PART –A

General information

Page: 6 of 132

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

ANNEXURE-A

1. <u>Company Information</u>

- 1.1. National Aluminum Company Limited (NALCO), incorporated in 1981, is a premier Navaratna Public Sector Enterprise under administrative control of Ministry of Mines of Govt. of India in the field of Alumina/Aluminium having integrated multi-locational facility of Bauxite Mining, Alumna Refining, Aluminum Smelter, Power Generation and Port. NALCO has one of the major Aluminum production facilities consisting of Bauxite Mines, Alumina Refinery, Aluminium Smelter and Captive Power Plant, all located in the state of Odisha.
- 1.2. More details on NALCO can be viewed on company's website <u>www.nalcoindia.com</u>

2. <u>E-Procurement through GeM</u>

- 2.2 The bidder wishes to participate in the published tender should have his firm registered in the GeM portal. Accordingly, bidder should do the registration in the tender site <u>http://gem.gov.in</u> using the option available.
- 2.2 Reverse Auction:- In case of Reverse auction tendering, the Date, time and quantum of decremental value will be **as per the provisions of GeM Portal.**. The bidder should take a note of it and see the **other** details as per <u>Annexure-A8</u>.

3. Purpose of this NIT

3.1. **CPP-** NALCO invites **digitally signed / physically signed** online bids under **OPEN / TWO PART** GeM system.

3.2. The Salient features of the Tender are as detailed in F-02 Form (Annexure-B1).

4. Bidding Process

- 4.1 The entire set of Tender document needs to be uploaded and digitally signed / physically signed in GeM Portal (<u>www.gem.gov.in</u>) along with bid submission conformation page from GeM System Government of India, before the scheduled time of bid submission.
- 4.2 Bids will be received up to last date and time specified or extended bid due date, as the case may be through e-tendering at (<u>www.gem.gov.in</u>).
- 4.3 NALCO shall not be responsible for any expenses incurred by bidders in connection with the preparation & submission of their bids, and other expenses incurred during bidding process.
- 4.4 The bidders are advised to submit the tender document online well in advance before the prescribed time to avoid any last-minute hitch / problem.
- 4.5 After the bid submission, the acknowledgement number generated by the e-tendering system should be printed by the bidder and kept as a record of evidence for online submission of bid for the tender.
- 4.6 Further, bid shall be evaluated based on documents furnished. So bidder must ensure that all relevant documents are furnished at the time of submission of offer.
- 4.7 This NIT is in three parts .The part -A is mainly General information and instructions to bidder, Part-B is about the contract details and Part-C consists of various forms ,agreement formats, declarations etc. The bidder should go through full NIT before filling.
- 4.8 The bidder should go through '<u>Annexure-A1'</u> i.e. instructions to the bidders prior to bidding.
- 4.9 Bidders are required to submit the hard copy of the followings in a sealed envelope and should reach General Manager (T&C) Tender & Contract Department, CPP, NALCO, Angul-759145 (Odisha) by Speed Post/By Hand before the due date & time of bid opening.
 - 4.9.1 EMD and Cancelled Cheque (all in original). Copy of all these documents are also required to be uploaded in GeM Portal along with Bid documents.

Subject: GENERAL MAINTENANCE & VALVE SERVICING IN BOILER & AUXILIARY AREA OF UNIT #1 TO 10.

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

Page: 7 of 132

4.9.2 EMD is a pre-requisite other-wise the Tender will be normally rejected. However the Public Sectors, Government agencies and the Firms registered with DGS&D/NSIC /District Industries Centers(DICs) / Khadi & Village Industries Commission(KVIC)/ Khadi & Village Industries Board (KVIB)/Coir Board/ Directorate of Handicrafts and Handloom or any other body specified by Ministry of Micro, Small & Medium Enterprises ,others for which specific exemption has been granted by NALCO such as Ancillary Industries etc and all Startups recognized by Department of Policy and Promotion (DIPP), Ministry of Commerce and Industry, Govt of India are exempted from payment of EMD. If the bidder desires the bidder may submit attested copy of certificate such as NSIC / MSME /other category mentioned above (for the service /work for which they are registered) for claiming EMD exemption .

For tendering in GEM portal, EMD exemption shall be considered for sellers / service provider having annual turnover of INR 500 crore or more, at least in one of the past three completed financial year(s), as per General Terms & Conditions (GTC) of GEM portal. However, bidder must submit the valid supporting document for the exemption.

Under MSE category, only manufacturers for goods and service providers for services are eligible for exemption from EMD. Traders are excluded from the purview of this policy.

- 4.9.3 Affidavit in Original towards Litigation History duly signed after the NIT publication date.
- 4.10 Clarifications, if any, regarding this tender can be obtained from the undersigned through mail or phone no. at Pg-8 of

132

before the TSD

- 4.11 After downloading / getting the tender schedules, the bidder should go through them carefully and then submit the documents as asked. If there are any clarifications, they may refer online through the tender site, or through the contact details. Bidder should consider the corrigendum published before submitting the bids online. Bidders in their own interest should get ready in advance to submit the bid documents as indicated in the tender schedule. These documents should be in PDF / XLS / RAR / DWF formats. If there is more than one document, they can be clubbed together.
- 4.12 Bidder should clearly fill up the PQC Technical (Detailed work order and execution statistics) (<u>Annexure-C6</u>) and Details of present commitments of the tenderer (<u>Annexure-C8</u>) for his offer evaluation. Suppression of credential / facts may lead to penal action as per procedure.
- 4.13 It is mandatory for the bidder to fill up the <u>Annexure-A9</u> (Preference to Make in India 2017), <u>Annexure-A10</u> (Restrictions under Rule 144 (xi) of GFR 2017), <u>Annexure-C19</u> and <u>Annexure-C20</u> (regarding declaration of the relatives in Nalco) and <u>Annexure-C3</u> (Deviation statement to the tender terms and conditions) and <u>Annexure-C4</u> (Declaration by the bidder) while submitting the offer.
- 4.14 Bidder should check his mail and GeM portal for any information regarding tender from time to time.
- 4.15 In case any specific adverse report is found against any bidder during enquiry about the statement made / credential submitted along with the offer documents in respect of capabilities, spare capacities, performance, completion certificates and criminal background of the bidder, the offer submitted by such bidder shall be rejected and penal action as deemed fit may be initiated.
- 4.16 If the bidder submits the bid in manual form (if permitted categorically in the tender), he should have already registered in the tender site and he shall have to mention the registration ID in the bid submitted otherwise his tender will not be considered.
- 4.17 Nalco reserve the right to seek any document / information at later stage in respect of evaluation of bid which the bidder must submit failing which the bid may be rejected.

TENDER No.:

CPP/T&C/GeM-192/MC-5459/NIT/2024/317

Page: 8 of 132

5 Bid Evaluation

- 5.1 Evaluation will be done strictly in line with the facilities available under government website www.gem.gov.in i.e. based on documents uploaded by the bidder as per PQC. In case of non-compliance to the PQC requirement, i.e. any shortfall documents arise out of submitted technical as well as commercial credential submitted within tender submission date, bidders will be given only one chance under GeM to upload shortfall documents within a stipulated date. No new documents would be called up as part of PQC experience documents.
- 5.2 The technical acceptability will be strictly as per matching of PQC with submitted work credential by the bidder
- 5.3 In case any specific adverse report is received against any bidder and proved to be correct after enquiry about the statement made / credential submitted along with the offer documents in respect of capabilities, spare capacities, performance, completion certificates and criminal background of the bidder, the offer submitted by such bidder shall be rejected and penal action as deemed fit may be initiated.
- **5.4 Concurrent commitment:** The concurrent commitments of bidder on various jobs under execution by the bidder will be considered to assess the spare capacity available with the bidder. The bidder must confirm that they have disclosed all the works being executed by them in the offer. If the annualized concurrent commitments of the bidder plus annualized estimated value of the work (for single agency)/ annualized estimated maximum percentage of work in split case under consideration (for multiple agency) exceeds four times the average annual financial turnover during the last three financial years of the bidder, then the bid of such a bidder shall not be considered for further evaluation. Suppression of fact /data regard to jobs under execution will be considered as gross violation and rejection of bid including penal action such as banning/ blacklisting, as deemed fit.

The bidder has to submit complete list of concurrent commitments on all jobs under execution by them, which will be taken into account to assess the spare capacity available with the bidder.

Concurrent Commitment of the bidder shall be evaluated as on the last day of the Month previous to bid due date **of submission**, based on the confirmation / declaration of the bidders that they have disclosed all works being executed by them. Bidders shall exclude all stalled project for which there is no progress in last one year giving reason for no progress considering above cutoff date. In case any adverse report / complaint are received against bidder and on enquiry found correct, offer shall be rejected and bidder shall be liable for appropriate legal action.

- 5.5 In-house information for assessment of capability of bidder and their performance on jobs completed / in progress at NALCO shall be considered for evaluation purpose. In case of poor performance, the offer from such bidders shall not be evaluated.
- 5.6 Nalco reserve the right to seek any document information at later stage in respect of evaluation of bid which the bidder has to submit failing which the bid may be rejected.
- 5.7 In case the Bidder submits the work experience as a sub-contractor (of the Main contractor), approval from the Principal agency/Client, for the engagement as Sub-Contractor of the Main Contractor, needs to be submitted along with Bid.

6 Ordering

- 6.1 On selection of Vendor for award of work, necessary internal approval processes will be completed, and during the said process, the Vendor Master data will be cross checked with documents like PAN Registration Certificate, GST Registration Certificate, Signed & Cancelled Cheque (with Name, Account No and IFSC Code printed on the Cheque) duly authenticated by the Vendor and attached to ANNEXURE- C10.
- 6.2 In normal circumstances the party in whose favor the work is awarded shall be issued with LOI. The party shall have to enter into an agreement in writing on non-judicial stamp paper of appropriate value as laid down in the GCC. The agreement normally consists of LOI, BOQ at the accepted rate, complete bid document, Schedule of Agreed Variation (if any) etc. The documents such as, correspondences, minutes of meeting, (if held with the party) etc. shall also form part of the contract agreement if required. On execution of Agreement a Detailed Order will be issued.
- 7 General Conditions of Contract (GCC) will be a part of the NIT.

ANNEXURE-A1

INSTRUCTIONS TO BIDDERS

SMELTER / CPP of National Aluminium Company Ltd (NALCO) is situated on NH-55 at approximately 6 KM away from ANGUL (District head quarter) and 5 KM away from Banarpal in Angul district of state of Odisha, connecting between Cuttack and Sambalpur.

1.0 SCOPE OF WORK:

The scope of work shall be as detailed is enclosed at **Annexure-B2**. The work shall be carried out as per direction of Engineer-in-charge/Manager-in-charge subject to special condition of contract given in Annexure-B3.

PRE QUALIFICATION CRITERIA (PQC) 2.0

- Single part Tender will be evaluated on the basis of price bids only. Hence, bidder should not take 2.1 any technical/commercial deviations, otherwise their offer will be liable for rejection. For other type of tenders, wherever techno-commercial evaluation is to be done first, the bidders are required to submit documentary evidences for technical experience and financial capabilities as part of Pre-Qualification Criteria (PQC).
- 2.2 It may be noted that the details of documents submitted in support of the PQC for Technical & Financial capabilities are to be specified in following formats. If no references are found in the stated Annexures and the bidder gets disqualified, non-cognizance of such documents by NALCO, even if attached somewhere else as part of bid documents, will not be seen as a deficiency in proper evaluation of such documents. Hence, bidders may ensure that such documents are invariably referred in the below-mentioned Annexures.
 - 2.2.1 Technical/Experience Criteria: Annexure-C6
 - 2.2.2 Financial Criteria : Annexure-C7
 - 2.2.3 The bidder should possess independent EPF, ESI, PAN & PAN based GST registration certificates respectively from the concerned Regional Provident Fund Commissioner for PF, Independent Account Code from concerned Regional Director ESIC for ESI, Direct Tax Authorities for PAN and Indirect Tax Authorities for GST, as applicable.
 - 2.2.4Litigation history for criminal background: Annexure-C22
 - 2.2.5 The concurrent commitments of bidder on various jobs under execution by the bidder will be taken into account to **assess** the spare capacity available with the bidder. Bidders are required to fill Annexure-C8 for calculation at our end. Suppression of fact and figures will liable to cancellation of bid and penal action as per rule.

3.0 LITIGATION HISTORY:

- **3.1** The bidder is required to give the names of other firms / agencies / partnership firm / wholly owned or partly owned subsidiary etc. where they are having financial / professional stakes and also give a certificate if any such firm / agency is participating in the subject tender.
- **3.2** Bidder may note that any pending criminal case involving moral turpitude, fraud, theft & unlawful activities or conviction by court of law or indictment/ adverse order by regulatory authority against the person, company, Directors of the Company or sister concern of the Company, partner of the firm etc. would constitute disqualification for participating for tender.
- **3.3** The bidder or its proprietor /partner(s)/director(s) of the firm should not have been convicted by court of law for an offence involving moral turpitude in relation to the business dealing during past seven years for acceptance of the offer.
- **3.4** Litigation history for criminal background is to be provided by the bidder. The bidder shall give an affidavit to this effect as per the format at <u>Annexure-C22</u>. The affidavit must be affirmed before the competent judiciary authority or duly notarized by Notary.

4.0 EARNEST MONEY DEPOSIT (EMD):

Earnest money may be deposited through any one of the two procedures noted below. (refer sl no:4.3 of F-02 form of contract details, <u>Annexure-B1</u>.

- **4.1** In shape of account payee Demand draft/ Banker's cheque/ Pay order, from any Nationalized or Scheduled Bank in favour of National Aluminium Company Ltd., payable to our bank as per the details below.
- **4.2** Through online bank transfer. The transaction confirmation document generated through online transaction, giving details of transaction is required to be provided as a separate document.-The credit of EMD in our Bank account would be confirmed before acceptance of bid. If the transaction is not reflected or reflected with wrong reference as on TOD or credited subsequently, then the bid shall be considered to be unaccompanied by any EMD and the bid will be liable for rejection.

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

Note: While making the online payment, the Tender Number may be mentioned in the text field of the transaction.—

Incase EMD amount is Rs.1.25 lakhs or more, EMD in the form of Bank Guarantee in prescribed format from NALCO approved Bankers (<u>Annexure-C17</u>) shall also be accepted. The original BG is to be submitted along with bid as indicated in the NIT.

4.3 Bids without EMD will be rejected. However, the Public Sectors, Government agencies and the Firms registered with NSIC/MSME, and others such as Ancillary Industries etc. for which specific exemption has been granted by NALCO may be considered for exemption from EMD subject to submission of attested documentary evidence in support of the same in sealed envelope as stipulated in NIT.MSEs having UAM no shall also submit supporting documents such as UAM certificate, CA Certificate (certifying that the unit is a MSE having valid MSE certificate).

For tendering in GEM portal, EMD exemption shall be considered for sellers / service provider having annual turnover of INR 500 crore or more, at least in one of the past three completed financial year(s), as per General Terms & Conditions (GTC) of GEM portal. However, bidder must submit the valid supporting document for the exemption.

Under MSE category, only manufacturers for goods and service providers for services are eligible for exemption from EMD. Traders are excluded from the purview of this policy.

- **4.4** EMD of unsuccessful bidders will be refunded within 15 days of finalization of contract for single part bid tender and within 15 days of acceptance of techno-commercial offers by the Competent Authority in case of two-part bid tender.
- **4.5** The EMD shall be forfeited without any notice on any of the following situations.
 - **4.5.1** On withdrawal of offer after expiry of submission date & time of bid offered.
 - **4.5.2** If the bidder does not submit the agreement prior to effective date mentioned in the Service Purchase Order/LOA/LOI considering the criteria of Clause No. 15.0 of this Annexure-A1.
 - **4.5.3** If the work is not commenced from the effective date of Service Purchase Order, after award of the work.
 - **4.5.4** At any point of time if it is found that the party has submitted any false declaration in his offer.
 - **4.5.5** If the bidder modifies its bid after the opening of the bids without written instruction from NALCO.

