means the maximum extent to which the price quoted by a "Class-I Local supplier" may be above the L1 for the purpose of purchase preference. The margin of purchase preference shall be 20% against the tender.
- 3.0 Subject to the provisions of the above order and to any specific instructions issued by the Nodal Ministry or in pursuance of this order, purchase preference shall be given to 'Class-I Local supplier' in procurement undertaken by procurement entities in the manner specified here under:-
CASE-I (FOR DIVISIBLE QUANTITY): All the provisions of the order No.P-45021/2/2017-PP(BE-II) dtd. 16.09.2020 shall be applicable for this tender towards purchase preference. However, in case of participation by MSE & ancillary units, the tender quantity reserved for MSE & ancillary units as per purchase preference policy of NALCO for MSEs as mentioned in the tender document shall take precedence over the purchase preference against the above mentioned order (to be mentioned, if applicable).
- 4.1 In the procurement of goods or works which are divisible in nature, the 'Class-I Local Supplier' shall get purchase preference over 'Class-II local supplier' as per the following procedure:
 - a) Among all qualified bids, the lowest bid will be termed as L1. If L1 is 'Class-I local supplier', the contract of full quantity will be awarded to L1.
 - b) If L1 bid is not a 'Class I local supplier', 50% of the order quantity shall be awarded to L1. Thereafter, the lowest bidder among the 'Class I Local supplier' will be invited to match the L1 price for the remaining 50% quantity subject to Class-I local supplier's quoted price falling within the margin of purchase preference and contract for that quantity shall be awarded to such 'Class-I Local supplier' subject to matching the L1 price. In case such lowest eligible 'Class-I Local supplier' fails to match the L1 price or accepts less than the offered quantity, the next higher 'Class-I Local supplier', within the margin of purchase preference shall be invited to match the L1 price for the remaining quantity and so on and the contract shall be awarded accordingly. In case some quantity is still left uncovered on 'Class-I Local supplier', then such balance quantity may also be ordered on the L1 bidder.
- 4.2 'Class-II local supplier' will not get purchase preference in any procurement undertaken by procuring entities.

CASE-11(FOR NON-DIVISIBLE QUANTITY): All the provisions of the order No. P-45021/2/2017-PP(BE-II) dtd. 16.09.2020 shall be applicable for this tender towards purchase preference.

- 4.3 In the procurement of goods or works which are not divisible in nature, the 'Class-I Local Supplier' shall get purchase preference over 'Class-II local supplier' as per the following procedure:
- Among all qualified bids, the lowest bid will be termed as L1. If L1 is 'Class-I local supplier', the contract will be awarded to L1.
 - If L1 bid is not a 'Class I local supplier', the lowest bidder among the 'Class I Local supplier' will be invited to match the L1 price subject to Class-I local supplier's quoted price falling within the margin of purchase preference and contract shall be awarded to such 'Class-I Local supplier' subject to matching the L1 price.
 - In case such lowest eligible 'Class-I Local supplier' fails to match the L1 price, 'Class-I Local supplier' with the next higher bid within the margin of purchase preference shall be invited to match the L1 price and so on and contract shall be awarded accordingly. In case none of the 'Class-I Local supplier' within the margin of purchase preference matches the L1 price, the contract may be awarded to the L1 bidder.
- 4.4 'Class-II local supplier' will not get purchase preference in any procurement undertaken by procuring entities.
- 5.0 **Verification of local content.**
- The 'Class-I local supplier'/ 'Class II-local supplier' at the time of tender, bidding or solicitation shall be required to indicate percentage of local content and provide self-certification that the item offered meets the local content requirement for 'Class-I local supplier'/ 'Class II-local supplier', as the case may be. They shall also give details of the location(s) at which the local value addition is made. **Declaration to be given in the format attached/enclosed below.**
 - In case of procurement for a value in excess of Rs. 10 crores, the 'Class-I local supplier'/ 'Class II- local supplier' shall be required to provide a certificate from the statutory auditor or cost auditor of the company (in the case of the companies) or from a practicing cost accountant or practicing chartered accountant (in respect of suppliers other than companies) giving the percentage of local content.
 - Decisions on complaints relating to implementation of this order shall be taken by the competent authority which is empowered to look into procurement-related complaints relating to the procuring entity.
- 6.0 **Only "Class-I local suppliers and Class-II local suppliers", as defined under the order, shall be eligible for participation against this tender. The offers of 'Non-Local Suppliers' shall not be considered for evaluation against this tender.**

ANNEXURE-A10

Compliance of Public order on Restrictions under Rule 144 (xi) of the General Financial Rules (GFRs), 2017 and ORDER NO:F.No.6/18/2019-PPD DATED 23/07/2020 & 24/07/2020

DEFINITIONS

1. GOI vide Order (Public Procurement No.1, 2 & 3) dated 23 Jul 2020 & 24 Jul 2020 has imposed Restrictions under Rule 144 (xi) of the General Financial Rules (GFRs), 2017 on bidders from a country which shares a land border with India.
2. "Bidder" for the purpose of this Order (Public Procurement No.1, 2 & 3) (including the term 'tenderer', 'consultant' 'vendor' or 'service provider' in certain contexts) means any person or firm or company, including any member of a consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated hereinbefore, including any agency, branch or office controlled by such person, participating in a procurement process
3. "Bidder from a country which shares a land border with India" for the purpose of this Order (Public Procurement No.1, 2 & 3) means
 - a. An entity incorporated, established or registered in such a country; or
 - b. A subsidiary of an entity incorporated, established or registered in such a country; or
 - c. An entity substantially controlled through entities incorporated, established or registered in such a country; or
 - d. An entity whose beneficial owner is situated in such a country; or
 - e. An Indian (or other) agent of such an entity; or
 - f. A natural person who is a citizen of such a country; or
 - g. A consortium or joint venture where any member of the consortium or joint venture falls under any of the above

Note: "Beneficial owner" for the purpose of above paragraph (3) will be as under:

- i. In case of a company or Limited Liability Partnership, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person(s), has a controlling ownership interest or who exercises control through other means.

Explanation

- a) "Controlling ownership interest" means ownership of, or entitlement to, more than twenty-five per cent of shares or capital or profits of the company;
- b) "Control" shall include the right to appoint the majority of the directors or to control the management or policy decisions, including by virtue of their shareholding or management rights or shareholder's agreements or voting agreements;
- ii. In case of a partnership firm, the beneficial owner is the natural person(s) who, whether acting alone or together, or through one or more juridical person, has ownership of entitlement to more than fifteen percent of capital or profits of the partnership;
- iii. In case of an unincorporated association or body of individuals, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has ownership of or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individuals;

- iv. Where no natural person is identified under (i) or (ii) or (iii) above, the beneficial owner is the relevant natural person who holds the position of senior managing official;
- v. In case of a trust, the identification of beneficial owner(s) shall include identification of the author of the trust, the trustee, the beneficiaries with fifteen percent or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.
- vi. "Agent" for the purpose of this Order (Public Procurement No.1, 2 & 3) dtd 23 Jul 2020 & 24 Jul 2020 is a person employed to do any act for another, or to represent another in dealings with third persons.

Rule: Following shall be complied by the Bidders of the said countries while submitting bids.

- A) Any bidder from a country who shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority. The Competent Authority for the purpose of registration under this Order shall be the Registration Committee constituted by the Department for Promotion of Industry and Internal Trade (DPIIT). However, Order will not apply to bidders from those countries (even if sharing a land border with India) to which the Government of India has extended lines of credit or in which the Government of India is engaged in development projects. Lists of countries to which lines of credit have been extended or in which development projects are undertaken are given in the website of the Ministry of External Affairs. This order shall also not apply to procurement by Indian missions and by offices of government agencies / undertakings located outside India.
- B) The Bidder shall have to submit declaration / certificate as per the attached Format towards compliance of Public Order on Restrictions under Rule 144 (xi) of the General Financial Rules (GFRs), 2017. B)
- C) For works contracts, including Turnkey contracts, the successful bidder shall not be allowed to sub-contract works to any contractor from a country which shares a land border with India unless such contractor is registered with the Competent Authority. The definition of “Contractor from a country which shares a land border with India” shall be as in paragraph (3) above.

ANNEXURE-B2

SUB: REPAIR AND MAINTENANCE OF CHP-2.

SCOPE OF WORK:

1. Replacement of chute liner plate

- Receipt of steel material from central stores/steel yard, transporting it to the site.
- cleaning of coal chute
- removal of the damaged manganese steel liner plate
- fabrication of equivalent/bigger/smaller size new manganese steel liner plate having lug & key arrangement (as decided by MIC)
- fixing of new chute liner plate in position by welding lugs & keys of adequate strength

Note:

- In case of fixing bigger/ smaller size liner plates, the old openings for lugs insertion have to be closed by welding plates & new suitable opening is to be made by gas cutting.
- Suitable sealing rubber pieces and steel plate pieces are to be put under keys to prevent dust leakage.

For the above jobs the consumables like gas, welding rods etc. are to be arranged by the contractor. The welding rods to be used should be of reputed make like L&T, Advani Orlikon, Essab, and D&H only. The welding rods should be suitable for welding manganese steel plates (Advani make Overcord(s) is suitable for joining these liner plates). Steel materials shall be provided to the contractor free of cost. Damaged liners are to be shifted to designated scrap yard.

2. Replacement of polymer liner

- receipt of materials from stores, shifting it to the work site
- cleaning of coal chute
- removal of the damaged polymer liner
- cutting of equivalent new liner by Saw
- fixing of the new liner in position

Note:

All tools, tackles and consumables required for the job is to be arranged by the contractor. NALCO will provide polymer liners, washer and polymer plugs free of cost. Scrap to be shifted to designated scrap yard.

3. Lifting of gravity take-up unit (GTU)

- making arrangement to lift the GTU
 - pulling up the GTU to the required height by chain pulley block
 - normalizing the GTU after completion of the required job
- (GTU alignment & its rope adjustment will also be a part of the job)

Note: It is required to lift the GTUs of various conveyors for pulley replacement, pulley bearing clearance measurement etc.

4. Pulling the conveyor belt up to 10 mtrs

(Applicable during belt vulcanizing, pulley lagging)

- Making arrangements to lift the GTU by chain pulley blocks.
- Pulling of GTU to the required height
- Clamping of the belt at one place.
- Pulling the belt up to 10 mtr length by the help of winch, max puller etc.
- Normalizing the GTU after completion of the required job.

N.B.:-NALCO will provide electric winch free of cost for speedy execution of work subject to availability in working condition and if winch is not available, the contractor has to dismantle and erect the belt with his own arrangement at his cost.

