

## **Implementation of Section 26 of the Right to Information Act, 2005**

For the implementation of Section 26 of The Right to Information Act, 2005 and Imparting training and awareness to its employees, NALCO has taken adequate measures. This includes regularly developing and organizing educational programs, training sessions, workshops to impart the understanding of the employee as to how to exercise the rights contemplated under this Act and promote timely and effective dissemination of accurate information by public authorities about their activities; especially training its nodal officers and employees by providing relevant and easily comprehensible guides and training materials to them, for making them understand the various provisions of the Act , its objectives and its crucial aspects.