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

5.0 BANK GUARANTEES: -

- **5.1** The vendor may submit Bank Guarantee against Performance Security, Free Issue Material (FIMBG), Advance BG (ADVBG) and Contract Cum Performance Guarantee (CPBG) where ever applicable.
- **5.2** The BG in prescribed format (<u>Annexure-C11</u> to <u>Annexure-C16</u>) should be issued by approved Banks listed at <u>Annexure-C17</u> having its branch at Angul/Bhubaneswar and the BG should be registered in Structured Financial Messaging System (SFMS) for BG Conformation and Lodging of claim. Place of Encashment may be limited to Angul/Bhubaneswar only.
- **5.3** The original EMD BG should be sent by the Bank directly in the address of Tender Inviting Authority (TIA) and for other BGs to EIC/MIC mentioned in the Work Order through Registered/Speed Post with AD. It may be noted that the BG Format requires mentioning of the address, Phone, Fax no. and email ID of the issuing Bank. On receipt of Original BG, it will be forwarded to Finance by EIC/MIC through Inter Office Memo (IOM).
- **5.4** Each BG contains a start date, expiry date and claim date. The validity of BG (Start date to expiry date) should cover the Tender/Contractual execution period. A further claim period of 3 months is required to lodge a claim for extension/encashment of BG if necessary. Therefore, the claim date should be 3 months beyond the expiry date. If a consolidated BG is provided including claim period, 3 months will be considered as claim period and accordingly BG extension should be provided to cover Tender/Contract requirement.
- **5.5** BG extension whenever required should ideally be provided 15 days prior to Expiry date from the same Banker against the Original BG with reference to the Tender/Contract. However, in specific cases if a new BG from a different bank is provided against the Original BG the subsequent BG should also cover the obligations under original BG period. The subsequent banker has to give an undertaking in this regard in their BG forwarding letter in letter head.

6.0 ORDER OF PRECEDENCE OF CONTRACT DOCUMENTS:

- **6.1** The documents as stated below shall constitute the integral part of Contract Documents. In the event of any ambiguity or conflict between the Contracts documents as given below, the order of precedence shall be the order in which they are listed. All documents forming part of this tender are intended to be correlative, complimentary and mutually explanatory. The tender documents should be read by the bidder as a whole before bidding the tender.
 - 6.1.1 Conditions of Integrity Pact.
 - 6.1.2 Bill of Quantity.
 - 6.1.3 Scope of Work/Technical Specifications.
 - **6.1.4** Drawings if any.
 - 6.1.5 Special Conditions of Contract.
 - **6.1.6** Instruction to bidders/NIT.
 - 6.1.7 General Conditions of Contract (GCC).
 - **6.1.8** Relevant Indian Standards.
- **6.2** If any varying of conflicting situation arises in any of the document forming part of the Contract, NALCO's decision with regard to intention/interpretation of the document and the decision shall be final and binding on the parties.

7.0 MODE, SUBMISSION, RECEIPT AND OPENING OF TENDER:

- 7.1 Corrigendum and/or Clarification, if any issued for the NIT shall form part of the Tender Documents. Corrigendum and/or Clarifications will be hosted on the web-site <u>www.gem.gov.in</u> and no separate intimation will be given to the bidders or released in the press. Bidders are requested to visit the web-sites from time to time to note the Corrigendum and/or Clarifications before submission of their bid. NALCO shall not be responsible if any bidder omits to notice any Corrigendum and/or Clarifications and make necessary change if required in their submitted final bid.
- 7.2 Telex/ Telegraphic/ Fax/ E-mail bids shall not be accepted.
- **7.3** Before submission of the bid, the bidders are requested to read the bid document carefully to make themselves fully conversant with the GCC, Special Conditions of Contract and Conditions of bidding, Specific conditions, technical Specifications and bid drawings if any. The bidder should visit site and get familiarized with the site conditions so that, no ambiguity may arise in these respects, subsequent to submission of the bids.
- 7.4 Nalco's General Conditions of Contract (GCC) & Special Conditions of Contract (SCC) if any shall form part of this contract. The tenderer is advised to go through the same either in the office of the Tender Inviting Authority during office hours to seek clarification if any, or may refer to NALCO web site and get them-selves satisfied before quoting the rates. It will be taken for granted by NALCO that tenderer has seen and gone through the terms and conditions and shall abide by same.
- **7.5** The forwarding letter / covering letters & information is to be included in the offer. The instruction given in the checklist of single part / two-part bids must be strictly complied.
- 7.6 Tenders are to be uploaded in the GeM web site <u>www.gem.gov.in</u> on or before time & date specified at Sl. No. 5.0 of F-02 form of Contract Details, <u>Annexure-B1</u>. The PART-I bids in case of two-part tendering and Single part bid in case of LTE shall be opened at the time & date specified at Sl. No. 6.0 of F-02 form of Contract Details, <u>Annexure-B1</u>.
- 7.7 The price bids of technically qualified bidders shall only be opened on a later date. The date & time of opening of price bid shall be intimated to the qualified bidders through <u>www.gem.gov.in</u> website.
- **7.8** Bidders are advised to submit complete set of Tender documents along with ANNEXURE-B4 & ANNEXURE-C3 etc. under GeM Portal in the Online Mode. Price Bid shall also be uploaded online only.
- **7.9** All the supporting documents to meet the PQC need to be uploaded with the offer after attesting them by a gazette officer or notary public and are required to sign each page by the bidder or by their authorized representative. The hard copy of these PQC compliant documents should reach the office of the Tender Inviting Authority before the due date & time of bid opening.
- 7.10 As per Manual for Procurement of Works 2019 Ministry of Finance Department of Expenditure 5.4.5 Normally no post bid clarification at the initiative of bidder shall be entertained. The shortfall information /documents if any may be sought only in case of historical documents which pre- existed at the time of tender opening and which have not undergone change since then. So far as the submission of documents is concerned after submission of the tender, Nalco may ask and consider, only related shortfall documents. For example, if the bidder has submitted a contract without its completion / performance certificate / annual turnover, the certificate can be asked for and considered. However, no new contract will be asked further so as to qualify the bidder. No post-bid clarification at the initiative of the bidder shall be entertained. Hence bidders are required to take due care to upload all relevant work credentials available with them in order to avoid rejection.

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

Page: 14 of 132

- 7.11 Deviations of any form are not acceptable. In case deviation is unavoidable, bidders are instructed to give all deviations in the enclosed deviation statement sheet (<u>Annexure-C3</u>) only, along with the tender document. Please be informed that only deviation mentioned in Annexure-C3 will be considered for further evaluation. Deviations at any other place will not be considered. Deviations in LTE single part will not be considered in any case and the bids will be rejected.
- **7.12** Deviation(s) listed at any other place of the tender shall not be considered at all and shall not be binding on NALCO. The tender shall be evaluated based on the deviation statement and no claim whatsoever shall be entertained irrespective of bidder has accepted this particular clause or not.
- **7.13** In case of withdrawal of deviations to NIT sepecification, if any bidder insists for revision in price before opening of price bid and Nalco agrees for the same, the submission of price implication shall be in offline mode from the bidder in a sealed envelope by hand/password protected file through e-mail within a stipulated time.
- **7.14** NALCO reserves the right to defer the date of tender opening in case the response is considered inadequate or due to any other reasons. In such event, the bidders shall be intimated the next date of opening subsequently.
- **7.15** The bidder shall ensure submission of complete information / documents in the first instant itself. NALCO reserves the right to evaluate the offer based on the details furnished by the bidders on the scheduled date of tender submission without seeking any subsequent additional information.
- **7.16** All the pages of GCC duly signed & stamped by authorized signatory should be submitted along with the agreement / offer. In case of online offers, the copy of GCC is to be uploaded with the offer after **digitally signed** / **physically signed** by the bidder.
- 7.17 Declaration regarding Relationship with Board of Directors and Employees of Nalco: The contractors must furnish certificate as mentioned in <u>Annexure-C19</u> & <u>Annexure-C20</u> enclosed, disclosing in detail about their relatives in Nalco. Suppression of this information in any form if detected at any stage will lead to disqualification and lead to rejection of the offer or termination of the contract as the case may be. The concerned party may also be banned from participation in future tenders.
- **7.18** Owner's Right to Accept or Reject a Bid: A bidder may seek clarification regarding the bidding document provisions, bidding process and / or rejection of his bid. NALCO/Consultant shall respond to such queries within a reasonable time.

8.0 EVALUATION OF BIDS:

- 8.1 The price bids of the techno-commercially qualified bids in case of two-part bid system & bids in case of single part bidding shall be evaluated as per the note of "Quantity & Rate Schedule" (<u>Annexure-B4</u>) in the excel format available in the GeM site.
- **8.2** In case there is a tie in L-1 position, the concerned bidders may be called to offer maximum possible discount on their quoted rates/revised rate in sealed envelope in order to decide the L-1 bidder among the considered bids.
- **8.3** In case "tie" of price bids, even after application of clause 8.2 above, the following criteria shall prevail in the given order.
 - **8.3.1** Bidder having highest average turnover during last three years shall be preferred. Average Annual Turnover shall be decided based on audited profit and loss account submitted by the bidder for the last three financial years.
 - **8.3.2** The contractor executing the same contract satisfactorily will be preferred.
 - **8.3.3** The contractor of the previous contract, who has executed the same work satisfactorily, will be preferred.
- **8.4** In case of tie for L2 or other positions and L1 price matching is to be made for splitting of the job as per NIT condition, then L2, L3 etc positions shall be determined by applying criteria at sl. no. 8.3 above.
- 8.5 Where the tender is being finalized through GeM Portal, as per GTC applicable for GeM procurement, if multiple L-1 bidders have quoted the lowest allowed price for the tendered

Page: 15 of 132

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

service (i.e. TIE cases), NALCO shall place the contract by selection of resultant bidder amongst the L-1 bidders through a random algorithm executed by GeM system. This will supersede Clause No. 8.2 to 8.4 as above.

9.0 ACCEPTANCE OF TENDER:

- **9.1** NALCO reserves the right to reject or accept any or all the offers in full or part, split the work, reduce or increase the quantity, without assigning any reason thereof.
- **9.2** NALCO reserves the right to award the work in parts between two or more agencies if considered expedient. The quoted rates shall hold good for such an eventuality. Reference is also invited to clause No: 9 of General conditions of contract.
- **9.3** Validity of Offer: The validity of the offers submitted by the bidders shall be as per F-02 Form i.e. Contract Details in <u>Annexure-B1</u>. In case the validity of offers expires during the processing of the case, all the bidders / techno-commercially accepted bidders shall be requested to extend the offer validity with same price and terms & condition of the tender. The offers of such bidders shall be rejected if they do not extend the validity unconditionally.
- **9.4** Bidders may note that, Brief Order / Letter of Intent / Fax of Intent / Service Purchase Order placed, is in acceptance of their offer by NALCO and shall be binding on them. However, the bidder has to return a copy of LOI / FOI / Service Purchase Order duly signed by them or their authorized representative as a token of receipt of the same within seven days of issue of the same for our records. In case of no communication of the same is received within the stipulated time from their end, it will be presumed that the party has received the Brief Order / Letter of Indent / Fax of Intent / Service Purchase Order.
- **9.5** Any communication such as Letter, BO, LOI, FOI, SPO etc. shall be communicated to the Bidder through Registered post/ Speed post/ Fax/ Hand delivery/ By mail registered with Nalco. Any communication through any one or more of above modes shall be valid and binding on the Bidder.

10.0 CONTRACT PERIOD:

10.1 Timely completion is the essence of the Contract. The contract period for this work shall be as mentioned in Sl no:3 of F-02 form (<u>Annexure-B1</u>) of contract details and shall be applicable from the effective date as mentioned in the service purchase order/LOI. Time period of completion" of individual items/activities may be decided jointly by Manager-In-Charge and contractor, which shall be adhered to by the contractor.

11.0 OCCUPATIONAL HEALTH & SAFETY MANAGEMENT SYSTEM:

- 11.1 Safety: The contractor shall have to take necessary safety arrangements/ precautions for the workmen engaged by him and shall be responsible for any First Aid / Emergency treatment for his labours / workmen. In addition, the contractor shall have to abide by all fire & safety regulations of the owner. The contractor has to execute the works after taking necessary instruction & safety clearance from the safety officer.
- 11.2 All lifting/handling tools & tackles deployed by the contractor should have been load-tested as per the prevailing rules & regulations. Mobile equipments such as Truck, Tractors, Tippers, Dumpers etc. shall have valid fitness certificate with due insurance required as per the prevailing rules & regulations. Wherever transport of material is applicable, the contractor has to ensure that goods carried during transportation do not exceed the permitted laden weight as certified by registering authority for the respective vehicles.
- **11.3** Personal Protective Equipment (PPE): The contractor shall have to provide all the necessary PPE to the workmen engaged by them as per the requirement, area wise as mentioned in the PPE format. In case the contractor fails to provide PPEs as per requirement, at the time of starting the job, they will not be allowed to carry out the assigned job. PPEs can be got issued from NALCO on request with recovery of purchase cost, plus administrative charge @25% of Procurement cost as penalty plus GST on administrative charges as applicable. (Annexure-A3).
- **11.4** The contractor, before starting the work, shall collect a copy of the <u>safety manual</u> from Safety Department and shall abide by all instructions mentioned therein.
- 11.5 The contractor shall be responsible to promote awareness on the OSHAS requirements among the workmen engaged by them for the subject job and ensure adherence to sound OSHAS related practices as detailed in the "Occupation Health & Safety Policy" enclosed herewith. The contractor shall be responsible for abiding by all the applicable provisions of safety code of

नालको	NALUU

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

contractors which is available in the NALCO web site. The contractor shall contact Safety Dept. for getting necessary advice/compliances as required.

Medical Checkup of Workmen: Contractors will have to submit medical certificate from a Govt. Hospital or registered medical practitioner in the prescribed format for the workmen engaged by him along with application for gate pass and for annual renewal. No gate pass will be issued/ renewed unless the medical certificate is enclosed along with the application.

12.0 ENVIRONMENTAL REQUIREMENTS:

- 12.1 The contractor shall be responsible to promote awareness on the Environmental requirements among the workmen engaged by them for the subject job and ensure adherence to sound environmental practices as detailed in the "General Environmental Requirement & Environmental Policy" enclosed at <u>Annexure-A7</u>.
- 12.2 The contractor shall remove all the waste/debris generated during the work on each occasion & dispose off to a place identified by Manager-in-charge. The thorough up-keeping of the work spot before the contractor leaves the work spot is essential. In case the contractor fails to comply with the above, the owner may get the up-keeping done & recover expenses incurred plus administrative charge @25% of the expenses incurred as penalty plus GST on administrative charges as applicable from the contractor.

13.0 ENERGY MANAGEMENT SYSTEM (ISO 50001):

- **13.1** The Energy Policy of NALCO is attached (<u>Annexure-A6</u>). The Service Provider needs to comply all the requirements of the Policy in consultation with the Manager-in-Charge of the contract.
- **13.2** Mandatory guidelines for saving any form of energy: Energy is lifeline of an Organization and SMELTER / CPP, NALCO is implementing Energy Management Systems (EnMS) ISO 50001 in all activities. The contractual service providers are advised to train his workmen for practicing the following "Dos & Don'ts" while executing the assigned work at site.

	WHAT TO DO?		WHAT NOT TO DO?
1.	Use compressed air for instrument cleaning if advised by NALCO		Never open any compressed air for body / dress/ vehicle cleaning.
2.	Close water line valves if they are in open condition		Never allow any water line in open condition.

4.	Use LPG for cooking if at all required		Never use any electrical heater for cooking or room heating.
5.	Switch off lights/ fans in day time when not required	5.	Never waste electricity in any way.
6.	Touch only that part of equipment for which you are authorized by the Engr. I/C		Never touch any isolators / switches of any equipment.
7.	Handle coke, pitch, oil (FO, HSD, LDO) & LPG with due care as they are costly.		Never waste any quantity coke, pitch, oil (FO, HSD, LDO) & LPG a drop of any types of oil.

14.0 SECRECY TERMS: -

- 14.1 The contractor shall use all the documents, drawings, data & information of proprietary in nature, received from NALCO, solely for the purpose of performing and carrying out the obligations on their part under this contract. He shall not disclose the same to any other person except to the extent required in the performance of the work and shall maintain the utmost secrecy. Contractor and NALCO shall bind their employees, who are involved in engineering of the project by a suitable secrecy contract. The documents, drawings, data and information received from NALCO shall not be used by contractor for any other purpose and will also keep them confidential. All data, documents and information provided by Contractor during the course of execution of the work will be treated as confidential by NALCO and will not be released to any third party, without specific written permission of Contractor.
- **14.2 Breach of Secrecy:** In case of breach of secrecy by the Contractor, Nalco will have right to terminate contract, Performance Security and claim damages from the party.