5 **Pulling the conveyor belt over 10 mtrs**
(Applicable during belt snapping)

- pulling of one end of the snapped belt to the required position without disturbing the other end
- Clamping of the already pulled end.
- Pulling of the other end of the conveyor belt by suitable puller / winch in such a way that both ends are brought together with an overlapping of 7 to 10 mtrs. to facilitate belt vulcanizing.
- The job will be carried out in continuation with the job described in Sl. No.10 or 11.

N.B.:- The rate is applicable for **1000 MM belt**. The rate for any other size will be taken proportionately.

6 **Belt dismantling**

- lifting of GTU to the required height
- clamping of the conveyor belt
- cutting & pulling down the damaged conveyor belt to the ground level in pieces
- making rolls of the damaged conveyor belt & shifting it to the scrap yard

Note: Weight of dismantled belts –

- 500 mm width,3 ply ---- 5 kg/mtr
- 1000 mm width,3 ply ---- 10 kg/mtr
- 1000 mm width,4 ply ---- 12 kg/mtr
- 1200 mm width,3 ply ---- 12 kg/mtr
- 1200 mm width,4 ply ---- 14 kg/mtr
- For this job, some idler frames with idlers, skirt board rubber etc. may have to be dismantled .At places, some minor fabrication and erection of structure may have to be done to facilitate pulling of the belt. Such jobs are part of the dismantling operation.

N.B. For track hopper sealing belt dismantling 1000mm width, 3 ply belt rate will be paid.

7 **Belt erection**

- Receipt of the belt from the main store/site store, transporting it to the work place as per special terms and condition.
- Making arrangement to erect the belt in position by dismantling skirt rubber, idler roller assembly, fabrication of additional structures etc.
- Erection of the new belt around the conveyor structure by pulling it with max-puller / winch in such a way that both ends meet at one point.

(During belt erection, some of the idlers may need dismantling & re-assembly. Some structural fabrication & erection, GTU alignment may also be required. The rate includes all such items.)

Note: Weight of erected belts –

- 500 mm width,3 ply ---- 6 kg/mtr
- 1000 mm width,3 ply ---- 12 kg/mtr
- 1000 mm width,4 ply ---- 14 kg/mtr
- 1200 mm width,3 ply ---- 14 kg/mtr
- 1200 mm width,4 ply ---- 17 kg/mtr

N.B.:-NALCO will provide electric winch free of cost for speedy execution of work subject to availability in working condition and if winch is not available, the contractor has to dismantle and erect the belt with his own arrangement at his cost.

N.B. For track hopper sealing belt erection 1000mm width, 3 ply belt rate will be paid

8. **Rectification of belt folding**

- inspection of the folded conveyor belt
- arrangement of proper tools/ tackles & deployment of adequate man-power
- Lifting of GTU to the required height.
- unfolding/ setting right the conveyor belt by applying point load pressure/ pulling the belt at the folded point
- Lowering the GTU.

9. **Belt vulcanising – (hot vulcanising) – up to 500mm**

(The belt will be in pulled condition)

- lifting of GTU to the required height
- Dismantling of required no. of idler frames for making space for belt vulcanising.
- Cutting of conveyor belt of required length
- Splicing of the conveyor belt for jointing as per standard procedure
- Preparation of the joining surfaces
- Application of conveyor solution & compounds on the joining surfaces
- Overlapping of the two ends of the belt
- Placement of the uncured joint between the vulcanising machine
- Required tightening /pressing of the heating plates for hot vulcanising.
- Vulcanising of the joints by electric heating as per the procedure.
- Disassembly of the vulcanising machine after vulcanising is over.
- Back assembly of the dismantled idler frames etc.in position.
- Lowering the GTU.

N.B. For belt vulcanizing, NALCO will provide hot vulcanizing solution of reputed make and vulcanizing machine including insulation compound and cover compound free of cost. Petrol etc. required during splicing is to be arranged by the contractor at his own cost.

All tools, tackles, wooden planks, grinder, hand lamps etc. shall be arranged by the contractor. Transportation of vulcanizing machine from site store to the work spot and returning the same after completion of the job shall be inclusive in the scope of work. The contractor shall take extraordinary care of the machine during his custody.

The joint thus made should be straight to prevent off-centre running of the conveyor & should be guaranteed for one year for workmanship,i.e. snapping should not take place within one year of making the joint. In case it fails during the guaranteed period, it is to be done free of cost.

10 **Belt vulcanising – (hot vulcanising) –more than 500 mm to 1000mm**

(The belt will be in pulled condition)

- lifting of GTU to the required height
- Dismantling of required no. of idler frames for making space for belt vulcanising.
- Cutting of conveyor belt of required length
- Splicing of the conveyor belt for jointing as per standard procedure
- Preparation of the joining surfaces
- Application of conveyor solution & compounds on the joining surfaces
- Overlapping of the two ends of the belt
- Placement of the uncured joint between the vulcanising machine
- Required tightening /pressing of the heating plates for hot vulcanising.
- Vulcanising of the joints by electric heating as per the procedure.
- Disassembly of the vulcanising machine after vulcanising is over.
- Back assembly of the dismantled idler frames etc.in position.
- Lowering the GTU.

N.B. For belt vulcanizing, NALCO will provide hot vulcanizing solution of reputed make and vulcanizing machine including insulation compound and cover compound free of cost. Petrol etc. required during splicing is to be arranged by the contractor at his own cost.

All tools, tackles, wooden planks, grinder, hand lamps etc. shall be arranged by the contractor. Transportation of vulcanizing machine from site store to the work spot and returning the same after completion of the job shall be inclusive in the scope of work. The contractor shall take extraordinary care of the machine during his custody.

The joint thus made should be straight to prevent off-centre running of the conveyor & should be guaranteed for one year for workmanship,i.e. snapping should not take place within one year of making the joint. In case it fails during the guaranteed period, it is to be done free of cost.

11 **Belt vulcanising – (hot vulcanising) - more than 1000 mm to 1200mm**

(The belt will be in pulled condition)

- lifting of GTU to the required height
- Dismantling of required no. of idler frames for making space for belt vulcanising.
- Cutting of conveyor belt of required length
- Splicing of the conveyor belt for jointing as per standard procedure
- Preparation of the joining surfaces
- Application of conveyor solution & compounds on the joining surfaces
- Overlapping of the two ends of the belt
- Placement of the uncured joint between the vulcanising machine
- Required tightening /pressing of the heating plates for hot vulcanising.
- Vulcanising of the joints by electric heating as per the procedure.
- Disassembly of the vulcanising machine after vulcanising is over.
- Back assembly of the dismantled idler frames etc.in position.
- Lowering the GTU.

N.B. For belt vulcanizing, NALCO will provide hot vulcanizing solution of reputed make and vulcanizing machine including insulation compound and cover compound free of cost. Petrol etc. required during splicing is to be arranged by the contractor at his own cost.

All tools, tackles, wooden planks, grinder, hand lamps etc. shall be arranged by the contractor. Transportation of vulcanizing machine from site store to the work spot and returning the same after completion of the job shall be inclusive in the scope of work. The contractor shall take extraordinary care of the machine during his custody.

The joint thus made should be straight to prevent off-centre running of the conveyor & should be guaranteed for one year for workmanship,i.e. snapping should not take place within one year of making the joint. In case it fails during the guaranteed period, it is to be done free of cost.

12 **Belt vulcanising – (cold vulcanising) – up to 500mm**

(The belt will be in pulled condition)

- lifting of GTU to the required height
- Dismantling of required no. of idler frames for making adequate space for belt vulcanising.
- Splicing of the conveyor belt for jointing as per standard procedure.
- Preparation of the joining surfaces.
- Application of cold compounds over the joining surfaces
- Overlapping of the two ends of the belt & adequate hammering on the jointing surface for firm bonding
- Lowering the GTU.

N.B. NALCO will provide cold vulcanizing solution and hardener compound of required quantity, free of cost.

For bunker floor sealing belt clamping 50 % of 500mm belt cold vulcanizing rate will be paid. For track hopper sealing belt cold joint 500mm width, 3 ply belt rate will be paid

Note: (The joint thus made should be straight to prevent off-centre running of the conveyor & should be guaranteed for one year for workmanship,i.e. snapping should not take place within one year of making the joint. In case it fails during the guaranteed period, it is to be done free of cost.)

13 **Belt vulcanising – (cold vulcanising) –more than 500 mm to 1000mm**

(The belt will be in pulled condition)

- lifting of GTU to the required height
- Dismantling of required no. of idler frames for making adequate space for belt vulcanising.
- Splicing of the conveyor belt for jointing as per standard procedure.
- Preparation of the joining surfaces.
- Application of cold compounds over the joining surfaces
- Overlapping of the two ends of the belt & adequate hammering on the jointing surface for firm bonding
- Lowering the GTU.

N.B. NALCO will provide cold vulcanizing solution and hardener compound of required quantity, free of cost.

Note: (The joint thus made should be straight to prevent off-centre running of the conveyor & should be guaranteed for one year for workmanship,i.e. snapping should not take place within one year of making the joint. In case it fails during the guaranteed period, it is to be done free of cost.)

14 **Belt vulcanising – (cold vulcanising) - more than 1000 mm to 1200mm**

(The belt will be in pulled condition)

- lifting of GTU to the required height
- Dismantling of required no. of idler frames for making adequate space for belt vulcanising.
- Splicing of the conveyor belt for jointing as per standard procedure.
- Preparation of the joining surfaces.
- Application of cold compounds over the joining surfaces
- Overlapping of the two ends of the belt & adequate hammering on the jointing surface for firm bonding
- Lowering the GTU.

N.B. NALCO will provide cold vulcanizing solution and hardener compound of required quantity, free of cost.

Note: (The joint thus made should be straight to prevent off-centre running of the conveyor & should be guaranteed for one year for workmanship,i.e. snapping should not take place within one year of making the joint. In case it fails during the guaranteed period, it is to be done free of cost.)

15. **Spot vulcanising of conveyor belt (Hot)**

(Applicable in case of partially damaged belt)

- dismantling of required no.of idler frames to make adequate space for surface preparation & vulcanising machine placement
- preparation of the affected areas
- application of solution & compounds
- placement of the vulcanising machine & vulcanising of the affected area
- removal of the machine after curing
- Back assembly of the idler frames in position.

N.B. Vulcanizing solution and compound of reputed make will be provided by NALCO free of cost.

