1	Mines	Operation and Maintenance activities of plain water & dry fog type dust suppression system of C&C and SMCP-FLDC system of NALCO Mines, Damanjodi	T&C/MINES/C&C/R-1469/M-1397 dated 19.07.2023	TPS Infrastructure Limited, New Delhi	7883835	7607900.78	01-08-23	31-07-25	M/s TPS Infrastructure Ltd is the OEM Service provider for the system installed at C&C and SMCP area. They have been the service provider for O&M of the system since 16/01/2018 after major revamping of the system. This is crucial for meeting the CTO conditions. The nature of the jobs involved need special expertise and skilled manpower with exposure to and experience of the system. There is no other service provider known to us of similar calibre.