TENDER No.:

CPP/T&C/GeM-192/MC-5459/NIT/2024/317

Page: 17 of 132

15.0 EXECUTION OF CONTRACT AGREEMENT:

- 15.1 The contractor shall have to execute an agreement on **Rs**.50/- non-judicial stamp paper to be purchased from any stamp vendor under the jurisdiction of the Orissa High Court, in the specific format (<u>Annexure-C23</u>). Issuing authority of work order shall sign the agreement on behalf of NALCO. The agreement shall not be required to be executed for work orders of value less than or equal to **Rs**.1,00,000/-.
- **15.2** The agreement should be submitted to T&C Department, within **10 days** of issuance of LOA/LOI or at least 10 days prior to effective date mentioned in the Service Purchase Order.
- **15.3** Contract Agreement is mandatory before starting of work. EIC/MIC will ensure before Gate Pass is issued.
- 15.4 No bill shall be payable unless the agreement is signed, if signing of agreement is applicable

16.0 <u>SUPERVISION:</u>

- **16.1** The contractor shall have to work as per direction of the Manager-in-charge and shall report to him daily regarding day-to-day progress. The contractor shall give full access to the Manager-in-charge / authorized representative of NALCO to inspect day-to-day work executed by the contractor. Besides, the Contractor will take full responsibility to ensure proper workmanship, good quality of work and supervision during the contract period without any additional cost.
- 16.2 Under prevailing statute, the supervision should be carried out by a capable competent person.

17.0 PAYMENT OF WAGES TO ENGAGED LABOUR AT SITE:

- 17.1 Payment of wages to the labour employed by the contractor shall be as per the Central Government notification fixing minimum wages for different categories of labour in Central Public Enterprises from time to time plus an additional element as indicated below (as a part of wages). The contractor shall have to make labour payment accordingly, along with applicable statutory benefits. Therefore, the contractor must quote their rates considering the labour rates indicated at <u>Annexure-B5</u>.
- 17.2 The contractor has to ensure payment of minimum bonus @ 8.33% on the notified minimum wages for each category including the additional elements but excluding canteen subsidy (Considering minimum salary as Rs.7000/- per month) to all his workmen engaged in the contract annually.
- 17.3 As per statutory provisions, contractors will have to pay the monthly wages of contract labourers latest by 10th of subsequent month as well as deposit the statutory contributions within due date. In case of failure to do so, NALCO as principal employer will pay wages/release the payments to the concerned labourers at any time after the 10th of subsequent month without any further intimation.
- 17.4 If the date of payment is beyond 10th of subsequent month or there is direct payment, Nalco reserves the right to recover up to 25% as administrative charge on the amount of labor payment plus GST on administrative charges in the RA/Final Bill.
- **17.5** The contractor failing to make payment of labour wages as per applicable Law, may be debarred / banned for conducting future business with NALCO.

18.0 LABOUR LAWS:

- **18.1** The successful bidder shall abide by all applicable statutory provisions in respect of workmen deployed by him to the satisfaction of Central & State Government Authority. The contractor shall comply with the provisions of all statutes and amendments thereof at their cost for different legislations as under. The contractor shall have to abide by and comply with any Modification/ Change/ Amendment to the existing laws or introduction of any new law relating to the work and rules framed there under from time to time. The list is indicative and not exhaustive.
 - 18.1.1 Building & other Construction Workers (RE & CS) Act 1996
 - 18.1.2 Child Labor (Prohibition & Regulation) Act 1986,
 - 18.1.3 Employees' Provident Fund and Miscellaneous Provisions Act, 1952.
 - 18.1.4 Employees' State Insurance Act, 1948.

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

Page: 18 of 132

- **18.1.5** Factories Act, 1948
- **18.1.6** Industrial Dispute Act 1947,
- 18.1.7 The Inter-state Migrant Workmen (Regulation of Employment and Conditions of Service) Act, 1976
- **18.1.8** The Maternity Benefit Act 1961
- **18.1.9** Minimum wages Act 1948.
- **18.1.10** Payment of Wages Act 1936,
- **18.1.11** Payment of Bonus Act 1965,
- **18.1.12** Payment of Gratuity Act, 1972
- 18.1.13 Employees' Compensation Act 1923.
- **18.1.14** Contract Labour (R&A Act, 1970)

19.0 GATE PASS & SECURITY:

- **19.1** Normally before starting of work, EIC/MIC will ensure that Contract Agreement is signed otherwise, Gate Pass should not be allowed. Therefore, the contractor shall have to produce the Contract Agreement and arrange valid gate pass for the labour/ workers engaged by him in order to enter into the factory premises if the work is to be executed inside the plant. (Refer Form No: F-02 of Sl. No- 15 at <u>Annexure-B1</u>).
- **19.2** Issue & Use of Electronic ID Card: All the contract workers will be provided with electronic entry/exit pass by CISF before mobilization of site/commencement of work by the contractor. All contract workers shall use this ID/Punch cards for making entry into /exit from the plant. After expiry of the contract, ID/Punch card will be surrendered by the workers at the time of closure of contract through the contractor. In case of loss /missing of ID/Punch card, contractor has to deposit Rs. 200/- per card in the cash counter of NALCO for issue of fresh identity card. Incase of discontinuation of job by the workers, the cards will be surrendered to the CISF under intimation to unit HRD.
- **19.3** Attendance of contractor's workers will be regulated through biometric punching systems. In case of discrepancy, decision of EIC/MIC will be Final & Binding on the contractor.

19.4 <u>Use of Online Contract Labour Management System (CLMS):</u>

An online Contract Labour Management System (CLMS) has been launched across NALCO w.e.f. 01.07.2017. As per the portal architecture, every contractor employing contract labour in NALCO shall have to use this online portal for various activities like safety clearance, issue of gate pass, application for license in Form II, issue of certificate from Principal Employer (NALCO) in Form III for obtaining license from the Central Labour Department, preparation of monthly wage sheets, issue of wage slips, employment cards, preparation and filing of returns, maintenance of statutory registers etc. The contractors have to use the CLMS for entering relevant data about themselves and the labour engaged by them for getting the benefits of the system. Since the package has been developed as per the mandate given by the Management and is being closely monitored by the Ministry of Mines as an item on the DASHBOARD, use of the system is mandatory for the contractor.

19.5 TIME OF WORK: The factory timings are as follows:

`A' shift-6.00 AM to 2.00 PM, `B' shift-2.00 PM to 10.00 PM, `C' shift-10.00 PM to 6.00 AM,

G' shift-8.00 AM to 5.00 PM (with 1.00 Hr lunch break from 1PM to 2PM)

Page: 19 of 132

TENDER No.:

CPP/T&C/GeM-192/MC-5459/NIT/2024/317

20.0 MATERIAL TOOLS & TACKLES:

20.1 The contractor shall have to make his own arrangement for supply and storage of his materials / consumables and general tools, tackles, welding sets, electrodes, chain pulley blocks, slings, gas welding/cutting sets, in connection with execution of work. No extra payment shall be applicable for such provisions. Wherever required consumables of approved quality like general purpose welding electrodes, cleaning agents, Oxygen gas, D.A. gas, etc to execute the contract shall be in Contractor's scope and contractor must arrange these materials at their own cost unless mentioned otherwise in the tender documents attached herewith. Apart from the above any job /tender specific requirement of materials is indicated in special condition of contract.

20.2 FREE ISSUE MATERIALS / CONSUMABLES:

Unless mentioned otherwise in the attached tender documents, Argon Gas & Co₂ gas will be supplied by Nalco as Free Issue Item if required for the work executed inside plant. The contractor will do transportation from issue point to work site.

Issue of cement and steel as Free Issue shall be governed by clauses 52 to 54 of GCC unless mentioned otherwise in scope of work / special conditions / BOQ or elsewhere in this tender document subject to the followings:

- **20.2.1** For issue of materials within plant boundary wall limit, the contractor shall submit only indemnity bond for the entire value of materials issued to them free of cost as per clause 53 (ix) of GCC.
- **20.2.2** For the materials which are issued for outside plant boundary such as Ash Pond area, Intake Pump House, Lean Slurry area, Bidyut Nagar Colony, township, CISF Barrack etc, the contractor shall furnish Bank Guarantee equivalent to 20% of the value of material and indemnity bond equivalent to 80% value of materials being issued to the contractor.(Ref Sl no. 8.1 & 8.2 of Form F-02 (Annexure-B1) of Contact Details)
- **20.2.3** For materials taken out side plant to the vendor's shop, Bank Guarantee equivalent 100% of the value of the materials will be submitted by the vendor before taking out the materials.
- **20.2.4** The Indemnity bond and the Bank Guarantee shall remain valid till the material account is totally settled. The BG and Indemnity Bond shall be submitted in the prescribed format enclosed (Refer <u>Annexure-C15 & Annexure-C11</u>).
- **20.2.5** The materials drawn if any by the party as "free issue materials" from NALCO should be reconciled. The reconciliation statement of free issue items / materials should be submitted to the EIC/MIC for certification to be submitted along with RA Bill. The final reconciliation statement should be submitted along with final bill for release of final payment.

21.0 ENERGY/WATER/GROUND/BUILDING PREMISES:

- **21.1** Provision of Power/Water/Land/Building to Contractor's Works.
 - 21.1.1 Lump Sum Turn Key (LSTK) Contracts- Electricity charges shall be billed @ Rs.4.30 /KWH on meter reading. Water charges will be billed on monthly basis by Estate department, @ Rs. 150.00 per month or part thereof. Ground/Building Premises inside plant will be provided without any rent. However Building premises provided inside Township will be on chargeable basis as per Rent Circular.
 - **21.1.2 Other than LSTK Contracts : If Electricity and Water** is required for the work to be executed, it will be supplied by Nalco free of cost from any suitable point. The contractor shall have to make arrangements, at his own cost, for tapping and using the power/water so required as per advice EIC/MIC. Ground/Building Premises will be provided without any rent.
 - **21.1.3 For availing Electrical energy**, the contractor shall have to provide, at his own cost, a MCB (Miniature Circuit Breaker) at the point of power supply by Nalco. The MCB shall have to be of a suitable capacity as decided by Nalco's electrical authorities for the concerned area and shall have to be replaced, as and when warranted, on the grounds of changed power requirements or the MCB having been defective and/or damaged.

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

- **21.2 Power and Water Supply to Contractor's <u>Establishment</u>: The following points shall be complied in addition to Nalco GCC Clause No. 2.3 for giving power supply to Contractors' Establishments:**
 - **21.2.1** Power and Water supply will be provided to the contractor to whom the permission has been granted by Estate Department to have establishment in the township/plant as per requirement. Ground/Building Premises inside plant will be provided without any rent. However Building premises provided inside Township will be on chargeable basis as per Rent Circular.
 - **21.2.2** Contractor have to make all arrangements to receive power from designated panels by laying necessary cables and installing suitable distribution board. They have to apply to Estate department through the Engineer-in-Charge. The application will be made in prescribed format and a completion certificate by licensed electrical contractor will be enclosed. The representative of DGM (Elect) will inspect the installation and after getting their clearance, power supply will be charged. The individual establishments are to be maintained and managed by contractors as per IE rules.
 - **21.2.3** At the time of charging of power supply, initial meter reading will be jointly noted by representatives of contractor, Estate Department and Electrical Department.
 - **21.2.4** Every month, energy meter reading will be jointly taken by representatives of Estate Department and Electrical Department. Electricity Bill will be raised by Estate Department @ Rs.4.30 per KWH basing on the meter reading as per the prevailing rate. However, the rate is subject to revision time to time.
 - **21.2.5** Water charges will be billed on monthly basis by Estate department, @ Rs. 150.00 per month or part thereof. However, the rate is subject to revision from time to time.
 - **21.2.6** The contractor has to deposit Water & Electrical Charges on monthly basis. While processing any Final Bill relating to any work, the contractor has to submit clearance certificate from Estate Department covering period under Final Bill.
 - **21.2.7** While processing final bill of the contractor they must enclose Disconnection Certificate from Estate Department for power/water supply connection or Certificate regarding Continuation of connection due to other valid contract with proper reference through concerned EIC & Estate Department.
 - **21.2.8** The final bill will not be processed without compliance of the above. (Supporting document to be attached)
- **21.3** The contractor must dismantle the structure constructed by him for the purpose of office-cumstore on completion of the contract as per the provision of GCC clause no.2.4.2. If the same is not dismantled within two months of completion of contract, he will not be issued any tender paper or will not be allowed to participate in any tender. Besides with-holding of final bill, other penal action as per contract / Law as deemed fit may be initiated against the contractor.
- **21.4** Following penal actions shall be initiated against the unauthorized occupant;
 - **21.4.1** Disconnection of power and water supply lines to be made,
 - **21.4.2** Penal rent @ Rs.10,000/- per month Plus GST as applicable or part thereof towards the ground rent and 20 (twenty) times penal rent towards electricity and water charges shall be recovered,
 - 21.4.3 Initiation of eviction proceedings in the Estate Court for outside Plant establishments

TENDER No.:

CPP/T&C/GeM-192/MC-5459/NIT/2024/317

22.0 QUANTITY & RATE:

- **22.1** The quantity & rate schedule format is enclosed at <u>Annexure-B4</u>. Bidders are required to quote their rates in figures as well as words in the enclosed <u>Annexure-B4</u> only. In case of any discrepancy between rate in figures, words and amount quoted by the bidder, the relevant provision of GCC will apply to resolve the matter.
- **22.2** The tenderers must quote their most reasonable and workable rate. Overall total evaluated price for all items of schedule of quantities shall be the basis for determining the reasonableness of price and gradations of the tenders. In case the offered price of the tenderer(s) is found to be abnormally low (un-workable), based on the rate approved by NALCO (if applicable, refer clause no.1.1 (ii) of Annexure-B1), the tenderer(s) may be asked to justify their quoted rates within ten days of issuance of letter to that effect through email. The bidder must provide written clarification including detail price analysis of its bid price in relation to Scope, Scheduled, allocation of risks and responsibility, and any other requirement of the bid documents. However, if after evaluating the price analysis, NALCO determines that, the bidder has substantially failed to demonstrate its capability to delivered the contracts at the offered price, then NALCO may reject the bid / proposal. NALCO also reserved the right to award the job without seeking clarification or receiving clarification from the bidder about the price reasonability. In case of non-acceptance of work order, EMD furnished by the bidder shall be forfeited. *(CLAUSE*)

NO. 22.2-NOT APPLICABLE, if Minimum workable offer is not applicable [Refer

Caluse No.1.1 (ii) of Annexure-B1])

22.3 Bidder shall quote in figures and in words for the rates tendered by him in the "Quantity & Rate Schedule" (<u>Annexure-B4</u>) forming part of the documents, in such a way that misinterpretation is not possible. The amount for each item shall be worked out and entered in the requisite column for all items.

22.4 Price bids must not contain any conditions stipulated by the bidders. Conditional price bids are liable for rejection.

- **22.4.1** No discount over quoted rate / total amount should be mentioned separately in the offer.
- **22.4.2** No additional rate over quoted rate / total amount should be mentioned separately in the offer.
- **22.4.3** Bidders shall submit the details about engagement of Agents/ Middlemen/ Intermediary/ Consultants / Service Providers and payments proposed to them by the bidder and it should be a part of the present bid.
- **22.4.4** All corrections and alterations in the entries of tender document if any shall be signed in full by the bidder with date. No erasures and over writings are permissible.
- 22.4.5 Bidders are required to quote for all items of the "quantity and rate schedule" (<u>Annexure-B4</u>) otherwise the offer will be dealt as per rules of NALCO & may be rejected as an incomplete offer.
- **22.4.6** Bidders are required to quote their best prices considering the fact that price negotiation, if required, may be held with the lowest bidder only.
- **22.4.7** Bidders are required to quote their rates up to two decimal places only. Decimal digits beyond two will be rounded off to two decimals for evaluation/placement of order.

22.5 Quantity Variation:

22.5.1 Item rate contracts: The Quantities mentioned in the schedule are approximate in nature and may vary by a wide margin within the contract value for which the contractor shall have no option but to execute the works, as per direction of the Manager-in-charge at the same rates, terms & conditions of the order. NALCO may negotiate the rate of items whose execution quantities is considered for increase during their execution, which will be agreed mutually. Payment shall be released to the contractor for the actual executed quantity only.

Page: 22 of 132

CPP/T&C/GeM-192/MC-5459/NIT/2024/317

TENDER No.:

22.5.2 Lump sum/ Turnkey Contracts: In case of Lump sum/ Turn key (LSTK). Adjustment to the contract value due to such change in scope of work shall be governed by the provisions of GCC.