16) **Rubber lagging of conveyor pulley**

(Conveyor belt will be in pulled condition)

- lifting of GTU to the required height
- dismantling of required no. of transition idler frame
- dismantling of scrapper
- pulling the belt to make the pulley free
- scrapping out the damaged lagging rubber
- Preparation of the pulley surface by proper grinding.
- application of cold solution on the pulley surface
- cutting the lagged rubber to size
- Fixing the new lagging rubber over the pulley surface followed by tapping for firm bonding.
- Back assembly of the dismantled idler frames in position.
- Lowering the GTU.

N.B. Nalco will provide **12 mm/6mm** thick lagging rubber, cold vulcanizing solution and hardener compound, free of cost the pulley thus lagged should be guaranteed for one year trouble-free operation, as far as workmanship is concerned. In case the lagged rubber comes out within one year, it is to be re-done free of cost.

17) **Pulley replacement**

(GTU will be in lifted condition)

- shifting of new pulley to the site
- making the pulley free by pulling & clamping the belt
- removal of the pulley alongwith plummer blocks
- disassembly of the plummer blocks & bearings
- cleaning & inspection of bearings & plummer blocks
- mounting of bearings & plummer blocks on the new pulley
- mounting of assembled pulley in position
- Alignment, checking by water level.
- tightening of the PB foundation bolts
- de-clamping of the conveyor belt & normalizing

18) **Pulley bearing clearance measurement**

- GTU lifting where required
- opening of plummer block top half
- removal of grease
- measurement of bearing clearance
- greasing of bearings by new grease

(All the pulleys of a particular belt constitute a 'set' for measurement purpose)
50 % payment will be made if GTU lifting not required.

19) **Pulley bearing replacement/Over-hauling**

- GTU lifting, pulling the belt & clamping it to make the pulley free
- holding the pulley in position
- opening of PB top
- inspection of bearings
- removal of sleeves & bearings
- mounting of new bearing & sleeve
- assembly of PB
- application of fresh grease
- De-clamping of the belt.
- GTU downing

- Transportation of chain pulley blocks, bearing, grease, cotton waste, clamping angle etc. from store to work spot.

N.B. **U.O.M** – SET (02 nos. of bearings). 25% payment will be made for tension pulley and CBMS Pulley bearing over hauling where GTU lifting is not required. Part payment for one bearing replacement.

20) **Inspection of gear coupling**

- clamping of belt
- removal of gear coupling bolts
- shifting of shrouding cover
- removal of grease
- inspection of gear coupling teeth
- greasing of gear teeth by fresh grease
- back assembly of shrouding cover & coupling bolts
- de-clamping of belt

21) **Replacement of gear coupling**

- shifting of new gear coupling to the site
- clamping of belt
- removal of FCU & gear-box from position
- removal of gear coupling halves from the pulley & gear-box output shaft
- cleaning new coupling
- oil heating of the gear coupling halves
- mounting of heated gear coupling halves on the pulley & gear-box output shaft
- positioning of gear-box
- alignment of gear-box with pulley
- alignment of motor with gear-box
- mounting of FCU
- greasing of new coupling
- De-clamping of belt & normalization of conveyor system.

22) **Overhauling of gear-box**

- draining of oil
- disassembly of damaged gear-box cover
- Removal & inspection of damaged components like pinion, gear, bearings etc.
- thorough cleaning of new components
- mounting of new components like gear wheel, bearings etc. on the pinion shaft
- back assembly of the disassembled components
- measurement of back-lash
- final assembly for boxing up
- Back filling of oil.

23) **Replacement of Gear-box**

- shifting of gear-box to the site
- clamping of conveyor belt in one position
- de-coupling of FCU & removal
- de-coupling of gear coupling
- removal of damaged gear-box
- removal of gear-box input shaft coupling & output shaft gear coupling by gas heating & pulling
- mounting of disassembled input shaft coupling & output shaft gear coupling on the repaired gear-box by heating in oil bath
- mounting of new gear-box in position
- alignment of pulley with gear-box

- alignment of motor with gear-box
- back-assembly of FCU
- De-clamping of belt & system normalization.

24) **Replacement of gear-box oil seal**

- Removal of FCU
- removal of input shaft coupling half
- removal of gear-box cooling fan
- removal of damaged oil seal
- mounting of new oil seal
- back assembly of disassembled components
- re-positioning of FCU & normalization of system

25) **O/H of FCU**

- removal of oil
- removal of coupling half
- dismantling of FCU
- inspection of seals, bearings, turbine & runners
- replacement of damaged components
- back assembly of the disassembled components in reverse order
- back filling of oil

26) **Replacement of FCU**

- shifting of FCU to site
- removal of damaged FCU
- removal of FCU coupling half
- mounting of FCU coupling half on the new FCU
- Assembly of the new FCU in position & oil filling.
- system normalization followed by trial run
- shifting of the damaged FCU to maintenance bay

27) **Alignment of pulley & gear-box**

- clamping of belt
- removal of FCU
- disassembly of gear coupling bolts & shrouds
- cleaning of gear coupling
- alignment of gear-box with pulley
- back assembly of the disassembled components in reverse order
- greasing of gear coupling
- de-clamping of belt & normalization of belt

28) **Alignment of motor with gear-box**

- clamping of belt
- Removal of FCU
- alignment of motor with gear-box
- back assembly of FCU
- de-clamping & normalization of belt

Alignment of DE with motor / Tripper traverse motor with gearbox will be considered 0.5 units each for payment.

29) **PM of conveyor system**

- inspection of conveyor belt
- inspection of idlers/frames/brackets & replacement if any
- inspection of chute & chute liners

- inspection of deflector plate
- adjustment / replacement of skirt rubber
- adjustment of scrapper
- ensuring proper oil level of FCU & gearbox
- ensuring tightness of all hardware of FCU ,gearbox ,
Gear coupling, plumber blocks etc.
- Inspection (removal) of coal deposits if any from pulley and idler roller surfaces.

30) **Skirt rubber replacement/ adjustment**

- disassembly of the damaged portion of the skirt rubber
- fixing of new skirt rubber in position
- adjustment of skirt rubber

No payment if done as part of PM or shift activities.

31) **Skirt board liner replacement**

- disassembly of skirt rubber
- inspection of the skirt board plate/liner plate
- removal of worn out skirt board plate/liner plate
- fabrication & erection of new skirt board plate/liner plate
- fixing of skirt rubber

32) **Idler replacement**

- inspection of damaged idlers
- removal of damaged idlers
- fixing of new idlers in position

No payment if done as part of PM or shift activities.

33) **Belt trainer over-hauling/ replacement**

- thorough cleaning of the trainer
- removal of idler rollers
- removal of the idler frame
- thorough cleaning of the male & female portion of the frame to make it free
- back assembly of the disassembled components in the reverse order

34) **Return idler bracket replacement**

- thorough cleaning of the return idler roller
- removal of return idler roller & damaged bracket
- back assembly of the new bracket & idler in position

35) **PM of Plough Feeder**

- cleaning of PF platform & adjacent areas
- ensuring tightness of all fasteners
- check the PF blades wear & ensure the tightness of liner fixing bolts
- inspect & ensure the paddle hub fixing bolt tightness
- ensure the tightness of the motor flange bolts
- inspect the skirt board & skirt segments
- inspect the hydraulic fitting/ piping system & ensure no leakage of hydraulic oil
- check oil level & Float switch functioning
- check - clean / replace the oil filter, if clogged
- check & clean the oil breather
- check/ adjust the skirt sealing rubber

Mode of payment: - one no will be counted for PM of both Plough Feeders on a conveyor.
50% payment shall be made for PM of one Plough Feeder

36) **Replacement of PF blade** (set of 6 nos.)

- shifting & positioning of the PF in the maintenance bay
- inspection of the PF blades
- disassembly of the worn out blades
- assembly of new set of blades

37) **Replacement of PF blade liner** (set of 6 nos.)

- Thorough cleaning of the blades
- removal of damaged liners by gas-cutting
- fixing of new liners in position

38) **PF wheel axle replacement**

- making arrangement to shift the Plough Feeder to the maintenance bay
- fabrication of fixtures to hold the Plough Feeder in position
- removal of the sheared off wheel axle
- removal of Plummer block, bearings & wheels from the sheared off axle
- mounting of wheels on a new wheel axle
- mounting of bearings & plummer blocks
- positioning of the new assembled wheel axle in position
- alignment of the new wheel axle with respect to the undisturbed wheel axle
- satisfactory trial run of the Plough Feeder

39) **PM of CBMS**

- ensuring CBMS belt tightness
- ensuring CBMS belt scrapper bar fasteners tightness
- inspection of CBMS drive system (motorized gear-box)
- Checking of oil level & topping, if required.

Mode of payment: one no will be counted for PM of 2 CBMS.

40) **PM of Screen & Crusher**

(A) **Vibrating Screen**

- inspection of screen cloth deck
- ensuring tightness of the screen cloth holding fasteners
- ensuring tightness of the screen bearing housing fasteners
- ensuring proper tension of the Screen driving V-belts
- inspection of chute liners
- greasing of Screen bearings

(B) **Coal Crusher**

- inspection of hammers
- ensuring tightness of breaker plate, screen plate & kick-off plate fasteners
- ensuring tightness of plummer block foundation bolts & FCU bolts,FCU spacers & driving plate
- greasing of crusher bearings
- FCU oil level checking & top up, if required

Mode of payment: - Both Crusher and screen will be one unit.

50% payment shall be made for PM of only screen or only crusher.

41) **Disassembly & assembly of screen hood**

- holding the hood by chain pulley block
- disassembly of screen hood holding bolts
- lifting of the hood by chain pulley block to the required height
- Back assembly of the hood after completion of job.

42) **Replacement of Screen cloth**

- inspection of screen cloth deck
- removal of the damaged screen cloth
- shifting of the new screen cloth to the screen floor
- assembly of new screen cloth in position
- tightening of all screen cloth holding bolts

43) **Replacement of Screen bearing set**

- disassembly of 'V' belt & sieve
- disassembly of counter weight & bearing housing
- removal of the damaged/old bearings
- assembly of new bearings in the housing
- back assembly of the disassembled components in reverse order

Mode of payment:-

The set of bearings (2 nos.) replaced will only be measured for the account of work done and payment. 50% payment for one bearing replacement.

44) **Replacement of Screen drive shaft**

- disassembly of 'V' belt & sieve
- disassembly of counter weight
- disassembly of bearing housing & bearing
- removal of screen shaft
- assembly of new screen shaft
- Back assembly of disassembled components in reverse order.