22.6 <u>REVISED PRICE IMPLICATION</u>:

- 22.6.1 In case of necessity due to post tender changes in specifications/scope of work / terms & conditions of NIT etc. before price bid opening, corrigendum shall be issued regarding the changes to all concerned techno-commercially qualified bidders and they shall be permitted to submit the corresponding price implication if any in offline mode in sealed envelope by hand/password protected file through e-mail within a stipulated time.
- **22.6.2** The price implication submitted in offline mode by the bidders (Refer Caluse 7.13 & 22.6.1) shall be opened and uploaded in GeM Portal before opening of original price bids. The evaluation will be done taking into account the original on-line price bid along with offline price implications.
- 22.6.3 In no case, bidder shall be allowed to submit revised price bid post bid submission date.

23.0 QUALITY OF WORK:

- **23.1** The contractor shall execute the job under their adequate supervision in accordance with the best engineering practices and the specification laid down in the enclosed Annexures. NALCO may inspect the work any time without notice to the contractor and may order re-execution of sub-standard work reserving the right to recover compensation in terms of GCC.
- **23.2** Inspection and test procedure given in the relevant clauses of the contract or BIS codes or other codes in practices as specified in the Scope of work / Special Conditions of Contract should be strictly followed.
- **23.3** Contractor shall use instruments calibrated in a Laboratory, accredited to NABL / Laboratory approved by the manufacturer for measurements/tests/inspection.

24.0 SECURITY DEPOSIT:

24.1 On receipt of the order, the successful bidder shall deposit with NALCO an amount, equivalent to 10% of the order value for value of contracts not exceeding Rs. 1.0 crore, 7.5% for the value of contracts over Rs. 1.0 crore up to Rs. 5.0 crores, and 5% of the value of contracts over Rs. 5.0 crores by the person(s), here in after called as contractor as Security Deposit within 21 days from the date of issue of Service Purchase Order/LOA/LOI. This amount will have to be suitably enhanced to the tune of above percentage of the executed value.

Alternatively, Initial Security Deposit amounting to 2.5% of the contract value shall have to be deposited, within 21 days of receipt of Service Purchase Order /LOA/LOI by him. In this case, the balance amount of the security deposit shall be recovered through deductions from bills as indicated under Payment term.

In case the successful bidder fails to submit the ISD /SD, with in a period of 21 days from the date of issue of Service Purchase Order / LOI, the ISD amount along with a simple interest @12% per annum as penalty, applicable from the date of Service Purchase Order till the date of submission of ISD or submission of 1st RA bill, shall be recovered starting from 1st RA bill.

- **24.2** The contractor can submit the initial SD or total SD in the form of either bank draft or bank guarantee from any NALCO approved bank in the prescribed format {ref Annexure-C14}
- **24.3** The Earnest Money Deposited along with the tender, by the successful bidder, if any shall be adjusted towards security deposit / initial security deposit.
- 24.4 The performance security /SD will be released along with release of final bill if there is no DLP or on successful completion of the DLP, with certification of Manager-in charge / Engineer-in charge. The vendor has to claim such refund along with Final Bill or within 15 days from the closure of DLP as the case may be.

25.0 TAXES & DUTIES:

25.1 GOODS & SERVICES TAX (GST)

- 25.1.1 The Rates indicated in <u>Annexure-B4</u> are inclusive of all but exclusive of GST.
- 25.1.2 The contractor must provide GST No including copy of Registration Certificate.
- **25.1.3** The Trade Name in GST Certificate should match to the name in vendor code and name in the Cheque. The Legal name in the GST Certificate should match to Legal Name in the PAN. In case of a Company or a Firm all the names should be same. But in case of Sole Proprietorship, the Legal Name and Trade Name may be different.

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

- **25.1.4** The contactor should submit the GST Invoice as per the format <u>Annexure-C9</u> providing HSN / SAC Code (first 6 digits) and GSTIN of both Vendor and Nalco in the form of Business to Business (B to B) transaction.
- **25.1.5** As per Rule-46 of GST Act, the Serial Number of Tax Invoice should be maximum up to 16 digits, and should be unique for a Financial Year.
- **25.1.6** As per Rule-47 of GST Act, time limit for issuing Tax Invoice is 30 days from the date of Supply of Service.
- **25.1.7** Payment of GST is subject to compliance as stated in Payment Terms.
- **25.1.8** The contractor shall be fully & solely responsible to the statutory authorities for compliance of all the provisions of GST and other statutory provisions applicable to this work as a service provider either already enacted or to be enacted from time to time during contractual period.
- **25.1.9** NALCO reserves the right to recover any penalty and Interest imposed on NALCO by the concerned statutory authorities due to non-fulfillment of GST compliance by the service provider.

25.2 Anti-Profiteering Clause (Sec 171 of CGST Act) Applicable for Indian Bidders)

- **25.2.1** If any new Tax/Taxes is introduced on sale of goods/service. Either in lieu of existing tax/taxes or as separate tax/taxes, then the overall incidence of tax/taxes on the Vendor on account of its inputs and outputs wherever less than the incidence of existing taxes, then the Vendor shall pass on to Owner, the benefits thereof by way of commensurate reduction in the basic price w.r.t. Input Tax benefit and reduction in Tax chargeable to Nalco w.r.t. Output Tax benefits in connection with goods and/or services provided.
- **25.2.2** If on the other hand, the incidence of tax/taxes is in excess of the incidence of existing tax/taxes, the Owner on submission of satisfactory proof, shall reimburse the Vendor the additional incidence of tax provided they are within the contractual completion date.
- **25.2.3** The Vendor has to provide a declaration along with the Tender that they will abide by the requirements under CI 171 of CGST Act, 2017.

25.3 INCOME TAX:

- 25.3.1 The contractor must provide PAN including copy of Registration Certificate.
- **25.3.2** Income Tax TDS as applicable at the prevailing rate on the gross amount billed shall be deducted from the contractor's bills.
- **25.3.3** The contractor shall be fully & solely responsible to the statutory authorities for compliance of all provisions applicable to this work as a service provider under Income Tax Act, already enacted or to be enacted from time to time during contractual period.
- **25.3.4** NALCO reserves the right to recover any penalty and interest imposed on NALCO by the concerned statutory authorities due to non-fulfillment of all provisions applicable to this work as a service provider under Income Tax Act, already enacted or to be enacted from time to time during contractual period.
- **25.3.5** Party has to provide the Copy of Income Tax Return for each of the Two previous Financial Years for which due date for filling of Income Tax Return has expired with self-certification is a mandatory requirement else suitable provisions of Act will be applicable.

25.4 CESS UNDER RE&CS ACT

Cess will be deducted as per Workers' (RE&CS) Act 1996 and as stated under payment terms.

25.5 ROYALTY CLEARANCE.

As per Mines and Minerals Act of Govt. of Orissa the contractor is required to pay royalty for various types of construction materials (minor minerals) used in the work. The royalty charges shall have to be deposited in the office of Tahsildar from whose jurisdiction the minerals have been lifted and submitted along with Final Bill.

26.0 BILLING & INVOICING:

26.1 Measurement of the work done, during a period, against a Contract is very much essential for correct accounting. This is more so necessary at the end of each financial year. Therefore the contractors are expected to stick to the periodic billing schedule as per the Order. The billing system followed in Nalco is called Running Account Bills (RA Bills) to be generated in prescribed format through ERP system based on measurement of work done during a period with

Page: 24 of 132

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

certification by Contractor and approval by EIC/MIC. RA Bills will be sequentially numbered and the last RA Bill will be called nth RA & Final Bill.

- 26.2 Period of raising RA Bill and GST Invoice will normally be 1 month unless otherwise specified in Special Condition of Contract (Annexure-B3). GST Invoice amount should always match to RA Bill / Final Bill amount.
- **26.3** The RA Bill (in duplicate) will be accompanied by
 - **26.3.1** Joint Measurement Sheet signed by Contractor & EIC/MIC.
 - **26.3.2** R.A. Bill Form signed by Contractor & EIC/MIC.
 - 26.3.3 Human Resource Dept. (HRD) Clearance (if applicable)
 - **26.3.4** Safety Certificate in 1st RA Bill issued by Safety Dept
 - 26.3.5 Any other document required by EIC/MIC or as per directive from statutory authorities.
 - **26.3.6** Deviation statement once the executed value reaches 80% of the Order value.
- 26.4 Similarly, in addition to above the Final Bill (in quadruplicate) will be accompanied by
 - 26.4.1 Material Reconciliation Statement for Free Issue Material, (if applicable)
 - 26.4.2 Stores Issue Voucher, Stores Return Voucher, Material Transfer Voucher if any.
 - 26.4.3 No claim certificate duly signed by the contractor.(<u>Annexure-C28</u>)
 - 26.4.4 No due certificate from suggested by MIC. (<u>Annexure-C28</u>)
 - 26.4.5 Work Completion certificate from EIC/MIC. (Annexure-C29)
 - **26.4.6** Deviation Statement
 - 26.4.7 Handing over / taking over certificate (wherever applicable)
 - **26.4.8** Satisfactory commissioning protocol (wherever applicable)
 - **26.4.9** Royalty clearance certificate (wherever applicable)
 - 26.4.10 Electrical License (if required)
 - **26.4.11** Dismantling of Temp Structure, Disconnection of Water/Elect. & Clearance of Charges. Note: Certificates not applicable to a particular work will be certified by the MIC.
 - 26.4.12 Anti-Profiteering Declaration Format.
 - **26.4.13** As per Rule-47 of GST Act, time limit for issuing Tax Invoice is 30 days from the date of Supply of Service. Therefore RA/Final Bill must be submitted within 15 days from the end of the billing period. Any delay more than 30 days from Completion of Work will be considered as a failure in contractual terms and the contract may be closed ex-parte on the basis of certification of measurement and amount payable/recoverable considering all recoveries into account by the EIC/MIC. Decision of EIC/MIC shall be final & binding on the contractor. Besides above, the contractor may be treated as dormant or non-responsive and may affect assignment of further business to the vendor.
- **26.5** Party has to provide the copy of the Income Tax Return for each of the two previous Financial Years for which due date of filling of Income Tax Return has expired with self-certification is mandatory along with each GST Tax Invoice else suitable provisions of Act will be applicable.
- 26.6 Vendor / Party categorised / designated as "specified person" under Section 206AB of Income Tax Act, 1961 shall be liable for TDS at higher rate as provided under the said section, by NALCO. So, Vendors / Contractors are advised to submit self-certified copies of Income Tax return (ITR) for each of the Two Previous Years for which due date for filling of ITR has expired, along with the Invoice / Bill so as to facilitate NALCO, verify the applicability of Section 206AB.

27.0 PAYMENT TERMS:

27.1 The contractor will complete the measurement of work done for the billing period in consultation with EIC/MIC. They will process the RA Bill along with necessary documents as defined under "Billing & Invoicing" for release of payment. It will be processed for release of payment after deductions in compliance to different statutes and retentions as recommended by EIC/MIC. Amount payable will be subjected to further adjustments against outstanding receivables against the vendor if any. The net amount will be paid online through RTGS/NEFT/IMPS/Internet Banking or any other online facility provided by our banker. Charges if any levied by respective banks, is to be borne by respective parties.

नालका	NALCO

Page: 25 of 132

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

- 27.2 If the contract value is Rs.20,000/- or less, full and final bill will be admitted.
- **27.3** Payment against RA Bill will be considered only when the remaining period of the contract is not less than Billing Period defined in the contract or the remaining value of contract is not less than average periodic value executed up to previous RA Bill. In case the remaining period of contract is less than the billing period or the remaining value of contract is less than average periodic value executed up to previous RA Bill, specific declarations that "Final Bill will be submitted in time" will be sought from the contractor with certification by EIC/MIC before processing of RA Bill.
- 27.4 On award of the contract to the successful bidder, it becomes mandatory by the bidder to enclose a deviation statement with RA bill once the executed value of the work has reached 80% of the awarded value.
- 27.5 In case of Lump sum / Turnkey contract, the payment shall be released according to approved Billing schedule and Payment Terms specified in special conditions of contract.
- **27.6** Payment of GST is subject to reflection of the party's invoice in GSTR 2A/Anx-2 (GST new return) of NALCO. If the vendor fails to comply for two consecutive periods against one order, no further payment will be released till compliance is made by 'FILLING' up to last period. If a vendor submits proof of filing GSTR1 duly authenticated by Vendor on the Main page containing Nalco's GSTIN with 'FILLED' status and detail list of invoices generated from their GST login, for Invoices already paid by Nalco, then basic amount of subsequent Invoices may be released. However, GST withheld will be released after checking of GSTR2A.
- 27.7 GST TDS as applicable at the prevailing rate on the gross amount billed shall be deducted from the contractor's bill.
- 27.8 Cess will be deducted from Gross bill value as per Building and Other Construction Workers' (RE&CS) Act 1996 for Township construction contracts. (construction, alteration, repairs, maintenance, demolition in relation to buildings, streets, roads, drainage, electrification, distribution of power, water works, communication works etc.)
- **27.9** Payment against Final Bill will not be released if royalty clearance certificate as stated under Royalty Clearance is not submitted by the vendor.

28.0 PRICE VARIATION FOR LABOUR:

28.1 Price variation for Labor (Wherever applicable): On subsequent revision of applicable minimum wages to be notified by NALCO from time to time the differential wage and associated components will be reimbursed based on actual payment to workmen, excluding OT amount and Administrative Charges on production of documentary proof to HR Dept regarding payment through bank.

29.0 PRICE VARIATION FOR FUEL

Price variation on Fuel is normally not allowed. If price variation on Fuel is applicable it will be regulated as per the Special Conditions of Contract (<u>Annexure-B3</u>).

30.0 DEFECT LIABILITY PERIOD (DLP):

30.1 The DLP shall be governed by the detailed terms and conditions stipulated in clause 65 and 68 of GCC. The defect liability period shall be reckoned from the date of completion of the contract period for supply and workmanship unless mentioned otherwise in Scope of Work / Special Condition of Contract. Duration of DLP is mentioned at Sl. No. 9 of F-02 form of contract details, <u>Annexure-B1</u>.

30.2 DLP for SPECIALISED WORKS:

30.2.1	Water proofing (Below or above ground) and Roof treatment works	-10 YEARS
30.2.2	Post construction Anti-termite treatment	- 5 YEARS
30.2.3	Weather proof Paint works	- 4 YEARS

CPP/T&C/GeM-192/MC-5459/NIT/2024/317

30.3 In some cases appropriate DLP can be considered depending upon the nature of the job.

- **31.0 CONTRACTOR'S OBLIGATIONS AND PENALTY FOR NON-COMPLIANCE:** The contractor shall abide by the following obligations during execution of contract against deployment of contract labours.
 - **31.1** If found suitable, Preference for engagement of labourers under NALCO's contractors establishment may be given to the land affected persons.
 - **31.2** The Contractor shall not engage any contract labour having unsound mind, criminal record, and poor health or having record not suitable from security point of view to NALCO.
 - **31.3** The contractor has to ensure that no contract labour should enter the plant/work premises without valid photo pass.
 - **31.4** The contractor shall ensure that no contract labour should leave the work place/plant before time without authorization/gate pass/ permission of the representative of contractor, to check frequent entry/exit, which may also cause security/administrative inconvenience.
 - **31.5** The disputes of the Contractor's labourers are to be settled by individual contractor. In no case NALCO, as the Principal Employer will enter into the matter except witnessing the proceedings, if required by the Statutory Authorities.
 - **31.6** The contractor shall have valid labour license during the execution of the contract, wherever applicable. The contractor shall not engage child labourers, in compliance to statutory requirement.
 - **31.7** PF & ESI A/c Codes: The contractor must possess independent Account Codes from the concerned Regional Provident Fund Commissioner for PF and also independent Account Code from the concerned Regional Director, ESIC for ESI, as applicable.

32.0 RECOVERY TOWARDS COMPENSATION FOR DELAY:

- **32.1** Repetitive O&M Contracts Recovery towards compensation for delay shall not be applicable for this type of contract, unless otherwise mentioned separately in Special Conditions of Contract (Annexure-B3).
- **32.2** Other Contracts- Recovery towards compensation for delay shall be applicable for this type of contract. In case the contractor fails to complete the work within the stipulated period, the contractor shall be liable for a penalty @ 1% (one) of the contract value per week of delay subject to a maximum of 10% (Ten) of the value of the contract, unless otherwise mentioned separately in the Special conditions of contract. (Annexure-B3). GST as applicable shall also be recovered.

33.0 BLACKLISTING/BANNING/SUSPENSION/DELISTING OF BUSINESS/HOLIDAY LIST

- **33.1** Blacklisting : Blacklisting of any agency/ firm/ contractor working with the Company may be resorted to in following cases:
 - **33.1.1** If the Proprietor or Partner or Director of the Firm is convicted by a Court of Law, following prosecution under the normal process of Law for an offence involving moral turpitude in relations to business dealings;
 - **33.1.2** If security considerations including the question of loyalty to the State warrant as per recommendations of Ministry of Home Affairs.
 - **33.1.3** If there is justification for believing that the Proprietor or Partner or Director (or Employee) of the Firm has been guilty of malpractices such as bribery, corruption, cheating, fraud, substitution of bid or theft or any other illegal activities while carrying out the work etc.
 - **33.1.4** If the Firm refuses/fails to return the Company's dues without adequate cause;
 - **33.1.5** If the Firm is blacklisted by any Department of the Central Government/ State Government.

TENDER No.:

CPP/T&C/GeM-192/MC-5459/NIT/2024/317

- **33.1.6** If the Firm is a confirmed evader of Central / State taxes/duties for which NALCO has received notice from the concerned department of Central / State Govt.
- **33.1.7** Misbehavior/ threatening of departmental supervisory staff during work execution.
- **33.1.8** Constant non-achievement of milestones on insufficient and imaginary grounds and nonadherence to quality specifications despite being pointed out.
- **33.1.9** Persistent & intentional violation of important conditions of contract.
- **33.1.10** Submission of false/ fabricated/ forged documents for consideration of a bid.
- **33.1.11** If declared bankrupt or insolvent.
- **33.2 Banning:** In case where the conduct of the firm is not serious enough to merit blacklisting but removing the name from the registered vendors of NALCO is justified in the interest of the company, the firm/company shall be banned from doing business with NALCO for a period up to 3 years but not less than one year. The reasons for banning are listed below. This list is illustrative only and not exhaustive.
 - **33.2.1** Any failure to execute the contract satisfactorily.
 - **33.2.2** Offence except criminal, such as moral turpitude, fraud, theft, unlawful activities within the premises of the company (Plant or Township) by the contractor or their workmen.
 - **33.2.3** Defaults such as failing in disbursements of wages of the workmen/contract labourers in time at least twice in a contract period.
 - **33.2.4** Submission of false declaration / documents in the offer.
 - **33.2.5** Misconduct / misbehavior of the contractor or any of the workers engaged by them.
 - **33.2.6** Non-compliance of environment, safety and health requirements including use of proper PPEs.
- **33.3** Suspension of Business: Temporary Suspension of business may be ordered without any notice, where full enquiry into the allegation is pending and may entail the blacklisting of the firm/ party/ contractor, if the allegation is proved.

33.4 Delisting from Vendor List against all Contracts:

- **33.4.1** Party's performance is being evaluated through online assessment system by the respective Managers-in-Charges for the works being executed at site / at party's premises.
- **33.4.2** The assessment ratings are reviewed and the contractors are reminded for improvement in next assessment period if their performance rating is poor.
- **33.4.3** If two consecutive assessments of a contract are Very poor in a single evaluation / Safety & Environmental requirements compliance is not O.K. / SA 8000:2008 Compliance is not OK, then the concerned Vendor will be delisted for one year for that particular job subject to approval by Competent Authority of NALCO and the vendor will be intimated through a letter.
- **33.4.4** The delisted Vendor may be re-enlisted upon the request of the Vendor on completion of the de-listment period and subsequent approval by Competent Authority of NALCO.
- **33.4.5** If any vendor is Black-listed / Banned by any units of NALCO, the Vendor will also be delisted.
- **33.4.6** In case the performance of the vendor is found to be unsatisfactory by the Manager-incharge, the vendor may not be considered in future tender for similar jobs.
- **33.5** Holiday List: In case the bidder does not participate in three consecutive bids, the bidder will be put under holiday list for a period of one year.
- **33.6** NALCO will issue show-cause notice giving 15 days' time to the contractor to respond the same in cases of debarring/ blacklisting/ banning/ suspension of business with the party.
- 33.7 If any varying of conflicting situation arises in any of the document forming part of the Contract, NALCO's decision with regard to intention/interpretation of the document and the decision shall be final and binding on the parties.

Page: 28 of 132

TENDER No.:

CPP/T&C/GeM-192/MC-5459/NIT/2024/317

34.0 TERMINATION OF CONTRACT:

- **34.1** If the performance is found unsatisfactory during the period of contract, the contract will be terminated with short notice of 15 days and the same shall be carried out by any other agency at the risk & cost of the contractor. Other penal actions such as forfeiture of Performance Security Deposit and debarring the contractor for participating in future tenders of NALCO may also be taken as per clause no. given in this **Annexure-A1**.
- **34.2** If the Government of India or any Statutory Authority/empowered to do so, decides/directs to terminate the Contract, the contract shall be terminated without any notice and for that contractor shall not be entitled to any claim such as extra claim, loss, loss of profit etc. against NALCO. The settlement of the dues of contractor shall be done on the basis of execution of actual work in accordance with the terms & conditions of contract.
- **34.3** Short Closure of Contract: NALCO reserves the right to short close the contract by serving 15 days' notice to the contractor, when either of the contract value is executed or the assigned BOQ quantity is exhausted. The decision of NALCO in this regard shall be final & binding on the contractor.

35.0 ARBITRATION:

The clause No.87 of General Conditions of contract shall be applicable incase of any dispute or difference whatsoever, which may arise at any point of time. Subject to all other provisions contained in clause 87 of GCC, the provisions of the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof and the rule made there under, and for the time being in force shall apply to the arbitration proceeding under this clause.

36.0 CONTRACT CLOSURE:

- **36.1** Completion of work assigned through the contract within contractual period is both a contractual obligation and legal obligation on both the parties to the contract i.e. Contractor and Nalco. Closure of contract is achieved in stages through contractual terms or through mutual agreement/settlement. Submission of Final Bill is the 1st stage of closure. Successful completion of Defect Liability Period and Performance Guarantee Period is the 2nd Stage of closure. Settlement of all outstanding payables and receivables is the 3rd stage of closure.
- **36.2** It will be the responsibility of the Contractor in all three stages to lodge necessary claims with EIC/MIC and settle it as follows.
 - **36.2.1** 1st stage Submission of Final Bill, and Performance Guarantee Bond (PGB) maximum within 3 months from the end date of contract period.
 - **36.2.2** 2nd stage Submission of Claim letter for release of SD/PBG maximum within 15 days from the date of closure of Guarantee/DLP.
 - **36.2.3** 3rd stage Settlement of all outstanding relating to the Contract, before release of Contract Completion Certificate (**Annexure-C29**) by EIC/MIC with concurrence of Finance regarding Contract Execution Value.

37.0 Energy Management System (ISO 50,001) Requirement:

37.1 Mandatory guidelines for saving any form of energy:-

Energy is lifeline of an Organization and SMELTER / CPP , NALCO is implementing Energy Management Systems (EnMS) – ISO 50001 in all activities. The contractual service providers are advised to train his workmen for practicing the following "Dos & Don'ts" while executing the assigned work at site.

Subject: GENERAL MAINTENANCE & VALVE SERVICING IN BOILER & AUXILIARY AREA OF UNIT #1 TO 10.

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

ANNEXURE-A2

SAFETY GUIDELINES

Special Terms and Conditions of the Contract against Electrical Safety

- 1- The Contractor shall ensure proper safety of all the workmen, materials, and equipments belonging to him or to NALCO or to others, working at the site. The Contractor shall also be responsible for provision of all safety notices and safety equipment required both by the relevant legislations and the Engineer as he may deem necessary.
- 2- All equipments used by Contractor shall meet Indian/ International Standards and where such standards do not exist, the Contractor shall ensure these to be absolutely safe. All equipments shall be strictly operated and maintained by the Contractor in accordance with manufacturer's operation Manual and safety instructions and as per Guidelines / Rules of NALCO in this regard.
- 3- Periodical Examinations and all tests for all lifting/hosting equipment & tackles used by the contractor shall be carried out in accordance with the relevant provisions of Factories Act 1948, Indian Electricity Act 1910 and associated Laws/Rules in force from time to time. A register of such examinations and tests shall be properly maintained by the contractor and will be promptly produced as and when desired by Engineer or by the person authorized by him.
- 4- The Contractor shall provide suitable safety equipment of prescribed standard to all employees and workman according to the need, as may be directed by Engineer who will also have right to examine these safety equipments to determine their suitability, reliability, acceptability and adaptability. The Contractor shall provide safe working conditions to all workmen and employees at the Site including safe means of access, railings, ladders, scaffoldings etc. The scaffoldings shall be erected under the control and Supervision of an experienced and competent person. For erection, good and standard quality of material only shall be used by the Contactor.
- 5- The Contactor shall not interfere or disturb electric fuses, wiring and other electrical equipment belonging to the Owner or other contractors under any circumstances, whatsoever, unless expressly, permitted in writing by NALCO to handle such fuses, wiring or electrical equipment.
- 6- Before the Contractor connects any electrical appliances to any plug or socket belonging to the other Contractor or Owner, he shall :
- a) Satisfy the Engineer that the appliances are in good working condition.
- b) Inform the Engineer of the maximum current rating, voltage and phases of the appliances.
- c) Obtain permission of the Engineer detailing the sockets to which the appliances may be connected.
- 7- No work shall be carried out on any live equipment unless otherwise the equipment is declared safe by the Engineer and a permit to work shall be issued by the Engineer. The Contractor before any repair work is carried out on electric lines/equipments whether live or dead shall provide suitable type and sufficient quantity of tools to electricians/ workman etc.
- 8- In case of any accident during the activities undertaken by the Contractor thereby causing any minor or major or fatal injury to his employees due to any reason, whatsoever, it shall be the responsibility of the Contractor to promptly inform the same to NALCO's Engineer and also to all the authorities envisaged under the applicable laws.
- 9- The Contractor shall follow and comply with all NALCO Safety Rules, relevant provisions of applicable laws pertaining to the safety of workmen, employees, plant and equipment as may be prescribed from time to time without any demur, protest or contest or reservation. In case of any unconformity between statutory requirement and NALCO Safety Rules referred above, the later shall be binding on the contractor unless the statutory provisions are more stringent.

TENDER No.:

CPP/T&C/GeM-192/MC-5459/NIT/2024/317

- 10- The Contractors shall provide suitable latest Personal Protective Equipments of prescribed standard to all their employees and workmen according to the need. The Engineer I/c shall have the right to examine these safety equipments to determine their suitability, reliability, acceptability and adaptability. The contractor should also ensure these before their use at worksite.
- 11- Wherever the workers are exposed to the hazards of falling from height, the contractor shall provide full harness safety belts fitted with fall arresting systems to all the employees working at higher elevations and life line wire rope with turn buckles for anchoring the safety belts while working or moving at higher elevations. Safety nets shall also be provided for saving them from fall from heights and such equipment should be in accordance with BIS standards. The contractor must get a permit to work at height from the Engineer-in-Charge before starting the job.
- 12- The contractor should ensure that all electrical installations at the site comply with the requirements of latest electricity acts / rules.
- 13- The contractor shall take all adequate measures to prevent any worker from coming into physical contact with any electrical equipment or apparatus, machines or live electrical circuits which may cause electrical hazards during the work. The contractor shall provide the sufficient ELCBs / RCCBs for all the portable equipments, electrical switchboards, distribution panels etc. to be used by him to prevent electrical shocks to the workmen.
- 14- In case of fire in electrical installations, all electrical supplies are to be disconnected first to the affected system. Fire-fighting at the initial stage may be initiated with the CO2, Dry Powder etc. Water will never be sprinkled onto live electrical system.
- 15- Before starting any job the Contractor will be responsible for the following
 - a. Ensuring safe components/equipments are used.
 - b. Providing earth leakage circuit breakers on all electrically operated power tools/equipments.
 - c. Inspecting power tools before use and ensuring defective tools are discarded.
 - d. Using 3 core cable and 3 pin plugs for all portable tools and ensuring its earthing.
 - e. Authorized electrician is only attending all electrical job as per latest Electrical Rules & CEA guide lines.
 - f. Ensuring double earthing to all equipments.
 - g. Ensuring all the electrical system is as per Indian Electricity Rules.
 - h. Disconnecting and removing all unwanted cables and wires from electrical system.
 - i. Identification Marks and Numbers are clearly being marked on all electrical distribution boards, switchboards etc. used by the Contractor.
 - j. All electrical system components being protected against damage.
 - k. All electrical joints are being tested to meet the standards.
 - 1. Hand lamps are providing with suitable guards.
 - m. Providing personal protective equipments including electrical safety shoes, rubber gloves etc. as per the enclosed PPE matrix.
 - n. Ensuring unauthorized person shall not have access to electrical system.
 - o. Protecting all live parts.
 - p. Ensuring all fuses are replaced with actual current rating.

ANNEXURE-A4

CORPORATE ENVIRONMENTAL POLICY

In recognition of the interest of the society in securing sustainable industrial growth, compatible with a wholesome environment, NALCO affirms that it assigns high importance to promotion and maintenance of a pollution-free environment in all its activities.

Objectives

- To use non-polluting and environment-friendly technology.
- To monitor regularly air, water, land, noise & other environmental parameters.
- To constantly improve upon the standards of pollution control and provide a leadership in environment management.
- To develop employees awareness on environmental responsibilities and encourage adherence to sound environmental practices.
- To work closely with Government and local authorities to prevent or minimize adverse consequences of the industrial activities on the environment.
- To comply with all applicable laws governing environment protection through appropriate mechanisms.
- To actively participate in social, welfare and environmental development activities of the locality around its units.

Commitment

We dedicate ourselves to ensure a green and wholesome environment in all areas of our operations for sustainable industrial growth and to set standards in environmental management.

QUALITY POLICY, GUIDING PRINCIPLES AND COMMITMENT

Quality will form the core of our business philosophy, Meeting the needs and expectations of the customer and consistently improving our systems and work ethos will be our chosen path in achieving excellence in business and fulfilling our social obligations.

Guiding Principles:

- To ensure a healthy return on investment by maximizing Operational efficiency, Capacity utilization and Productivity.
- To continually improve and redesign Systems, Processes and Practices in order to ensure error prevention and improve response time.
- To adopt internal Customer focus as a means to external customer satisfaction.
- To treat Human Resource as the key to Quality excellence and ensure development, involvement and satisfaction of employees
- To ensure high quality of inputs through proactive interaction with suppliers.
- To meet obligations towards the society as a responsible corporate citizen.
- To provide value for money to all stake holders.
- To follow ethical business philosophy at all times.

Commitment

We dedicate ourselves to the Quality Policy and Objectives of the company in letter and spirit and commit to continuously strive for their fulfillment.

ANNEXURE-A6

SOCIAL ACCOUNTABILITY POLICY

We at NALCO are committed to provide a socially accountable work environment to all employees and uphold ethical business practices by respecting employees' rights to ensure a decent Workplace. We shall achieve these by adopting a companywide culture, which will help to promote:

- Involvement of all employees in sustenance of SA 8000:2014 Standard;
- Conforming to all requirements of SA 8000:2014 Standard;
- Complying with National laws, other applicable laws and other requirements to which the organization subscribes;
- Respecting the International instrument as describes in the SA 8000:2014 Standard.
- Continual improvement initiatives in all social aspects;
- Learning and training opportunities to all employees;

This policy is communicated and understood within the organization.

Date: 23.02.2017

Sd/-Chairman-cum-Managing Director

ENERGY POLICY

Enhancing Energy Performance, comprehensively optimizing energy use, Energy consumption and energy efficiency, is a major imperative for an energy intensive industry like ours. In recognition of this, we focus on improvement of Energy Performance in all areas of operations with thrust on planning Energy Objectives based on the enshrined Guiding Principles.

Guiding Principles

- To Endeavour for reduction in specific consumption of energy in all forms and in all areas of operations.
- To ensure availability of information and necessary resources for achieving objectives and targets.
- To comply with all applicable legal, regulatory and other requirements related to energy use, consumption and efficiency.
- To espouse energy efficient technology encompassing procurement of energy efficient products & services and design for Energy Performance improvement.
- To carry out energy audits and energy reviews, at planned intervals, to improve energy performance.