45) **Replacement of Screen sieve 'V' belt**

- loosening the spring loaded stud of motor pedestal
- removal of damaged 'V' belts
- assembly of new 'V' belts with proper alignment
- tightening the stud of motor pedestal to give proper belt tension

No payment if done as part of PM or shift activities

46) **Removal of Screen chocking**

- removal of moist coal deposit from screen hopper
- removal of moist coal deposit from the screen cloth
- thorough cleaning of the screen internals
- thorough cleaning of the screen outlet chutes

N.B. Tools/Tackles required for cleaning has to be provided by the contractor.

47) **Inspection of Crusher internals**

- Disassembly of Crusher frame top cover
- removal of coal deposit on crusher top
- unbolting & opening of the crusher frame top cover
- removal of coal deposits from tramp iron
- inspection of end disc, center disc & ring hammers
- inspection of cage frame, screen plates & breaker plate
- Inspection of tramp iron top, kick-off plate etc.
- ensuring tightness of all internals
- Back assembly of the crusher frame top cover after completion of the job.

48) **Replacement of Crusher hammer set** (set of 50 nos.)

- receipt of hammers from the main/sub stores
- shifting of hammer set to the crusher floor
- Individual weighment of each hammer.
- Arrangement of the hammer set in four individual sets

- (2 sets of 12 nos. each & 2 sets of 13 nos. each)
- Weight balancing of hammer sets
(During balancing, opposite row hammer weight difference should be within 300 Gms.)
- Unbolting & opening of the frame top cover.
- Removal of the worn out hammer sets by pulling out the suspension bars
- Mounting of the new hammer set in order
- Back assembly of the crusher frame top cover.
- Trial run of the crusher rotor.
- The old hammers are to be shifted to the scrap disposal area after the job is over

49) **Replacement of Crusher broken hammer**

(Crusher frame top cover will be in opened condition for which payment will be made as per item no.47 and all points of item no. 47 are to be attended)

- inspection of crusher internals
- removal of broken hammers & debris
- Replacement of the broken hammer by a new hammer by pulling out the suspension bar.

50) **Replacement of Crusher Breaker plate**

- receipt of new breaker plates from the main/sub store, transporting it to work site
- unbolting & opening of frame top cover
- disassembly of feed chute
- loosening the cage frame by gap adjustment mechanism
- disassembly of the worn out breaker plate
- assembly of a new breaker plate in position
- tightening the cage frame to maintain proper gap
- Back assembly of the disassembled components in reverse order.
- The old breaker plate is to be transported to the designed scrap yard

51) **Replacement of Top Screen plate**

The scope of work is same as that of “replacement of breaker plate”. But here only “Screen plate – Top” is to be replaced.

52) **Replacement of bottom screen plate**

The scope of work is same as that of “replacement of breaker plate”. But here only “screen plate – bottom” is to be replaced.

53) **Replacement of Tramp Iron plate**

(Crusher frame top cover will be in opened condition for which payment will be made as per item no.47 and all points of item no. 47 are to be attended)

- receipt of the tramp iron plate from the main/sub store, transporting it to the work site
- removal of the damaged Tramp Iron plate
- assembly of new Tramp Iron plate
- transporting the old plate to designated scrap yard

54) **Replacement of Kick-off plate**

(Crusher frame top cover will be in opened condition for which payment will be made as per item no.47 and all points of item no. 47 are to be attended)

- receipt of the kick off plate from the main/sub store, transporting it to the work site
- disassembly of the Kick-off plate
- Assembly of the new Kick-off plate in position.
- transporting the old plate to designated scrap yard

55) **Replacement of Crusher bearing set**

- disassembly of inlet chute
- removal of FCU

- unbolting & opening of Crusher frame top cover
- removal of Kick-off plate
- removal of bearing hold-down bolts & spring pins
- removal of bearing housing cap nuts
- lifting of rotor for sufficient bearing clearance
- removal of the damaged bearing
- thorough cleaning of the new bearing
- mounting of new sleeve in new bearing
- mounting of new bearing assembly on the rotor shaft
- positioning of the assembled bearing on the PB
- bearing clearance checking
- back assembly of the PB
- greasing of the newly fitted bearing
- back assembly of the FCU & trial run
- assembly of inlet chute

Payment: 100% for both bearing replacement, 60% for drive side only and 40% for non drive side only.

56) **Replacement of Crusher rotor**

- Receipt of the new rotor from the main/sub stores (assembled with center disc, end discs, and spacers) and transporting it to the work spot
- removal of FCU
- unbolting & opening of Crusher frame top cover
- disassembly of inlet chute
- removal of Crusher housing back cover
- removal of Kick-off plate
- removal of hammers
- removal of PB foundation bolts
- Removal of the Crusher rotor & shifting it to the ground floor.
- Mounting of new set of bearings & PB on the new rotor
- Positioning of the new rotor in position
- Mounting of hammer set
- Back assembly of the disassembled components in reverse order followed by trial run.

57) **Crusher rotor hard-facing**

(Crusher frame top cover will be in opened condition for which payment will be made as per item no.47 and all points of item no. 47 are to be attended)

- cleaning of the affected / worn out areas of the end discs & center discs
- uniform metal deposit to build up the buffer layer
- hard-facing of the metal deposited areas

NOTE:

- Suitable hard facing/buffer layer electrodes will be supplied by NALCO
- Hard facing on any other equipment will also be paid at this rate.

58) **Removal of Crusher chocking**

- inspection of the crusher internals
- removal of Crusher housing back cover
- cleaning of coal deposit causing Crusher chocking from the top & bottom Screen plate areas
- thorough cleaning of hopper & Crusher outlet chutes
- Back assembly of the dismantled components.

NOTE:-

- Cleaning duration – 3 Hours
- If the party is kept for cleaning in shift and no chocking occurred during that period, idle hour payment will be made @ one crusher chocking per shift.

59) **O/H of flap gate actuator**

- removal of actuator
- disassembly of actuator assembly
- thorough cleaning & re-assembly of the disassembled parts
(The worn out parts are to be replaced)
- mounting of actuator in position
- trial run of the actuator

60) **PM of Travelling Tripper**

- cleaning of coal deposits
- gear-box oil level checking/topping up
- tightening of gear-box foundation bolts
- Inspection/adjustment of brake.
- ensuring freeness of center gate movement
- inspection of wheel axle

Mode of payment: - one no will be counted for PM of both trippers on a conveyor.
50% payment shall be made for PM of one Traveling Tripper.

61) **Replacement/OH of PCRD**

- positioning of the Tripper in the working bay
 - disassembly of chain
 - disassembly of the PCRD
 - disassembly of the bearing housing
 - thorough cleaning & inspection of the shaft & bearings
 - replacement of the damaged components
 - back assembly of the PCRD in the reverse order
 - greasing of the PCRD bearing housing
- (Applicable for PF, Tripper, Stacker/Reclaimer PCRD. This will also be applicable for CCRD of Stacker/Reclaimer.)

62) **Replacement of PCRD chain**

- removal of the broken chain
 - inspection & alignment checking of the PCRD
 - replacement of the damaged PCRD chain
- (Applicable for PF, Tripper, Stacker/Reclaimer PCRD. This will also be applicable for CCRD of Stacker/Reclaimer)

63) **Replacement of Tripper wheel axle**

- Receipt of new wheel axle from the main/sub store and transport to the work site
- positioning of the Tripper
- Lifting the Tripper in position & supporting it on fixture.
- Removal of the sheared off wheel axle
- Removal of the PB, bearings & wheel from its axle
- Thorough cleaning of the new axle
- Mounting of wheels on the new axle
- Mounting of plummer blocks & bearings
- Back assembly of the newly assembled wheel axle in position & trial run.
- Shifting the damaged wheel axle to designated scrap yard.

64) **PM of pumps**

- inspection of the coupling, coupling bushes & coupling bolts
- Replacement of the damaged components if any.
- Checking the freeness of the suction strainer
- Trial run of the pump.

Mode of payment: - one no will be counted for one pit.

65) **O/H of pumps**

- removal of the motor
- disassembly of the pump discharge pipe
- lifting the pump from the sump
- shifting the pump to maintenance bay
- disassembly of the pump
- Thorough cleaning & inspection of the disassembled components & replacement if any.
- Back assembly of the pump in reverse order
- Installation of the pump in pit
- Mounting of motor & assembly of the discharge pipe
- Trial run to ensure free operation.

66) **PM of AHU**

- Disassembly & cleaning of suction side filters.
- Replacement of damaged filters (if any)
- inspection of bearings & PB
- greasing of PB & bearings
- inspection & tensioning of 'V' belts
- inspection of impeller

67) **Cleaning of AHU filter**

- removal & inspection of all filters of one unit
- cleaning & water-washing of filters
- back assembly of the disassembled components

68) **Erection of static/ rotary equipments**

(Viz. erection of GTU counter weights, pumps, hoists, fans etc.)

- receipt of the equipment, complete or part of it from the main store/site store
- shifting the material to the work site
- Making arrangement to erect the equipment in position.
- Shifting the removed materials to the earmarked place

69) **Material Transportation**

- issue of materials from central stores , steel yard & other stores
 - making arrangement to shift it to the work spot/site store
- (Materials to be issued – Gear box, shaft, pulley, idlers, bearings, couplings, oil drum, pump, structural steel etc.)

70) **Structural Fabrication**

- receipt of the structural steel required for fabrication from the main store/site store,
- shifting the structural material to the work site
- fabrication of the structural as per drawing/sketch
- painting of the fabricated structures by red oxide followed by synthetic enamel paint (grey)
- At times the structural may have to be done from scrap materials also.

71) **Structural erection**

- shifting of the fabricated structure to the site
- Erection of the structure at site by welding.

72) **Structural dismantling**

- dismantling of the required structure by gas cutting
- Shifting the dismantled structure to the designated scrap yard.

73) **Dismantling of coal chutes**

- inspection of the coal chute to be dismantled
- removal of the chute liners
- removal of the chute by gas cutting of the chute-holding fasteners

74) **Fabrication & erection of coal chutes**

- fabrication of coal chute as per drawing (To be made out of 10 mm thick MS plate)
- fabrication of chute liners (10 mm thick) as per drawing
- fixing of chute liners inside the chute with lug & key arrangement
- assembly of the newly fabricated chute in position
(During erection, care should be taken so that the incoming & outgoing chutes are in one line)

75) **Fabrication & erection of air ventilation ducts**

- Receipt of materials like MS/GI from central stores
- dismantling of the damaged ducts
- fabrication of new ducts from GI sheet
- Erection of the duct in position.