<u>Commitment</u>

We affirm our commitment to continually improve our energy performance and strive for achieving the objectives and targets.

ANNEXURE-A7

GENERAL ENVIRONMENTAL REQUIREMENT (SMELTER / CAPTIVE POWER PLANT)

- 1. The contractor should adhere to safe environmental practices and shall perform in line with the environment policy of the company. The contractor has to ensure efficient use of natural resources like water, fuel oil and lubricants.
- 2. It will be the responsibility of the contractor to safely dispose off the waste generated in the processes of any job to the allotted location as assigned by Manager-in-charge in a manner so as to minimize their harmful concentration effects in the environment.
- 3. The contractor should ensure that oil/grease; chemicals and toxic substances are stored/ handled properly so that they do not find their way into the industrial drain and the atmosphere.
- 4. The contractor should make use of equipments having permissible noise limits and not polluting the atmosphere by any means. The contractor shall also guard against any hazardous & unsafe working conditions.
- 5. The various activities of the contractor should not create any adverse effect on ambient air & water quality at work site and adjoining area. It will be the responsibility of the contractor not to cause damage to the afforestation/green belt created inside/ outside the plant.
- 6. Contract should ensure proper awareness among workers to maintain a clean environment inside/outside the plant.
- 7. The emission level of the vehicles, construction equipments etc deployed by the contractor should comply with the norms specified by statutory authorities/ acceptable standards.
- 8. The contractor should avoid use of toxic and hazardous chemicals. If use of toxic and hazardous chemicals becomes unavoidable, their presence should be within the limits specified by the acceptable standards. The contractor should declare before use of chemicals, the nature of the chemicals i.e. Toxic/ non-toxic, hazardous/ non-hazardous to the Manager-in-charge and obtain his clearance before using such chemicals.
- **9.** The contractor should ensure that disposal of used chemicals are disposed off to the drains only after neutralization of the chemicals and after clearance of the Manager-in-charge.

MINIMUM SAFETY EQUIPMENTS TO BE PROVIDED BY THE CONTRACTOR TO THE WORKMEN.

- 1. The contractor shall provide safety shoes, safety helmets to their workmen while executing the job.
- 2. Dust respirators must be used by the contractor workers working in dust area.
- 3. Face shield must be used by the welders.
- 4. While working on a height, Safety belt must be used by the workers.
- 5. Suitable face mask must be used the contract workers while working out painting jobs.

TENDER No.:

ANNEXURE-A8

GENERAL GUIDELINE TO BIDDER ON REVERSE AUCTION (NOT APPLICABLE)

- a) The techno-commercially qualified bidders shall be eligible to participate in Reverse Auction Process. The price bids of techno-commercially qualified bidders shall be opened, as per schedule in the tendering portal (GeM).
- b) GeM system shall decide Start / Reference Price and Step Value of Decrement in case of RA based on product selection and / or outcome of bidding process.
- c) GeM normally requires 48 hrs for approval / rejection of the product / service offered by Sellers before it is listed on the portal.
- d) RA in Bid to RA case, where the bid offer validity is less than 30 days, will be extended to 30 days including the RA initiation date.
- e) In case of Services bids, if the multiple L-1 bidders have quoted the lowest allowed price for that service, Buyer shall place the Contract by selection of a bidder amongst the L-1 bidders through a Random Algorithm executed by GeM system.
- f) Against any bidding or RA conducted on GeM, if a bidder quotes Nil Charges / consideration, the bid shall be treated as non- responsive and will not be considered.
- g) In case of RA, Start / Reference Price and Step Value of Decrement shall be indicated to the Bidders at the start of the auction. Any participating bidder can bid one or multiple Step Decrement lower than the prevailing Lowest Bid at that time.
- h) The Bidder shall be able to view Bid Start Price, Bid Decrement Value, Prevailing Lowest Bid value and last Bid Placed by him. Whenever a lower price bid is received in the closing moment i.e. within 15 minutes of existing end time of Reverse Auction, the end time of reverse auction shall be extended automatically by another 15 minutes. All participant sellers of that RA shall be allowed to submit revised bid under the RA. The same process shall be repeated, if there is another lower bid received in the RA during last 15 minutes of RA.
- i) If a bidder does not participate in the Reverse Auction, the price quoted by him in the price bid shall be considered as the valid price of that bidder. The inter-se position of the said bidder shall be considered based on their position on completion of reverse auction.
- j) Only the chronologically last bid submitted by the bidder till the end of the auction shall be considered as the valid price bid of that bidder. Any bid submitted earlier by the bidder prior to submission of his last bid will not be considered as valid price bid.
- k) There are two options for elimination in Reverse auction in the GeM portal (i) Bid to RA with 50% elimination rule (ii) Bid to RA with H-1 elimination rule. The buyer shall select one option applicable for the tender, which will be mentioned in the tender.
 - (i) Bid to RA with 50% elimination rule: Reverse Auction would be conducted amongst first 50% of the technically qualified bidders arranged in the order of prices from lowest to highest. Number of sellers eligible for participating in RA would be rounded off to next higher integer value if number of technically qualified bidders is odd (e.g. if 7 bids are technically qualified, then RA will be conducted amongst L-1 to L-4). In case number of technically qualified bidders are 2 or 3, RA will be between all without any elimination. If Buyer has chosen to split the bid amongst N sellers, then minimum N sellers would be taken to RA round.
 - (ii) Bid to RA with H-1 elimination rule: Reverse Auction would be conducted amongst all the technically qualified bidders except the Highest quoting bidder. The technically qualified Highest Quoting bidder will not be allowed to participate in RA. However H-1 will be allowed to participate in RA (a) If number of technically qualified bidders are only 2 or 3, (b) If Buyer has chosen to split the bid amongst N sellers, and H1 bid is coming within N.

1). Bidders at their own interest should ensure uninterrupted internet connectivity at their end during the reverse auction with necessary backups to take care of any connectivity problem. In order to have trouble –free elementary level reverse auction process, NALCO reserves the right to make any changes, as deemed fit.

नालको		NALCO	
-------	--	-------	--

m). Other relevant parameters shall be displayed in the GeM Portal reverse auction window. GeM Portal Server time shall be the basis of Start time & Closing time for bidding and shall be binding for all. The bidders to participate in tender-cum-auction process in GeM Portal, has to log into GeM Portal (i.e. <u>https://gem.gov.in/</u>)) to access the application and quote from their own offices/place of their choice.

TENDER No.:

CPP/T&C/GeM-192/MC-5459/NIT/2024/317

PROPOSED SITE ORGANISATION

NAME OF TENDERER :

Tenderer is to indicate here the site organization, he proposes to set up for execution of the work.

It is understood that this will be augmented from time to time depending on the requirements for timely completion of the work as directed by the Engineer-in-Charge.

Tenderer is also to furnish the bio-data of the Resident Engineer & key personnel to be deployed at site.

COMPLIANCE TO INTEGRITY PACT:

Bidders are required to unconditionally accept the "Integrity Pact (IP)" (to be executed on plain paper), as per format attached at Annexure-C21 of NIT, which may be considered as pre-signed by the Employer, and submit the same duly signed on all pages by the Bidder's Authorized Signatory in a separate sealed envelope before stipulated NIT / submission time at the address specified in the NIT. Bidder and its Subsidiary (ies) and/or Holding Company and/or Subsidiary(ies) of its Holding Company / Consortium members shall individually sign Integrity Pact (IP) and shall submit in a separate sealed envelope before stipulated NIT submission time at the address specified NIT. Bidder's failure to comply with the aforesaid requirement regarding submission of Integrity Pact (IP)' shall lead to outright rejection of offer Proposal as being non-responsive and shall not be opened.

In case of selected bidder being a Consortium, in addition to above, after incorporation of Joint Venture Company, Integrity Pact shall be signed by the Joint Venture Company along with Project Agreement.

1. Independent External Monitors (IEMs)

1. In respect of this Tender, the Independent External Monitor (IEM) would be monitoring the Bidding Process and execution of Agreement to oversee implementation and effectiveness of the Integrity Pact Program .

The name and contract details of all the IEMs are as follows-

Smt. Deepa Krishan IRS (Retd.)
C 2603, Sushant Lok-1
Gurgaon, Haryana PIN-122002
E-mail: deepakrishan@gmail.com
Dr. Meeran C Borwankar IPS (Retd.)
C 10/5, Vasant Vihar
New Delhi-110052
E-mail: mcborwankar@gmail.com
Ms Archana Ranjan, IRS (Retd.)
A 4/1, Vasant Vihar,
New Delhi-110057
e-mail: ranjan.archana@gmail.com

All complaints shall be dealt/examined jointly by the full panel of IEMs. However, complaint can be received by any of the IEMs mentioned in the tender. The bidder(s), in case of any dispute(s) / complaint(s) pertaining to this package may raise the issue either with the designated 'Nodal Officer' in NALCO or directly with the IEM.

<u>ANNEXURE A9</u>

PREFERENCE TO MAKE IN INDIA ORDER NO. P-45021/2/2017-PP(BE-II),DTD: 16.09.2020

- 1.0 The bidders are requested to go through the GoI Order No: P-45021/2/2017-PP(BE-II), DTD: 16.09.2020 for the purpose of Purchase Preference on the basis of Local Content and submit the Declaration by the Bidder accordingly.
- 2.0 For the purpose of this order dtd. 16.09.2020:-
- 2.1 Local content means the **amount of value added in India** which shall, unless otherwise prescribed by the nodal ministry, **be the total value of the item procured** (excluding net domestic indirect taxes) **minus the value of imported content in the item** (including all customs duties) **as a proportion of the total value, in percent**.
- 2.2 Class I local supplier means a supplier or service provider whose goods, services or works offered for procurement has local content equal to or more than 50%, as defined at cl. 2.1 above.
- 2.3 Class II local supplier means a supplier or service provider whose goods, services or works offered for procurement has local content equal to or more than 20% but less than 50%, as defined at cl. 2.1 above.
- 2.4 Non-local supplier means a supplier or service provider whose goods, services or works offered for procurement has local content less than 20%, as defined at cl. 2.1 above.
- 2.5 'Margin of purchase preference' means the maximum extent to which the price quoted by a "Class-I Local supplier" may be above the L1 for the purpose of purchase preference. The margin of purchase preference shall be 20% against the tender.
- **3.0** Subject to the provisions of the above order and to any specific instructions issued by the Nodal Ministry or in pursuance of this order, purchase preference shall be given to 'Class-I Local supplier' in procurement undertaken by procurement entities in the manner specified here under:-

<u>CASE-I (FOR DIVISIBLE QUANTITY</u>): All the provisions of the order No.P-45021/2/2017-PP(BE-II) dtd. 16.09.2020 shall be applicable for this tender towards purchase preference.

However, in case of participation by MSE & ancillary units, the tender quantity reserved for MSE & ancillary units as per purchase preference policy of NALCO for MSEs as mentioned in the tender document shall take precedence over the purchase preference against the above mentioned order (to be mentioned, if applicable).

- 4.1 In the procurement of goods or works which are divisible in nature, the 'Class-I Local Supplier' shall get purchase preference over 'Class-II local supplier' as per the following procedure:
 - a) Among all qualified bids, the lowest bid will be termed as L1. If L1 is 'Class-I local supplier', the contract of full quantity will be awarded to L1.
 - b) If L1 bid is not a 'Class I local supplier', 50% of the order quantity shall be awarded to L1. Thereafter. the lowest bidder among the 'Class I Local supplier' will be invited to match the L1 price for the remaining 50% quantity subject to Class-I local supplier's quoted price falling within the margin of purchase preference and contract for that quantity shall be awarded to such 'Class-I Local supplier' subject to matching the L1 price. In case such lowest eligible 'Class-I Local supplier' fails to match the L1 price or accepts less than the offered quantity, the next higher 'Class-I Local supplier', within the margin of purchase preference shall be invited to match the L1 price for the remaining quantity and so on and the contract shall be awarded accordingly. In case some quantity is still left uncovered on 'Class-I Local supplier, then such balance quantity may also be ordered on the L1 bidder.
- 4.2 'Class-II local supplier' will not get purchase preference in any procurement undertaken by procuring entities.

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

Page: 46 of 132

<u>CASE-11(FOR NON-DIVISIBLE QUANTITY</u>): All the provisions of the order No. P-45021/2/2017-PP(BE-II) dtd. 16.09.2020 shall be applicable for this tender towards purchase preference.

- 4.3 In the procurement of goods or works which are not divisible in nature, the 'Class-I Local Supplier' shall get purchase preference over 'Class-II local supplier' as per the following procedure:
 - a) Among all qualified bids, the lowest bid will be termed as L1. If L1 is 'Class-I local supplier', the contract will be awarded to L1.
 - b) If L1 bid is not a 'Class I local supplier', the lowest bidder among the 'Class I Local supplier' will be invited to match the L1 price subject to Class-I local supplier's quoted price falling within the margin of purchase preference and contract shall be awarded to such 'Class-I Local supplier' subject to matching the L1 price.
 - c) In case such lowest eligible 'Class-I Local supplier' fails to match the L1 price, 'Class-I Local supplier' with the next higher bid within the margin of purchase preference shall be invited to match the L1 price and so on and contract shall be awarded accordingly. In case none of the 'Class-I Local supplier' within the margin of purchase preference matches the L1 price, the contract may be awarded to the L1 bidder.
- 4.4 'Class-II local supplier' will not get purchase preference in any procurement undertaken by procuring entities.

5.0 Verification of local content.

- **5.1** The 'Class-I local supplier'/ 'Class II-local supplier' at the time of tender, bidding or solicitation shall be required to indicate percentage of local content and provide self-certification that the item offered meets the local content requirement for 'Class-I local supplier'/ 'Class II-local supplier', as the case may be. They shall also give details of the location(s) at which the local value addition is made. **Declaration to be given in the format attached/enclosed below.**
- **5.2** In case of procurement for a value in excess of Rs. 10 crores, the 'Class-I local supplier'/ 'Class II- local supplier' shall be required to provide a certificate from the statutory auditor or cost auditor of the company (in the case of the companies) or from a practicing cost accountant or practicing chartered accountant (in respect of suppliers other than companies) giving the percentage of local content.
- **5.3** Decisions on complaints relating to implementation of this order shall be taken by the competent authority which is empowered to look into procurement-related complaints relating to the procuring entity.
- 6.0 <u>Only "Class-I local suppliers and Class-II local suppliers"</u>, as defined under the order, shall be eligible for participation against this tender. The offers of 'Non-Local Suppliers' shall not be considered for evaluation against this tender.

ANNEXURE-A10

Compliance of Public order on Restrictions under Rule 144 (xi) of the General Financial Rules (GFRs), 2017 and ORDER NO:F.No.6/18/2019-PPD DATED 23/07/2020 & 24/07/2020

DEFINITIONS

- 1. GOI vide Order (Public Procurement No.1, 2 & 3) dated 23 Jul 2020 & 24 Jul 2020 has imposed Restrictions under Rule 144 (xi) of the General Financial Rules (GFRs), 2017 on bidders from a country which shares a land border with India.
- 2. "Bidder" for the purpose of this Order (Public Procurement No.1, 2 & 3) (including the term 'tenderer', 'consultant' 'vendor' or 'service provider' in certain contexts) means any person or firm or company, including any member of a consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated hereinbefore, including any agency, branch or office controlled by such person, participating in a procurement process
- 3. "Bidder from a country which shares a land border with India" for the purpose of this Order (Public Procurement No.1, 2 & 3) means
 - a. An entity incorporated, established or registered in such a country; or
 - b. A subsidiary of an entity incorporated, established or registered in such a country; or
 - c. An entity substantially controlled through entities incorporated, established or registered in such a country; or
 - d. An entity whose beneficial owner is situated in such a country; or
 - e. An Indian (or other) agent of such an entity; or
 - f. A natural person who is a citizen of such a country; or
 - g. A consortium or joint venture where any member of the consortium or joint venture falls under any of the above

Note: "Beneficial owner" for the purpose of above paragraph (3) will be as under:

i. In case of a company or Limited Liability Partnership, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person(s), has a controlling ownership interest or who exercises control through other means.