76) **Erection of piping (up to 100 NB)**

- receipt of pipes from the main/sub stores & transportation to site
- cutting of MS/GI pipe to the required size
- Laying of the pipe in the required place & welding there of.
- After erection of the one coat of red oxide and two coat of grey paint of reputed make like, Asian paint, Berger paint, Johnson Nicholson etc.

N.B.: There shall be one rate for 100 NB piping erection. The rate for any other pipe size shall be proportional to the pipe size of 100 NB pipe.

77) **Gas cutting**

- gas cutting of the structural steel
- Edge preparation of the mating surfaces.

N.B: There shall be only one rate for 10mm thick steel plate. For any other plate thickness the measured quantity will be proportional to the 10 mm thick plate only.

78) **Welding (upto 10mm thick plate)**

- edge preparation of the mating surfaces (MS)
- welding of the mating surfaces by required size electrode. The welding electrodes are to be arranged by the contractors and these should be E-6013 (AWS coding) of reputed make like S Standard/ Modi, Over cord/ Advani, Norma/ D & H, Ferro speed Plus/Essab.

N.B: There shall be only one rate for 10mm thick steel plate. For any other plate thickness the measured quantity will be proportional to the 10 mm thick plate only.

79) **Lubrication of belt conveyor system**

- checking of oil level in gear-box & FCU
- oil topping in gear-box & FCU
- greasing of gear coupling
- greasing of pulley plummer blocks
- Lubrication of the running equipments over the conveyor, like PF, Tripper, CBMS etc.

80) **Lubrication of Vibrating Screen & Coal Crusher**

- Disassembly of bearing housing.
- removal of old grease from bearing housing/ PB

- lubrication of Screen bearings by grease pump
- lubrication of Crusher bearings
- Collection of the used grease & shifting it to an earmarked place.

Payment: Both bearings of one crusher and both bearings of one screen will constitute one no of lubrication. Part payment for part lubrication.

81) **Gear-box oil replacement**

- shifting of oil to the work site
- thorough surface cleaning of gear-box
- draining contaminated oil from the gear-box
- filling of fresh oil in the gear-box

(N.B. Oil replacement in hydraulic power packs will be paid at double the rate of this item)

82) **Gear-box oil topping**

- inspection of gear-box oil level
- cleaning of breather & gear-box
- topping of required quantity oil

(N.B. Oil top up in hydraulic power packs will also be paid at this rate)

No payment if done as part of PM or shift activities.

83) **FCU Oil replacement**

- removal of FCU cover
- draining of contaminated oil from the FCU
- filling of required quantity oil in the FCU
- back assembly of FCU cover

N.B. three times of this rate will be applicable for hydraulic power pack oil replacement in stacker reclaimer, plough feeder etc.

84) **Oil topping in FCU**

- removal of FCU cover
- inspection of oil level
- topping of required quantity oil in FCU
- back assembly of FCU cover

No payment if done as part of PM or shift activities.

85) **Stacker girth gear and slew pinion greasing /cadmium compounding:-**

- Cleaning of area of lubrication
- Greasing girth gear bearing with grease gun till grease comes out from teeth and pinion.
- Removal of old used grease and storing in the designated place.

NB: - For hoist rope cadmium compounding same rate of stacker girth gear and Slew pinion cadmium compounding will be paid.

86) **Stacker Reclaimer pin greasing:**

- Cleaning of pin with diesel/roofline
- Opening of pin cover and cleaning.
- Greasing of pin with grease pump.
- Putting of pin cover.

87) **O/H of hoists**

- grounding of the hoist assembly from the mono rail
- opening & inspection of Traverse/ rope drum gear-box
- replacement of the damaged components
- greasing of Traverse/ rope drum gear-box
- putting back the hoist on the mono rail

- replacement of worn out brake liner & adjustment of brake
- cadmium compounding of hoist rope

88) **O/H of chain pulley blocks**

- dismantling of chain pulley blocks
- thorough inspection & servicing of the internals
- replacement of the worn out components

89) **Asst.in Load testing of hoist/ chain pulley blocks (up to 5 T)**

- Arrangement for load test of the hoist/ chain pulley block capacity up to 5 T.
- Assistance in shifting and positioning of Test loads near the hoist/ chain pulley.
- making arrangement of load test at the rate of 1.25 times the hoist/ chain pulley block capacity
- Operation of hoists with all safety measures for load test.
- Assistance in shifting back of the Test load to the required place after load test is over.

90) **Asst.in Load testing of hoist –5- 15T**

For 15 T the scope of work is same as that of “load testing of hoist/ chain pulley block – 5T”.
Variation in test load will be ensured...

91) **PM of stacker/reclaimer**

- inspection of boom conveyor belt
- inspection of idlers & replacement if any
- inspection of chute & chute liners
- inspection of deflector plate
- adjustment / replacement of skirt rubber
- adjustment of scrapper
- ensuring proper oil level of FCU & gearboxes
- Ensuring tightness of all hardware of FCU, gearbox, gear coupling, plumber blocks etc.
- Removal of coal deposits if any from pulley and idler roller surfaces.
- Check brake adjustment (thruster stroke) & condition of brake linings.
- Cleaning of hydraulic power pack & its components
- Examine all system components for signs of leakage & check conditions of flexible hoses for signs of chaffing, cracking etc.
- Check-clean/replace the oil filter, if clogged.
- Check oil level of hydraulic power pack.
- Ensure tightness of all fasteners.
- Check the condition of bucket teeth and replace if damaged.

92) **SHIFT MAINTENANCE**

Deployment of adequate no. of mechanical technician & unskilled labor to attend the minor system defects arising during the shift. Jobs to be executed by shift technician (one item at a time) are as follows:-

- To top up oil if the level is low in gearboxes, fluid couplings, hydraulic power packs and compressors.
- To arrest oil leakage in gearboxes, fluid couplings, hydraulic power packs and compressors by tightening loose nut, bolt/damaged o ring replacement/putting suitable sealant, gasket etc.
- To replace blown out fusible plug after oil replacement in fluid couplings.
- To clear jamming due to big size coal/stone/foreign materials when entering inside equipment is required.

- Crusher internal inspection at the shift beginning by opening inspection doors to check freeness of rotor, condition of hammers, breaker plate, top screen plate, bottom screen plate and to remove any foreign material accumulated near kick off plate.
- To replace damaged v-belts of vibrating screens and ventilation fans.
- To replace damaged idlers of conveyor belts, which does not require GTU lifting.
- To adjust worn out skirt rubber to prevent coal leakage.
- To clean jammed sprinkler nozzles and filters of dust suppression system working in CHP-2.
- To train offcentred running belt to avoid coal spillage and to ensure the belt not going inside skirt board.
- To rectify any belt folding which does not require GTU lifting.
- To assist C&I staff during belt weigher calibration in handling the test load (chain).
- To assist operation in priming pumps for dewatering activities.

93) **PM OF COMPRESSED AIR SYSTEM AT TRACK HOPPER**

- cleaning of both compressors and coolers externally
- ensure tightness of all fasteners
- inspect compressed air pipe line and ensure no leakage of air
- Check oil level, top up or replace if required.
- Remove the air filter element and inspect. If necessary,
 - clean using an air jet. Replace damaged or heavily contaminated elements.
 - check the oil separator element and replace if required.
- Drain any condensate deposit.

94) **OH OF COMPRESSOR**

- disassembly of compressor
- thorough cleaning & reassembly of disassembled parts
- replace any worn out parts
- renew the oil in the crankcase
- trial run of compressor

95) **Hydraulic valve servicing/ oil leakage arresting of Stacker Reclaimer/Plough feeder.**

- The removal of hydraulic valve.
- Dismantling and cleaning of valve.
- Assembly of valve after replacing damaged components if any And shifting to site.
- Fitting of hydraulic valve.

N.B:- Same payment will be done for hydraulic hose leakage arresting/hose replacement. Twice this rate will be applicable for hydraulic pump replacement. Care should be taken to prevent any dust/foreign material ingress during work on hydraulic system. Markin cloth should be used in place of cotton waste for this type of job. Supply of markin cloth is in contractor's scope.

96) **Supply of hydra for shifting of belt rolls etc.**

- To provide hydra as and when required.
- Hydra with driver, helper, fuel and all tools tackles is to be provided.
- Hydra and driver should have all valid documents as per statutory requirements of motor vehicle act.
- Hydra will be deployed for minimum period of two hours for each call.

Mode of Payment: Lump sum per occasion.

97) Supply of Truck.

- To provide truck as and when required.
- Truck with driver, helper, fuel and all tools tackles is to be provided.
- Truck and driver should have all valid documents as per statutory requirements of motor vehicle act.
- Truck will be deployed for minimum period of two hours for each call.

Mode of Payment: Lump sum per occasion.

98) Replacement of S S liner / Wear resist plate/ Hardox-500 liner.

The job involves receipt of material from central stores, transporting it to the site, removal of damaged liner plates, fabrication of the new liner plates exactly as per the dimensions of the old ones and fixing arrangements like lugs, keys etc. as per instructions of the M-I-C. The plate thickness will be either 10 mm or 12 mm. Some time the parent plates of the chute may get damaged and in such cases the complete chute or its damaged side may have to be fabricated after cutting the damaged portion. Some time some patch may have to be welded over any punctured whole etc.

For the above jobs the plasma cutting machine, welding rods etc. are to be arranged by the contractor at his cost. The welding rods to be used should be of reputed make like L&T, Advani, Orlikon, Essab, and D&H only. The welding rods should be suitable for welding S.S. plate/ carbon steel base of weir plate. Liner materials shall be provided to the contractor free of cost. Damaged liners are to be shifted to designated scrap yard.

MODE OF PAYMENT:

The area of the liner plates/newly fabricated plate/patch plate in sq. mtr. Shall be measured for the account of work done and payment.

99) PM of DE system.

- Cleaning of DE ducts.
- Checking / cleaning of impeller.
- Ensuring tightness of all bolts including coupling.
- Replacement of V belts if required...
- Lubrication of bearings.

Mode of Payment

Both DE system will be considered as one unit and payment will be made accordingly. Payment will be 50% in case of one system.

100) Structural Painting.

- Cleaning of surface with wire brush for painting.
- Applying one coat of red oxide followed by two coats of enamel paint (gray or any other colour) as per Requirement or as per instruction of MIC.
- Consumables required like wire brush, paint brush, paint etc are under contractor scope.

Mode of Payment

Area of painting in Square meters will be measured for the accounting and payment.

101) Replacement of Stacker/ Reclaimer Luffing cylinder.

- Shifting and positioning the support structural to coal yard maintenance bay site. Placement/anchoring/ leveling of boom conveyor over support structural. Shifting and fixing of counter weights for weight balancing. Cleaning and opening of all hydraulic parts.
- Opening of bottom pin and top pin and lowering of the cylinder.
- Shifting of new cylinder from central store / site store. Lifting the cylinder to the position and fixing the pins at the top and bottom.
- Fitting the hydraulic pipes and valves, any oil leakage checking and arresting and trial run.
- Dismantling/Shifting of structural and damaged cylinder to the designated place.

- Any cutting/welding required for the job is included & to be done at no extra cost.
- Fabrications / erection of any jigs, fixtures, safety platforms/ scaffoldings required for the job and dismantling shifting of the same after completion of the job are included in the scope.
- NALCO will provide hydra crane for the above work free of cost if available otherwise the same is to be arranged by the party.
- Required tools tackles, consumables are to be arranged by the party.

NOTE: 25% payment will be made for replacement of Master / Slave hydraulic cylinder.

102) Servicing of Stacker/ Reclaimer luffing cylinder.

- Shifting the damaged cylinder to site workshop.
- Dismantling of the damaged cylinder.
- Inspection/cleaning of parts.
- Assembling of the cylinder with seal kit etc. oil filling.
- Shifting the repaired cylinder to site store.
- NALCO will provide hydra crane for the above work free of cost if available otherwise the same is to be arranged by the party.
- Required tools tackles, consumables are to be arranged by the party.

NB: 25% payment will be made for replacement of S/R Master / Slave hydraulic cylinder.

103) Replacement of Stacker/Reclaimer Hydraulic Motor.

- Placement of stacker/reclaimer at maintenance bay and anchoring
- Isolation of inlet/outlet valves Draining of oil from the motor.
- Cleaning and opening of all hydraulic pipes and valves.
- Dismantling of shrink disc, torque arm bracket and Arctic connector by loosening the screws.
- Removal of damaged hydraulic motor from digging wheel shaft.
- Thorough cleaning of digging wheel shaft. Mounting of shrink disc, torque arm bracket and new motor on the shaft. Fixing of fasteners with required torque by torque wrench.
- Fitting of Arctic connector in required position, hydraulic pipes flanges and valves.
- Return of damaged Hydraulic motor and scraps to the store/designated area,
- Trial run, checking and arresting of any oil leakage.
- Any cutting/welding required for the job is included & to be done at no extra cost.
- Fabrications / erection of any jigs, fixtures, safety platforms/scaffolding required for the job and dismantling shifting of the same after completion of the job are included in the scope
- All the tools tackles, consumables required for the job shall be arranged by the contractor.
- Hydra crane required for the job shall be provided by NALCO if available free of cost.

Otherwise the vendor has to arrange the crane to carry out the job.

MODE OF PAYMENT:

100% payment will be made for S/R digging wheel shaft motor.

50% payment will be made for other hydraulic motors of S/R.

25% payment will be made for P/F hydraulic motors.

104) Shift assistance for Monsoon Period:

The scope of work includes deployment of a mechanical maintenance group in three shifts (A,B & C) during monsoon period (1st July to 30th November) to take up additional work load arises due to wet coal. The group in each shift will consist of 02 Semiskilled (Fitter & Welder) and 02 un-skilled and 01 skilled workers.

A group consist of 02 no of unskilled, 02 no of semi-skilled & 1 no skilled workers to be deputed in each shift (i.e. A, B & C Shifts) and deployment of workers will be as per requirement decided by MIC. Workers will report to the concerned shift in charge of CHP-1 & CHP-2 in starting of each shift. The time to time requirement of manpower will be informed to the party by the Manager in charge.

Following jobs are likely to be executed by the group-

Oil top-up, arresting oil leakage, replacement of FCU fusible plug, To clear jamming due to big size coal/ stone/ foreign material (entering inside chute /equipment is required), area cleaning, idler/v-belt replacement, skirt board/trainer/ scrapper adjustment. Checking/replacement of spray line nozzles, belt training, to assist operation in priming of pumps for de-watering, to assist in equipment chocking cleaning of crushers/vibrating screens etc. Besides the above any other minor jobs not specially mentioned above but assigned by the shift-in-charge/ Manager-in-charge for smooth running of the plant shall be carried out by the groups.

Unit of measurements: Lump sum for one group in a shift consisting of 02 unskilled, 02 semiskilled (fitter & welder/ cutter) and 01 skilled worker cum shift co-coordinator.

Penalty on absenteeism in each shift per group:

- 1. One USW absent: 25% will be deducted from the lumpsum per shift rate.
- 2. Two USW absent: 50% will be deducted from the lump sum per shift rate
- 3. One SSW absent: 30% will be deducted from the lump sum per shift rate
- 4. Two SSW absent: 60% will be deducted from the lumpsum per shift rate.

However in case of absent of skilled worker, a lump sum of Rs.1500.00 will be deducted from the per shift rate.

SUB: REPAIR AND MAINTENANCE OF CHP-2

SPECIAL CONDITINS OF CONTRACT

A) TIME SCHEDULE

Coal handling plant is very critical areas in CPP. Its maintenance jobs are also very critical in nature. For feeding coal to the power house round the clock, equipment availability plays an important role. In case of any break-down or any disorder in the coal feeding system, the defects are to be rectified immediately. For rectification of such defects, the contractor has to deploy men & materials immediately. The workmen, thus engaged, for the rectification jobs have to work under harsh conditions over a wide area.

Taking all these points into consideration, the optimum time required for each major & critical activity, the following completion times have been worked out as shown against each activity.

Optimum time schedule for execution of critical works:-

<u>Conveyor system</u>	<u>UOM</u>	<u>Time allowed</u>
Chute liner	1 Sq.mtr.	8 hrs
Rubber lagging of pulleys	1 sq.mtr.	4 hrs
Lifting of GTU	1 no.	4 hrs
Replacement of pulley brgs.	1 Set	8 hrs.
Belt dismantling	200 mtr.	8 hrs.
Belt erection	200 mtr.	8 hrs.
Pulling the belt up to 10 mtrs.	1 no.	5 hrs.
Pulling the belt beyond 10 mtrs.	100 mtrs.	6 hrs.
Alignment of Gear box	1 no.	8 hrs.

Belt vulcanizing (Hot & Cold):-

500 mm width belt	1 no.	6 hrs.
1000 mm width belt	1 no.	10 hrs.
1200 mm width belt	1 no.	12 hrs.

Screen & Crusher

Replacement of Screen cloth	1 no.	6 hrs.
Replacement of drive shaft of Screen	1 no.	30 hrs.
Replacement of brg.set of Screen	1 set	16 hrs.
Removal of screen chocking	1 no.	4 hrs.
Replacement of Crusher rotor	1 no.	148 hrs.
Replacement of Top and bottom plates	1 no	20 hrs.
Replacement of breaker Plate	1 no.	10 hrs.
Replacement of Crusher Bearings	1 no.	20 hrs.
Replacement of tramp iron roof	1 no.	6 hrs.
Replacement of Hammers	1 set	14 hrs.
Replacement of broken hammers	1 no.	4 hrs.
Removal of chocking of Crusher	1 no.	4 hrs.

PLOUGH FEEDERS:-

Replacement of PF blades	1 set	16 hrs.
--------------------------	-------	---------

TRIPPERS:-

Replacement of wheel axle of Tripper	1 no.	24 hrs.
Replacement of cable reeling drum	1 no.	24 hrs.

Stacker/Reclaimers.

Replacement of luffing cylinder.	1 no	36hrs.
Replacement of Hydraulic Motor.	1 no	72 hrs

N.B.:- In case, this timing is exceeded, the contract is subject to penalty at the rate of 10% of the job value.

Truck & hydra shall be provided by NALCO free of hire charges subject to availability for shifting of winch machine, heavy materials viz. belt rolls, its stand to work site and to shift heavy materials viz. belt rolls, ,heavy spares etc.(which can not be transported by hand trolley) from central stores to work site/sub store. All other arrangements for shifting & lifting of materials shall be made by

the contractor at no extra cost to NALCO. In case of non availability, the contractor has to provide as per item no 96 & 97.

- Free issue materials:** - Liners (steel & polymer)
- Conveyor belt
 - Vulcanizing solution (hot & cold)
 - Vulcanizing machine
 - Power winch at work site (in case of availability)
 - Truck & Hydra if available for material viz. conveyor belt roll, its stand/winch shifting, test loads, heavy spares which can not be shifted by hand trolley
 - Lubricants
 - Equipment spares
 - Special electrodes
 - Cotton waste

All other consumables like electrodes, gas, paints etc. are to be arranged by the contractor. Receipt of materials from Stores & shifting of scraps to the designated place is the responsibility of the contractor.

PRE-MEDICAL CHECK UP: The contractor should arrange the pre-medical check up for the employees to be engaged for this job, before the commencement of work, at our Occupational Health Centre(OHC), CPP.

S A N E T Y: Before starting the job, the contractor has to obtain the Safety clearance from the Safety Department for the safe working of their tools and tackles. **“Paying money in lieu of safety appliances is not at all acceptable.”**The contractor has to supply safety appliances & welding accessories for welding purpose like helmets, gloves, proper insulated cables, shoes etc. First R/A Bill of the contractor will not be processed, if the contractor fails to fulfill the above statutory requirements. The value of safety appliances will be deducted from the contractor’s bills along with over head charges @ 25% of the cost of material, if provided by NALCO.

ENVIRONMENT PROTECTION: The contractor shall adhere to safe environment practices and shall perform in line with the company’s available environment policy. The contractor shall also guard against any hazardous and unsafe working conditions. Scrap and waste generated during different activities including its disposal should be in a manner to minimize their harmful concentration effects on the environment. The various activities of contractor at site should not create any adverse effect on ambient air and water quality at work site and adjacent areas.

SUB: REPAIR AND MAINTENANCE OF CHP-2.

QUANTITY & RATE SCHEDULE

I	Total value of contract shall be as per the quoted % of the declared Estimate of the accepted L-1 bidder or The Estimate whichever is less.
II	The contractor shall be fully & solely responsible to the statutory authorities for compliance of all the provisions of GST Rules and other statutory provisions applicable to this work as a service provider.
III	GST wherever applicable shall be paid extra, as applicable under existing GST Rules.
IV	Bidders are required to quote on % (Percentage) basis, either Plus (+) or Minus (-) of the total declared estimate in figure, in the Online Percentage BOQ format on online mode only.