Explanation

- a) "Controlling ownership interest" means ownership of, or entitlement to, more than twenty-five per cent of shares or capital or profits of the company;
- b) "Control" shall include the right to appoint the majority of the directors or to control the management or policy decisions, including by virtue of their shareholding or management rights or shareholder's agreements or voting agreements;
- ii. In case of a partnership firm, the beneficial owner is the natural person(s) who, whether acting alone or together, or through one or more juridical person, has ownership of entitlement to more than fifteen percent of capital or profits of the partnership;
- iii. In case of an unincorporated association or body of individuals, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has ownership of or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individuals;

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

- iv. Where no natural person is identified under (i) or (ii) or (iii) above, the beneficial owner is the relevant natural person who holds the position of senior managing official;
- v. In case of a trust, the identification of beneficial owner(s) shall include identification of the author of the trust, the trustee, the beneficiaries with fifteen percent or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.
- vi. "Agent" for the purpose of this Order (Public Procurement No.1, 2 & 3) dtd 23 Jul 2020 & 24 Jul 2020 is a person employed to do any act for another, or to represent another in dealings with third persons.

Rule: Following shall be complied by the Bidders of the said countries while submitting bids.

- A) Any bidder from a country who shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the <u>Competent Authority</u>. The Competent Authority for the purpose of registration under this Order shall be the Registration Committee constituted by the Department for Promotion of Industry and Internal Trade (DPIIT). However, Order will not apply to bidders from those countries (even if sharing a land border with India) to which the Government of India has extended lines of credit or in which the Government of India is engaged in development projects. Lists of countries to which lines of credit have been extended or in which development projects are undertaken are given in the website of the Ministry of External Affairs. This order shall also not apply to procurement by Indian missions and by offices of government agencies / undertakings located outside India.
- B) The Bidder shall have to submit declaration / certificate as per the attached Format towards compliance of Public Order on Restrictions under Rule 144 (xi) of the General Financial Rules (GFRs), 2017. B)
- C) For works contracts, including Turnkey contracts, the successful bidder shall not be allowed to subcontract works to any contractor from a country which shares a land border with India unless such contractor is registered with the Competent Authority. The definition of "Contractor from a country which shares a land border with India" shall be as in paragraph (3) above.

2)	Net worth of the bidder during the last financial year			
	shall be positive as per audited balance sheet.			
	Note: (For bids received prior to 30th June of any			
	year, the financial figure for the previous to previous			
	year may also be considered for evaluation. Whereas			
	for bids submitted after 30th June, the bidder may			
	also submit financial statement for the previous year			
	certified by Chartered Accountant/Auditor for			
	consideration of their bid.)			

C) CRIMINAL BACKGROUND:

The bidder or its Proprietor/Partner(s)/Director(s) of the firm should not have been convicted by a court of Law for an offence involving moral turpitude in relation to business dealings during the past seven years for acceptance of the offer. The bidder shall give an **affidavit** to this effect. The affidavit must be affirmed before the competent judicial authority or duly notarized by the Notary only after date of said tender floating. Besides, bidder should furnish litigation history of their firm or group firm (if claiming fulfillment of PQC on group entity terms). The litigation history shall be as per the Format at Annexure-C22 for the purpose of affidavit:

D) The bidder should possess independent EPF, ESI, & PAN based GST registration certificates of their firm (as applicable). The party should also possess PAN in the name of the firm or sole proprietor The bidders are required to upload copy of EPF & ESI certificates and PAN along with the proof of ownership of their firm (in case of PAN is in the name of sole proprietor) along with the offer.

Note:

- 1. Bidders have to declare all the work orders submitted against technical PQC in Annexure-C6, along with page reference.
- 2. Agencies intending to participate shall fulfill minimum Pre-Qualification Criteria (With supporting documents & they need to fill up <u>Annexure-C25</u> To <u>Annexure-C27</u> Of The NIT. All the supporting documents submitted should be attested by a Notary Public or A Gazette Offer. They also have to submit EMD.
- 3. The bidder needs to submit (upload) the photocopies of all brief orders presently under execution by them as a part of their concurrent commitment.

नालका 💋 NALGU	Subject: GENERAL MAINTENANCE & VALVE SERVICING IN BOILER & AUXILIARY AREA OF UNIT #1 TO 10.			
TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317	Page: 57 of 132			

- 4. The value indicated in the experience criteria against 03 (Three) OR 02 (Two) OR 01 (One) work order are excluding all taxes and duties. Therefore, value in work order and completion certificate of the vendor will be considered excluding all the taxes and duties.
- 5. The Experience/Completion Certificates shall be considered only when it bears the Name and Designation of Issuing Authority. This is only applicable for Experience/Completion Certificates issued after 30/06/2022.

(A.K. MOHANTY) Tender Inviting Authority Tender & Contract Dept., CPP

ANNEXURE-B2

SUB: GENERAL MAINTENANCE & VALVE SERVICING IN BOILER & AUXILIARY AREA OF UNIT #1 TO 10.

SCOPE OF WORK:

TECHNICAL SPECIFICATIONS FOR MISCELLANEOUS PLANT MAINTENANCE WORKS IN BOILER AND BOILER AUXILIARIES AREA IN CPP.

The jobs may be required to be done as per layout drawings or as per rough sketch issued at site or to suit at site conditions or as per the instructions of the Manager-in-charge. Execution of the jobs shall confirm to the Engineering standards, Indian Boiler Regulations etc.

PROCEDURE FOR MEASUREMENT:

- i) The jobs allotted are to be recorded in job slips, which are to be submitted along with the measurement after certification by the concerned executive.
- ii) For welding of pipes, the basis has been shown on linear welding and the pipe circumference will be taken into account for considering the length of cutting / welding.
- iii) Measurement for erection of pipe lines shall be taken on the center line of the piping system from end to end which will include all fittings like bends, reducers, flanges, tees, expansion joints etc. Wherever branching is taken from main pipe, the measurement shall start from the root of the branch and no payment will be made for the branching. The above measurement is applicable for pipe length for 5 meters and above.

1. FABRICATION & ERECTION OF PIPING SYSTEM (applicable for item no 1 to 8):

Erection of piping system shall include drawl of materials from stores, loading and unloading, transportation, safe storage at the designated places as per instruction of MIC, cleaning by wire brushing / water flushing, etc., cutting & beveling, leveling, threading, preheating, bending, setting, alignment, erection and assembly by welding, branching, proper supporting by bolting /by fitting with another pipe, fittings and equipments, flanges as the case may be, pressure testing of all sizes of pipes etc. The assembly / erection shall include erection of valves (all type) along with associated/ related instruments fittings, orifice plate, rupture discs, etc. If the piping system length involved is less than 5M (meter) for a particular size of pipe, payment shall be made only on the basis of number of weld joints carried out as per Item-5 & 6. No separate payment for the erection of pipe valves, orifice flow nozzles and other fittings and supports shall be made.

NOTE:

- i. The rate shall be applicable for pipe thickness up to and including 12 mm.
- ii. The rates shall be applicable to all length and no separate payment shall be made for scaffolding etc. or any such arrangements, necessary to be made for efficient erection of the job.
- iii. The rates includes cutting & beveling, leveling, fitment, preheating, welding and erection of valves, Flanges, tees, elbows, pipe fitting etc. if any in the piping system.

2. DISMANTLING OF PIPING SYSTEM (applicable for item no 9 to 16):

The job involves dismantling of piping system by gas cutting, hacksaw cutting or removing threaded or bolted flange joints and transportation of dismantled pipes to a suitable location as per the instruction of the Manager-in-charge, for further repair / modification / cleaning, work on it or disposal if necessary.

NOTE:

- i. The rates shall be applicable to all length and no separate payment shall be made for scaffolding etc. or any such arrangements, necessary to be made for efficient erection of the job.
- ii. The rates includes cutting & beveling, leveling, fitment, dismantling of valves, flanges, tees, elbows, pipe fitting etc. if any in the piping system.

3. ERECTION OF PIPING SYSTEM (applicable for item no 17 to 24):

The erection job involves, putting the pipes back to the same location from where it was removed / dismantled and assembling it by welding, matching proper support bolting by fitting with another pipe, fittings and equipments, flange (with gaskets) as the case may be. The welded joints, flanged joints, fittings must be leak proof.

NOTE:

- i. The rates shall be applicable to all length and no separate payment shall be made for scaffolding etc. or any such arrangements, necessary to be made for efficient erection of the job.
- ii. The rates includes cutting, leveling, fitment, preheating, welding and erection of valves, flanges, tees, elbows, pipe fitting etc. if any in the piping system.

4. FILLET WELDING (applicable for item no 25 & 27):

All welding are to be carried out after necessary edge preparation as per the instruction of Manager-in-charge. The weld surface is to be made free of scale, slag, rust, moisture, grease or other foreign materials. A minimum thickness of about 0.8 't' at the throat of the weld, where 't' is the thickness of thinner plate, is to be maintained. Depending on the base material requirement of the electrodes, for carbon steel welding would be E-6013 or E-7018 grade (AWS), for Alloy steel welding E-8018 B2 or E-9018 B3 grade (AWS) & for SS welding E-309 grade (AWS). Only reputed & proven brand electrodes of M/s ESAB, M/s D & H, M/s MODI Arc Electrodes, M/s ADOR Welding, M/s MARUTI WELD Ltd, will be permitted.

Fitment of the components to be welded, preheating of base material if required & preheating of electrodes to recommended temperatures, forms part of this scope. All cutting required for welding, are included in this scope & no extra payment would be given for such cutting.

5. BUTT WELDING (applicable for item no 26 & 28):

All welding are to be carried out after necessary edge preparation as per the instruction of Manager-in-charge. The weld surface is to be made free of scale, slag, rust, moisture, grease or other foreign materials. For butt welding of thickness 4 to 16 mm, the edges are to be ground to `V' or double `V' (as per the instruction of Manager-in-charge) to an angle of 70- 80 degree. Depending on the base material requirement of the electrodes, for carbon steel welding would be E-6013 or E-7018 grade (AWS), for Alloy steel welding E-8018 B2 or E-9018 B3 grade (AWS) & for SS welding E-309 grade (AWS). Only reputed & proven brand electrodes of M/s ESAB, M/s D & H, M/s MODI Arc Electrodes, M/s ADOR Welding, M/s MARUTI WELD Ltd, will be permitted.

Fitment of the components to be welded, preheating of base material if required & preheating of electrodes to recommended temperatures, forms part of this scope. All cutting required for welding, are included in this scope & no extra payment would be given for such cutting.

6. CARBON STEEL CUTTING (applicable for item no 29):

If carbon steel cutting is exclusively carried out for cutting purpose only, then payment will be released in meters of completed cutting work. If required necessary dressing of the cut edge is also

नालको 🥊		NAL	.CO
---------	--	-----	-----

Page: 60 of 132

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

to be carried out at no extra cost. All the necessary tools and consumables like gas cutter, oxygen & DA are to be provided by the contractor at his own cost.

7. REMOVAL OF VALVES (applicable for item no 30 to 33):

The work involves taking out the valves from the position and returning the same to the stores or any other designated place as directed by Manager- in-charge. Bolts and nuts along with other elements of the valve shall be cleaned by applying cleaning agent on the threads, which will be supplied by NALCO free of cost.

8. ERECTION OF VALVES (applicable for item no 34 to 37):

The work involves erection of repaired valves or new valves into the position and makes it leak proof at the flanged joint. If necessary, the gaskets may be replaced by a new gasket. Bolts and nuts along with other elements of the valve shall be cleaned by applying cleaning agent on the threads, which will be supplied by NALCO free of cost. In case, welded type valves are to be replaced, additional charges for joint welding shall be applicable as per item - 5 of SOW. Units rate shall be applicable for all types of valve (excluding welded valve) and all materials of construction and pressure ratings. While erecting the valves, wherever necessary, new gaskets / gasket sheet shall be supplied by NALCO free of cost. Fixing of gaskets bolts, nuts and making the joint leak proof is included in the scope of work. No separate payment will be made for erection of valve, if it is a part of erection of piping. Drawl / Transportation from central store to sub store / work site is within scope of the job.

9. RECTIFICATION OF LEAKING FLANGES (applicable for item no 38 to 42):

The contractor has to rectify the leaking flanged joints, by removal of bolts and nuts, cleaning the mating surface, providing new gasket and tightening of the bolts. The line when commissioned or tested after work completion, should be leak proof.

Note:

- i. Rate shall be applicable for all types of flanges of all materials of construction and pressure ratings.
- ii. The flange may be on pipe lines / equipment / heat exchangers etc.
- iii. Gasket required shall be cut from free supply of gasket sheet.
- iv. The flange joint shall be leak proof.
- v. Bolts and nuts shall be applied with molykote / anti-seize paste, to be supplied free of cost by NALCO.
- vi. Any component required for dismantling and erection on account of rectification of leakage shall be done by contractor within the scope of this item.
- vii. The scope of work includes all types of joints (excluding welding joints) viz. flange joints, screwed joints like union nozzles etc. Manhole joints shall also be treated as flange joints.
- viii. Off flange joints like square / rectangular flange joints are to be treated as circular flange joints by comparing the perimeter to nearest standard circular flange joint.

10. CLEANING OF STRAINERS (applicable for item no 43 to 46):

The job involves removal of affected flanged joints of pipe of the equipment concerned and subsequently it's refixing in the line, after cleaning or replacement of the damaged strainers. Rate shall be applicable for all pressure rating and category of piping. Strainer shall be supplied by NALCO free of cost. Gasket required shall be cut from free supply of gasket sheets. The flange joint shall be made leak proof. Bolts and nuts shall be fitted with molykote / anti-seize paste to be supplied by NALCO free of cost. Any pipe line or valve required to be dismantled and re-erected for replacement or cleaning of strainer, shall not be paid extra.

11. ERECTION OF STATIC / MOVING EQUIPMENTS (applicable for item no 47 to 48):

The scope of work includes receipt of the equipment, complete or in parts as free issue materials from NALCO stores or any other store site within factory premises, transporting to the place of erection, unpacking, cleaning, assembling, erecting, leveling, alignment and bolting

with associated piping equipments etc. Necessary chipping of foundation base surface and bolt pocket for grouting are also to be done. Necessary shims for leveling are to be arranged by the contractor. Scrap pickings are to be cleared and returned as per the instruction of the Manager-in-charge.

12. DISMANTLING OF STATIC / MOVING EQUIPMENT (applicable for item no 49 to 50):

The job includes dismantling of the equipment in full or in part, from the place of installation, covering / blanketing of connected piping equipments, transporting the dismantled equipment to the place as directed by the Manager in charge. During the course of removal if some chipping job is involved the same has to be carried out by the contractor without extra cost.

The scope covers but is not limited to the equipments like tanks, vessels, coolers, pumps, compressors, fans, blowers, motors, gates and dampers, valves etc. and part there of located at various elevations / floors. Weights of equipment for the purpose of payment shall be taken from RR / Invoice / packing slips drawings / site calculation / measurement etc.

13. FABRICATION OF STRUCTURAL COMPONENTS (applicable for item no- 51):

The job involves fabrication of structural components, like platform, ladders, hand rails, supports and miscellaneous structural items etc. Fabrication has to be carried out at different height and various locations, within factory premises. Drawings / sketches for the purpose shall be indicative only and if required, the contractor has to fabricate structural components, as per the site conditions suitable to existing equipments, piping, structure etc.

The job includes receipt of structurals from NALCO stores, transporting to site / place of use and fabrication as per drawing / sketch or as per instruction of Manager-in-charge. Type of welding electrodes to be used and thickness of welding shall be as directed by Manager-in-charge. The entire structure shall be free from sharp edges, slags and burrs. After completion of work, two coats of red oxide primer shall be applied on the structure.

14. ERECTION OF STRUCTURAL COMPONENTS (applicable for item no- 52):

The job involves erection of structural components, like platform, ladders, hand rails, supports and miscellaneous structural items etc., as per the direction of MIC. Erection has to be carried out at different heights and various locations, within factory premises. Drawings / sketches for the purpose shall be indicative only and if required, the contractor has to fabricate and erect structural components, as per the site conditions suitable to existing equipments, piping, structure etc.

The job covers, transportation of fabricated structures to site and erection, assembly by bolting / welding, including minor correction if any, as per instruction of Manager-in- charge. Assembly, bolting, alignment and grouting are included within scope of work. NALCO shall provide, structural, steel including plates as per the sizes available in stores, fasteners like nuts and bolts etc. as free issue materials. The contractor has to arrange all other materials and consumables like gas, electrodes, paint, clamps, tools and tackles for the said job at no extra cost.