Percentage Quoted (+/-) BoQ to be filled up by the bidder

RATES TO BE QUOTED BY THE BIDDER
SHOULD BE INCLUSIVE OF ALL TAXES AND
DUTIES AND INCLUDING GST

(Separate Excel Sheet attached)

Minimum Wages of Contract Labours
W.E.F. 01/Feb/24

SL NO	CATEGORY	MINIMUM RATES OF WAGES PAYABLE INCLUSIVE OF WAGES FOR WEEKLY OFF, VDA & CANTEEN SUBSIDY			
		MINIMUM WAGE RATES (INCLUSIVE OF WAGES FOR WEEKLY OFF & VDA) IN Rs. .	ADDITIONAL ELEMENT IN Rs.	CANTEEN SUBSIDY IN Rs	TOTAL IN Rs
1	UNSKILLED WORKER	504.00	44.00	25.00	573.00
2	SEMI SKILLED WORKER	628.00	44.00	25.00	697.00
3	SKILLED WORKER	751.00	44.00	25.00	820.00
4	HIGHLY SKILLED WORKER	875.00	44.00	25.00	944.00

**ADDITIONAL PPE/SAFETY REQUIRMENT SPECIFIC FOR THE JOB OTHER THAN PPE
MATRIX AND SAFETY REQUIRMENT SPECIFIED at Page 31,32,33**

WRITE LIST OF PPEs HERE

Declaration by the Bidder (Contractor)

I do hereby agree to provide the ISI/CE marked PPEs as required to ensure safe working conditions in consultation with NALCO’s Safety Dept. to the workers to be engaged by me while working inside the plant. I also agree to follow the “Safety Code for Contractors” issued by Safety dept, CPP, NALCO.

(Signature of bidder)

PART –C

Formats for contract execution

ANNEXURE-C 1

FORWARDING LETTER AND UNDERTAKING

From: _____

To
Tender Inviting Authority
National Aluminium Company Ltd.

Sub: Letter of Undertaking.

- 1. Having carefully examined all the Tender Documents under reference no. _____, *Date:* _____ we offer to complete the works in conformity with all the terms and conditions as detailed in the Tender Documents.
- 2. We here by confirm that we have downloaded the complete set of tender documents along with the set of enclosures hosted in www.gem.gov.in website. We confirm that the bid document has not been edited or modified by us. In case, it is observed by NALCO that the bid document has been edited or modified, we agree for the rejection of the bid by NALCO.
- 3. We undertake, if our tender is accepted, to commence the work from the effective date of contract and to carry out work as stipulated in the contract
- 4. We have submitted the Earnest Money Deposit (EMD) amount through DD/BC/PO/BG as instructed by you.
- 5. We agree to abide by this Tender initially for a period as mentioned at point -7 of F-02 form as validity of offer from the date of opening of Tender and it shall remain binding on us and may be accepted at any time before the expiry of that period
- 6. **Further we agree to the Pre-Contract Integrity Pact which is part of this tender and has signed the Pre Contract Integrity Pact as at Annexure-C21 duly filled up for further necessary action at your end.**
- 7. Should this Tender be accepted, we hereby agree to abide by and fulfill all Terms and Conditions of Tender Document as accepted by us and in default thereof, to forfeit and pay to NALCO such sums of money as stipulated in conditions contained in Tender Documents. We understand that NALCO is not bound to accept the lowest or any Tenders received and NALCO reserves the right to reject any or all tender without any liability.
- 8. This Tender together with written “Acceptance” thereof, shall constitute a binding CONTRACT between NALCO and us, till a formal contract is executed.

Date_____day of _____Signature _____

(Seal of the Company)

ANNEXURE-C3

EXCEPTION / DEVIATION STATEMENT TO THE TENDER TERMS & CONDITIONS
In case of no deviation please write 'No Deviation' in the space below:

Sl. No	Reference of Tender Document			Subject	Deviation / Exception
	Page No.	Clause No.	Para No.		

Signature & Seal of bidder.

ANNEXURE-C4

-: DECLARATION BY THE BIDDER :-

I _____ representing the bidder, do declare on behalf of the firm as hereunder :

* That, I am the PROPRIETOR of the bidder's firm. I undertake to submit proof of ownership as and when demanded by NALCO.

OR

* That I am the authorized signatory to the tender documents holding valid Power of attorney. Certified copy of the valid power of Attorney is enclosed with the offer.

NOTE: Strike out whichever is not applicable.

- (a) That, we do not have any FINANCIAL/PROFESSIONAL stake in any of the other bidders participating in this tender;
- (b) That, this firm has not been blacklisted/debarred/banned in any unit of NALCO/Other PSUs / GOVT of India/ State Govts/ Quasi Govt. organizations.
- (c) That, we are not in any arbitration/legal cases with NALCO and no cases are pending in court of law.
- (d) That, the proprietor/partners/directors/ employees of the firm have never been a part of any blacklisted/debarred/banned firms or company in any unit of NALCO/Other PSUs / GOVT of India/ State Govts/ Quasi Govt. organizations.
- (e) That, we have never been prosecuted by any statutory authority
- (f) That, any change in the constitution of the firm shall be made with prior clearance from NALCO.
- (g) That, we have studied all the clauses/sub-clauses terms and conditions of the tender documents including GCC and our offer fully comply with the requirements spelt out in the tender documents.
- (h) We undertake to abide by and comply with all the safety and environmental regulations in force in NALCO during the execution of work.
- (i) We undertake to abide by and comply with all the applicable provisions of laws governing contract workers engaged by you for this work.
- (j) We undertake to receive payment through E-payment mode.

SIGNATURE OF THE TENDERER

PRE CONTRACT INTEGRITY PACT

General

This pre-bid pre-contract Agreement (hereinafter called the Integrity Pact) is made on _____ day of the month of _____ 2024, between, on one hand, the National Aluminium Company Limited (NALCO), a company registered under the Companies Act 1956 and a Government of India Enterprise, having its Registered Office at NALCO Bhawan, P/1, Nayapalli, Bhubaneswar- 751013, Odisha, India (referred to as NALCO) acting through **Ms L.Maria, SM (Mech.), Tender & Contract, CPP** (hereinafter called the “BUYER”, which expression shall mean and include, unless the context otherwise requires, his successors in office and assigns) of the First Part and M/s. _____ represented by Shri _____, Chief Executive Officer (hereinafter called the “BIDDER / Seller” which expression shall mean and include, unless the context otherwise requires, his successors and permitted assigns) of the Second Part.

WHEREAS the BUYER proposes to procure **"REPAIR AND MAINTENANCE OF CHP-2"** and the BIDDER/Seller is willing to offer/has offered the stores and

WHEREAS the BIDDER is a private company / public company /Government undertaking/ partnership /registered export agency, constituted in accordance with the relevant law in the matter and the BUYER is a Company under the administrative control of the Ministry of Mines, Govt. of India.

NOW THEREFORE

To avoid all forms of corruption by following a system that is fair, transparent and free from any influence / prejudiced dealings prior to during and subsequent to the currency of the contract to be entered into with a view to :-

Enabling the BUYER to obtain the desired said stores/equipment at a competitive price in conformity with the defined specifications by avoiding the high cost and the distortionary impact of corruption on public procurement, and

Enabling BIDDERS to abstain from bribing or indulging in any corrupt practice in order to secure the contract by providing assurance to them that their competitors will also abstain from bribing and other corrupt practices and the BUYER will comment to prevent corruption, in any form, by its officials by following transparent procedures.

The parties hereto hereby agree to enter into this Integrity Pact and agree as follows:

Commitments of the BUYER

1.1 The BUYER undertakes that no official of the BUYER, connected directly or indirectly with the contract, will demand, take a promise for or accept, directly or through intermediaries, any bribe, consideration, gift, reward, favour or any material or immaterial benefit or any other advantage from the BIDDER, either for themselves or for any person or organisation or third party related to

the contract in exchange for an advantage in the bidding process, bid evaluation, contracting or implementation process related to the contract.

- 1.2 The BUYER will, during the pre-contract stage, treat all BIDDERS alike and will provide to all BIDDERS the same information and will not provide any such information to any particular BIDDER which could afford an advantage to that particular BIDDER in comparison to other BIDDERS.
- 1.3 All the officials of the BUYER will report to the appropriate Government office any attempted or completed breaches of the above commitments as well as any substantial suspicion of such a breach.
2. In case any such preceding misconduct on the part of such official(s) is reported by the BIDDER to the BUYER with full and verifiable facts and the same is prima facie found to be correct by the BUYER, necessary disciplinary proceedings, or any other action as deemed fit, including criminal proceedings may be initiated by the BUYER and such a person shall be debarred from further dealings related to the contract process. In such a case while an enquiry is being conducted by the BUYER the proceedings under the contract would not be stalled.

Commitments of BIDDERS

3. The BIDDER commits itself to take all measures necessary to prevent corrupt practices, unfair means and illegal activities during any stage of its bid or during any pre-contract or post-contract stage in order to secure the contract or in furtherance to secure it and in particular commit itself to the following :-
 - 3.1 The BIDDER will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the BUYER, connected directly or indirectly with the bidding process, or to any person, organisation or third party related to the contract in exchange for any advantage in the bidding, evaluation, contracting and implementation of the contract.
 - 3.2 The BIDDER further undertakes that it has not given, offered or promised to give, directly or indirectly any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the BUYER or otherwise in procuring the Contract or forbearing to do or having done any act in relation to the obtaining or execution of the contract or any other contract with the Government for showing or forbearing to show favour or disfavour to any person in relation to the contract or any other contract with the Government.
 - 3.3 BIDDERS shall disclose the name and address of agents and representatives and Indian BIDDERS shall disclose their foreign principals or associates.
 - 3.4 BIDDERS shall disclose the payment to be made by them to agents / brokers or any other Intermediary, in connection with this bid / contract.

- 3.5 The BIDDER, either while presenting the bid or during pre-contract negotiations or before signing the contract, shall disclose any payments he has made, is committed to or intends to make to officials of the BUYER or their family members, agents, brokers or any other intermediaries in connection with the contract and the details of services agreed upon for such payments.
- 3.6 The BIDDER will not collude with other parties interested in the contract to impair the transparency, fairness and progress of the bidding process, bid evaluation, contracting and implementation of the contract.
- 3.7 The BIDDER will not accept any advantage in exchange for any corrupt practice, unfair means and illegal activities.
- 3.8 The BIDDER shall not use improperly, for purposes of competition or personal gain, or pass on to others, any information provided by the BUYER as part of the business relationship, regarding plans, technical proposals and business details, including information contained in any electronic data carrier. The BIDDER also undertakes to exercise due and adequate care lest any such information is divulged.
- 3.9 The BIDDER commits to refrain from giving any complaint directly or through any other manner without supporting it with full and verifiable fact.
- 3.10 The BIDDER shall not instigate or cause to instigate any third person to commit any of the actions mentioned above.
- 3.11. If the Bidder or any employee of the Bidder or any person acting on the behalf of the Bidder, either directly or indirectly, is a relative of any of the officers of the Buyer, or alternatively, if any relative of an officer of the Buyer has financial interest/stake in the Bidder's firm, the same shall be disclosed by the Bidder at the time of filing of tender.
The term "relative" for this purpose would be as defined in Section 6 of the Companies Act 1956.
- 3.12. The Bidder shall not lend to or borrow any money from or enter into monetary dealings or transactions, directly or indirectly, with any employee of the Buyer.
- 3.13 Bidder(s)/ Contractor(s) who have signed the integrity pact shall not approach the courts while representing the matter to IEMs and shall wait for their decision in the matter.

4. Previous Transgression

- 4.1. The Bidder declares that no previous transgression occurred in the last three years immediately before signing of this integrity Pact, with any other company in any country in respect of any corrupt practices envisaged hereunder or with any Public Sector Enterprise in India or any Government Department in India that could Justify Bidder's exclusion from the tender process.
- 4.2. The Bidder agrees that if it makes incorrect statement on this subject, Bidder can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

5.. Sanctions for Violations :

5.1. Any breach of the aforesaid provisions by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER) shall entitle of the BUYER to take all or any one of the following actions, wherever required: -

- (i) To immediately call off the pre-contract negotiations without assigning any reason or giving any compensation to the BIDDER. However, the proceedings with the other BIDDER(s) would continue.
- (ii) The Earnest Money Deposit (in pre-contract stage) and/or Security Deposit / Performance Bond (after the contract is signed) shall stand forfeited either fully or partially, as decided by the BUYER and the BUYER shall not be required to assign any reason therefore.
- (iii) To immediately cancel the contract, if already signed, without giving any compensation to the BIDDER.
- (iv) To recover all sums already paid by the BUYER, and in case of an Indian BIDDER with interest thereon at 2% higher than the prevailing Prime Lending Rate of State Bank of India, while in case of a BIDDER from a country other than India with interest thereon at 2% higher than the LIBOR. If any outstanding payment is due to the BIDDER from the BUYER in connection with any other contract for any other stores, such outstanding payment could also be utilized to recover the aforesaid sum and interest.
- (v) To en-cash the advance bank guarantee and performance bond / warranty bond, if furnished by the BIDDER, in order to recover the payments, already made by the BUYER, along with interest.
- (vi) To cancel all or any other Contracts with the BIDDER. The BIDDER shall be liable to pay compensation for any loss or damage to the BUYER resulting from such cancellation / rescission and the BUYER shall be entitled to deduct the amount so payable from the money(s) due to the BIDDER.
- (vii) To debar the BIDDER from participating in future bidding processes of NALCO for a minimum period of five years, which may be further extended at the discretion of the BUYER.
- (viii) To recover all sums paid in violation of this Pact by BIDDER(s) to any middleman or agent or broker with a view to securing the contract.
- (ix) In cases where irrevocable Letters of Credit have been received in respect of any contract signed by the BUYER with the BIDDER, the same shall not be opened.
- (x) Forfeiture of Performance Bond in case of a decision by the BUYER to forfeit the same without assigning any reason for imposing sanction for violation of this Pact.

5.2 The BUYER will be entitled to take all or any of the actions mentioned at para 5.1(i) to (x) of this Pact also on the Commission by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER), of an offence as defined in Chapter IX of

the Indian Penal Code 1860 or Prevention of Corruption Act, 1988 or any other statute enacted for prevention of corruption.

5.3 The decision of the BUYER to the effect that a breach of the provisions of this Pact has been committed by the BIDDER shall be final and conclusive on the BIDDER. However, the BIDDER can approach the independent Monitor(s) appointed for the purposes of this Pact.

6. Independent External Monitors (IEMs):

6.1. The BUYER has a panel of Independent External Monitors (hereinafter referred to as-IEMs) for this Pact in consultation with the Central Vigilance Commission as mentioned in NALCO's NIT/NALCO's website (www.nalcoindia.com).

6.2 The task of the IEMs shall be to review independently and objectively, whether and to what extent the parties comply with the obligations under this Pact.

6.3 The IEMs shall not be subject to instructions by representatives of the parties and perform their functions neutrally and independently.

6.4 Both the parties accept that the IEMs have the right to access all the documents relating to the project / procurement including minutes of meetings.

6.5 As soon as the IEM notices, or has reason to believe, a violation of this Pact, he will so inform the Authority designated by the BUYER.

6.6 The BIDDER(s) accepts that the IEM has the right to access without restriction to all Project documentation of the BUYER including that provided by the BIDDER. The BIDDER will also grant the IEM, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The IEM shall be under contractual obligation to treat the information and documents of the BIDDER / Subcontractor(s) with confidentiality.

6.7 The BUYER will provide to the IEM sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the parties. The parties will offer to the IEM the option to participate in such meetings.

6.8 The IEM will submit a written report to the designated Authority of BUYER / Secretary in the Department / within 8 to 10 weeks from the date of reference or intimation to his by the BUYER / BIDDER and should be occasion arise, submit proposals for correcting problematic situations.

7. Facilitation of Investigation:

In case of any allegation of violation of any provisions of this Pact or payment of commission, the IEMs shall be entitled to examine all the documents including the Books of Accounts of the BIDDER and the BIDDER shall provide necessary information and documents in English and shall extend all possible help for the purpose of such examination.

8. Law and Place of Jurisdiction:

This Pact is subject to Indian Law. The place of performance and jurisdiction is the seat of the BUYER.

ANNEXURE-C22

BEFORE THE NOTARY PUBLIC
A F F I D A V I T

I, aged about years, S/O:, At-....., PO-....., Dist-....., Pin-....., State:, Designation: of M/s. have not been convicted by a court of Law for an offence involving moral turpitude in relation to business dealings during the past seven years for acceptance of the offer. AGREEMENT

CONTRACT AGREEMENT FOR THE WORK OF.....(-.....) DATED./..../.....,(the ...th day of the month of.....of the year two thousand.....) between M/s..... in the town of..... AT/PO-.....,DIST-.....STATE.....,PIN-..... here in after called ,the "Contractor" (which terms shall unless excluded by or repugnant to the subject or context include its successors and permitted assignees) of the one part and the NATIONAL ALUMINIUM COMPANY LIMITED hereinafter called the "OWNER" (Which term shall, unless excluded by or repugnant to the subject or context include its successors and permitted assignees) of the other part.

Whereas:

- (A) The owner being desirous of having provided and executed certain works mentioned enumerated or referred to in the tender documents including Notice Inviting Tender/Letter Inviting Tender, General Conditions, Drawings, Plans, Time schedule of Completion of jobs, and other documents has called for Tender.
- (B) The Contractor has inspected the site and surroundings of the works specified in the tender documents and has satisfied himself by careful examination before submitting his tender as to the nature of the surface strata, soil, subsoil and ground, the form and nature of site and local conditions, the quantities, nature and magnitude of the work, the availability of labour and materials necessary for the execution of work, the means of access to site, the supply of power and water thereto and the accommodation he may require and has made local and independent enquiries and obtained complete information as to the matters and things referred to or implied in the tender documents or having any connection therewith, and has considered the nature and extent of all probable and possible situations, delays, hindrances or interferences to or with the executions and completion of the work to be carried out under the contract, and has examined and considered all other matters, conditions and things and probable and possible contingencies, and generally all matters incidental thereto and ancillary thereof affecting the execution and completion of the work and which might have influenced him in making his tender.
- (C) The Notice Inviting Tender/ Letter Inviting Tender, General conditions of Contract, Special Conditions of Contract, General Obligations, Specifications, Drawings, Plans, Time Schedule of Completion of jobs, Letter of Acceptance of Tender and any statement of agreed variations with its enclosures, copies for which are hereto annexed form part of this contract though separately set out herein and are included in the expression "CONTRACT" wherever herein used.

01) SERVICE PURCHASE ORDER NO:

AND WHEREAS:

The owner accepted the Tender of the Contractor for the provision and the execution of the said work at the rates stated in the schedule of quantities of works and finally approved by owner (Hereinafter called the 'Schedule of Rates') upon the terms and subject to the conditions of contract. Now this agreement witnesses and it is hereby agreed and declared as follows:-

- 01. In consideration of the payment to be made to the contractor for the work to be executed by him, the contractor hereby covenants with the owner that the contractor shall and will duly provide, execute and complete the said works and shall do and perform all other acts and things in the contract mentioned or described or which are to be implied there from or may be reasonably necessary, for the completion of the said works and at the said times and in the manner subject to the terms and conditions or stipulations mentioned in the contract.

02. In consideration of the due provision execution and completion of the said work, the owner does hereby agree with the contractor that the owner will pay to the contractor the respective amounts for the work actually done by him and approved by the owner at the scheduled rates and such other sum payable to the contractor under provision of the such contract, payment to be made at such time and in such manner as provided for in the contract.

AND

03. In consideration of the due provisions execution and completion of the said work the contractor does hereby agree to pay such sums as may be due to the owner for the services rendered by the owner to the contractor such as power supply, water supply and others as set for in the said contract and such other sums as may become payable to the owner towards the controlled items of consumables materials or towards loss, damage to the owner's equipment, materials, construction plant and machinery, such payments to be made at such time and in such manner as is provided in the contract. It is specially and distinctly understood and agreed between the owner and the contractor that the contractor shall have no right, title or interest in the site made available by the owner for execution of the works or in the building, structure or works executed on the said site by the contractor or in the goods, articles, materials etc. brought on the said site (Unless the same specifically belongs to the contractor) and the contractor shall not have or deemed to have any lien whatsoever charge for unpaid bills nor will be entitled to assume or retain possession or control of the site or structures and the owner shall have an absolute and unfettered right to take full possession of the site and to remove the contractor, his servants, agents and materials belonging to the contractor and lying on the site.

The contractor shall be allowed to enter upon the site for execution of the works only as a licensee simplicitor and shall not have any claim, right, title or interest in the site or the structure erected thereon and the owner shall be entitled to terminate such license at any time without assigning any reason. The materials including sand, gravel, stone, loose earth rock etc. dug up or excavated from the said site shall unless otherwise expressly agreed under this contract, exclusively belong to the owner and the contractor shall have no right to claim over the same and such excavations and materials should be disposed off on account of the owner according to the instructions in writing issued from time to time by the Engineer-in-Charge.

In witness whereof the parties have executed these presents in the day and the year first above written.