15. CLEANING OF HEAT EXCHANGERS TUBES (applicable for item no- 53):

The scope of work includes, disconnecting the pipe lines, dismantling the water box covers, cleaning the tubes with rod / wire brushing followed by water washing, cleaning the water box covers of deposits, debris etc., boxing up the water box covers after inspection and cleaning, reconnecting the pipe lines, replacing all old gaskets and `O' rings. If required the entire tube bundles are to be taken out for external cleaning / chemical treatment by suitable means as per instruction of Manager-in-charge. Withdrawal and insertion of the tube bundle & chemical treatment has to be accomplished with great care by using proper PPE, tackles, fixtures and strictly as per the instruction of Manager-in-charge.

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

Note: Measurement shall be done for payment on the basis of surface area cleaned.

16. ERECTION / FABRICATION OF SCAFFOLDING INSIDE BOILER (applicable for item no- 54):

The scope of work includes fabrication and erection of scaffoldings inside boiler to facilitate inspection, maintenance and other jobs to be carried out by NALCO. The scaffolding should be safe & rigid. They can be made out of MS tubes, pipes or new bamboos. If tubes / pipes are used clamping is to be done properly. In case bamboo scaffolding, new bamboos are to be used and they are to be tied rigidly with new ropes. Wherever required on the scaffolding the contractor has to provide platform by using good wooden planks which can withstand and accommodate a minimum of 4 people of about 300 kg load. All materials required for executing the above job should be arranged by the contractor & are within the scope of job.

NOTE:

- i) Scaffolding inside the boilers, shall be covered in the inside area. The payment shall be as per meter height from the base of the scaffolding to the top most platforms.
- ii) The starting point for measurement of height shall be from the base of the erected scaffolding and not from the bottom of the boilers or ground as the case may be.
- iii) While erecting the scaffolding, the contractor should exercise utmost caution, so that instruments, pipe lines etc. are not damaged.

17. ERECTION/ FABRICATION OF SCAFFOLDING OUTSIDE BOILER (applicable for item no- 55):

The scope of work includes fabrication and erection of scaffoldings outside the boiler as per instruction of Manager-in-charge to facilitate inspection, maintenance and other jobs to be carried out by NALCO. The scaffolding should be safe & rigid. They can be made out of MS tubes, pipes or new bamboos. If tubes / pipes are used clamping is to be done properly. In case of bamboo scaffolding, new bamboos are to be used and they are to be tied rigidly with new ropes. Wherever required on the scaffolding the contractor has to provide platform by using good wooden planks which can withstand and accommodate a minimum of 4 people of about 300 kg load. All materials required for executing the above job should be arranged by the contractor & are within the scope of job.

NOTE:

- i) The payment shall as per meter height from the base of the scaffolding to the top most platforms.
- ii) The starting point for measurement of height shall be from the base of the erected scaffolding and not from the bottom of the boilers or ground as the case may be.
- iii) While erecting the scaffolding, the contractor should exercise utmost caution, so that instruments, pipe lines etc. are not damaged.

18. RECTIFICATION FOR TRAVERSE MOVEMENT JAMMING (applicable for item no- 56):

The scope of work includes any one or combination of the following jobs: Cleaning of rack & pinion / Cleaning or polishing of guide rods / cleaning and if required replacement of clevis bracket assembly / positioning the rack over the pinion (in case of over retraction).

19. WSB GUIDE ROD REPLACEMENT (applicable for item no- 57):

The scope includes removal of rotary & traverse gear boxes from position, removal of the guide rods from the traverse gear box & replacing them with new ones. Payment will be released per soot blower.

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

20. WSB SWIVEL TUBE REPLACEMENT (applicable for item no- 58):

The scope includes disconnection from rotary gear box, removal of rotary gear box from position, cleaning & polishing & if required replacement of the swivel tube. Minor corrections / repair if any required is within this scope .The horizontality of the swivel tube is to be checked with a spirit level & suitably adjusted after positioning the rotary gear box. Gland packing replacement, if required are to be carried out without any extra cost involvement. Assistance required to ascertain swivel tube problems will be a part of this scope for which no extra payment will be given.

21. WSB TRAVERSE / ROTARY GEAR BOX OVERHAULING (applicable for item no- 59):

The scope includes removal of traverse / rotary gear box from position, dismantling of the gear box, replacement of damaged component i.e. drive shaft / bearings / gears / key etc. & then assembling back the components. Minor repair / correction work, if required for this job, is within this scope. The freeness of the gear box is to be ensured after assembling & after positioning. The contractor has to fill the gear box with required oil & ensure leak proof joints without any extra cost. Payment will be released based on No. of gear boxes overhauled. Assistance required to ascertain gear box problems will be a part of this scope for which no extra payment will be given.

22. WALL SOOT BLOWER SERVICING (applicable for item no- 60):

The scope includes cleaning of rack & pinion & clevis bracket rollers, checking of oil levels in both the gear boxes & topping up if required, checking & rectifying any oil leakages (if gasket replacement is required then extra payment will be given as per rectification of leakage clause), checking for smooth operation of steam valve operating lever & finally ensuring free & full forward & backward movement of the blower.

Note: Applicable for Item no-56 to 60:

The contractor has to attend to any of the possible defects. Wherever required the bottom hinge cover has to be removed & clamped back after completion of work. All spares & lubricating oil, grease, gaskets required to carry out these jobs would be supplied free of cost by NALCO but are to be collected by the contractor from central stores. Consumables like cotton waste, diesel etc. Are to be arranged by the contractor. In plant emergency situation, the contractor has to deploy manpower in odd hours to carry out the above jobs. The payment will be made as per item 56 to 60. No extra payment to be claimed for odd hour jobs.

23. LRSB TRAVERSE / ROTARY / TRAVELING CARRIAGE GEAR BOX SERVICING (APPLICABLE FOR ITEM NO- 61):

The scope includes removal of motor (for Traverse & Rotary), removal of top inspection covers (for traveling carriage), cleaning of the gear boxes with diesel, checking the movement of gears & finally boxing up with new oil / grease. Payment will be released based on no. Of gear boxes serviced.

24. APH soot blower gearbox replacement (applicable for item no- 62):

The scope includes removal of the damaged gear box (primary or secondary) from position, dismantling of internal components, replacement of damaged parts such as gears, bush, bearings, and shafts etc., assembly of those & then checking for freeness. The serviced gearbox is then to be fitted at desired location. The contractor has to fill up the required lubricant & ensure leak proof joints. Necessary assistance for trial also forms part of this scope. In case of emergency, the contractor has to replace the damaged gearbox with a new one and do the servicing of the damaged gearbox later without any additional cost. In that case the payment will be released after completion of replacement of new gearbox and servicing of damaged gearbox. If the removed gearbox is irreparable and a new gearbox is replaced then 50% of the item rate would be paid.

Page: 64 of 132

25. Burner tilt jamming clearing (applicable for item no- 63):

The scope includes disconnection of C & I air hoses, dismantling of other components if any, etc. Cleaning of clinker, with operation of burner tilt, slowly & steadily, till free movement of the tilt from -30 degree to +30 degree is to be carried out. Additional air hoses, rods, pipes, etc. & all the tools & tackles like chain pulley block, etc. will be in the scope of the contractor. After completion of the clinker cleaning work & Burner tilt freeness checking work, the C & I air hoses to be reconnected & positioned with checking of the freeness of Burner tilt. Necessary assistance for trial run will also be a part of this scope.

26. Replacement of LRSB Lance and / or Feed Pipe (applicable for item no- 64):

The scope includes dismantling of LRSB housing, gear boxes, traverse & rotary chains disconnection from the steam valve, blanking of steam line, dismantling of lance & feed pipe. The entire assembly should be re-erected with new / repaired lance & / or feed pipe & aligned. Steam line is to be reconnected with new flange gaskets. The work is to be carried as per the instruction of Manager-in-charge & after completion the freeness of LRSB movement is to be ensured. The contractor has to provide necessary assistance for trial run which constitutes a part of this scope. All spares required for the above purpose would be supplied by NALCO free of cost.

Note: Applicable for Item no. 61 to 62 & 64:

The contractor has to attend to any of the possible defects. All spares, lubricating oil, grease, gaskets required to carry out these jobs would be supplied by NALCO free of cost but are to be collected by the contractor from central store. Consumables like cotton waste, diesel etc. are to be arranged by the contractor at his own cost.

27. FD FAN BULLET CASING LIFTING & FIXING (applicable for item no- 65):

The job involves, providing necessary assistance for proper damper isolation, opening of manholes, removal of intermediate shaft cover & then lifting the bullet casing after making suitable chain pulley block arrangements & holding it in position by providing suitable wooden packs to provide access, as required. After the required works (like alignment, gauge fixing in bearing housing etc. which are not part of this scope) are completed, the bullet casing, shaft cover, etc. are to be fitted back & manholes are to be closed with required asbestos ropes to render leak proof.

28. GREASING OF AUDCO PLUG VALVE (applicable for item no- 66):

The job involves lubricating the Audco valves (for oil transfer) of different sizes in FOPH by stick lubrication with the help of a lubricating screw or by a lubricating gun using lubricating cartridges through a combination lubricator. The stick grease / lubricating cartridges / lubricating guns & combination lubricating nipples (where ever necessary) will be supplied by M/s NALCO free of cost. The greasing is to be done till a back pressure is felt over the lubricating screw. After greasing the valves are to be made free for smooth operation. The rates for greasing all sizes i.e. 3", 4", 8", etc. remain same.

29. SERVICING / CLEANING OF SEAL / SCANNER AIR FAN FILTER (applicable for item no- 67):

The filters are to be taken out from their respective position, after removing the fasteners and are to be cleaned thoroughly, by compressed air and refitted again in the position.

30. CHANGING OF VALVE GLAND PACKING (applicable for item no- 68 TO 73):

Under this scope of work, it is required to open the gland follower, to take out the damaged packings, rings, replace them by new rings & packings and assemble the gland follower in the respective position for valves of different sizes (for 1/2", 1" & 2", etc.). Gland packing rings will be supplied by NALCO at free of cost.

TENDER No.:

CPP/T&C/GeM-192/MC-5459/NIT/2024/317

Page: 65 of 132

31. REPAIR OF OIL GUN (applicable for item no- 74):

Under this category of work, the contractor has to remove oil guns from the burner, dismantle the cap nut and spray plates, for inspection by Manager-in-charge. If the flexible hoses are damaged, the same shall be removed by hacksaw cutting and shall be replaced with a new flexible hose supplied by NALCO free of cost. The new hose is to be fixed by welding using Stainless Steel electrodes, to be supplied by the contractor at his cost. Lapping to be done on the face of the nozzle body, where the hoses are to be welded. The spray plate shall be trapped and cap nut is to be fixed. The burner /oil gun is to be refitted in the boiler, as per the instruction of the Manager-in-charge. If any minor repair is required, it shall be done by the contractor at no extra cost.

32. REPAIR / REPLACEMENT OF OIL GUN U-CLAMP (applicable for item no- 75):

Under this scope of work, the contractor has to remove the U-clamp, repair or replace the same. If the replacement is required, a new U-clamp will be supplied by NALCO free of cost. The oil gun clamp shall be repaired / replaced by threading and tapping or by sleeve nut welding on oil gun housing. This may be required either on one side or on both side of the gun. Necessary bolt and sleeve will be supplied by NALCO free of cost. The contractor has to arrange all welding rods, industrial gas, for the job at his cost.

33. REMOVAL OF OIL GUN TIP FROM VANED DIFFUSER (applicable for item no- 76):

Under the scope of this work, the contractor has to remove the oil gun seal tube assembly along with gun housing after disconnecting oil and steam lines and opening the side panel door of the burner compartment of the respective oil gun. After removing the jammed oil gun tip from the diffuser and necessary repair, the seal tube assembly along with the gun housing, is to be fitted back into its original position after replacing the gasket, side panel is to be closed after replacing the asbestos cloth (if required), and oil and steam connections are to be restored. All spares will be supplied free of cost by NALCO.

34. CLEANING / REPAIR / REPLACEMENT OF SCANNER GUIDE HOSE (applicable for item no-77):

The scope includes removal of flexible guide tube assembly of the scanner from the burner panel by gas cutting (if required), cleaning the tips from hard clinkers formed and re-fixing the guide tube into its original position.

35. CLEANING / REPAIR / REPLACEMENT OF IGNITOR GUIDE TUBE (applicable for item no-78):

The scope includes removal of igniter flexible guide tube assembly from burner panel by gas cutting (if required), cleaning the guide tube of hard clinkers etc., prefixing it back into its original position and rewarding it to the burner panel.

36. ESP FIELD INSPECTION AND INTERNAL RECTIFICATION (applicable for item no- 79):

This includes, opening of the manholes of the defective ESP fields, as per instruction of MIC and then to enter inside ESP pass, after ensuring proper earthing of the field, to check the defects, such as snapped emitting electrodes causing the short circuit, bent collecting electrodes or any other abnormality, responsible for poor voltage / current development of the field. The contractor has to make his own arrangements to remove the defective / damaged items from the field or to replace the snapped emitting electrodes with a new one (to be supplied by NALCO free of cost) as the case may warrant for. Only 24 Volt illumination lamps / Torch lights are to be used for inspection.

37. STRAIGHTENING OF COLLECTING ELECTRODES AND ALIGNMENT (APPLICABLE FOR ITEM NO- 80):

In this case, the contractor has to check out for bent collecting electrodes by a Go / No Go gauge and has to find out the places, where the electrodes have come out of the clits / U- clamps. Some area of the collecting electrode plate, may have to be gas heated to straighten the bent

plates, for which all arrangements (like gas, scaffolding etc.) are to be done by the contractor. If required, emitting coils may have to be removed / refitted for facilitating the work. The plates have to be straightened to a reasonable shape, so as to ensure, the development of adequate precipitator voltage. Wherever necessary, the plates have to be aligned properly, by fixing clits / U- clamps (to be fabricated by contractor at his own cost) on the electrodes and if required, by suitably rectifying the shock-bar guides.

38. RECTIFICATION OF SHOCK BAR GUIDE / REPOSITION OF SHOCK BAR (Applicable for item no- 81):

The job involves rectifying the bent shock bar guides, aligning them to one line and fixing them in position along with guide plates, so as to ensure proper sliding movement of all shock bars (shock beam in case of emitting rapping). Also if required, the shock bar is to be repositioned / rectified suitably. The link rods are to be aligned properly.

39. OVERHAULING OF GEAR BOX OF CRM / ERM OF ESP (APPLICABLE FOR ITEM NO- 82):

This job includes, complete dismantling of the reduction gear box of collecting / emitting rapping mechanism, servicing / replacement of the damaged components as bearings, gears, oil seals, etc. and then reassembling them to position. All the gaskets of the gear box, are to be replaced and after filling the oil, the freeness of the drive system in position, is to be ensured for work completion. Lube oil and spares will be supplied by NALCO free of cost.

40. RECTIFICATION OF EMITTING RAPPING SYSTEM (applicable for item no- 83):

In case of seizing of the emitting rapping system vertical shaft, due to worn out thrust pad at the bottom, the contractor has to replace the thrust pads or has to provide shims below it, depending upon the requirement. If the seizure of shaft occurs due to bend shafts, then the shafts are to be straightened properly, to ensure smooth rotation. Finally the contractor has to ensure the complete free movement of the rapping system, for its effective functioning. Required spares will be supplied by NALCO, free of cost.

41. TRANSPORTATION OF EQUIPMENT / MATERIAL FROM CENTRAL STORE / STEEL YARD TO POWER HOUSE (applicable for item no- 84):

The scope of work includes, transportation of materials / equipment from central store / steel yard, to the Power house, as per instruction of Manager-in-charge. However materials issued to the contractor directly to take up the job shall not be considered on this account. NOTE: Weight of any single equipment is limited to 3 MT only.

42. SERVICING OF CHAIN PULLEY BLOCKS (applicable for item no- 85 to 87):

The contractor has to remove the chain pulley block from its position (if required) & dismantle it for servicing. After cleaning, greasing & replacement of defective spares which are to be supplied by M/s. NALCO, the chain pulley has to be assembled back. The free load bearing operation has to be ensured. Load testing if done, is to be paid separately as per clause - 44. The contractor has to put back the chain pulley block in its original location.

44. LOAD TESTING OF CHAIN BLOCKS / CRANES (applicable for item no- 88):

The contractor has to move the test loads from designated places inside plant premises & transport them to the point of testing .the loads are to be arranged & tied up with suitable means for hooking to the crane /chain blocks for carrying out the load testing. The extent of loads to be applied & the load testing are to be carried out, as per the direction of manager-in-charge. The test loads are again to be transported to the designated places after testing.

नालको 🥊		NAI	CO
---------	--	-----	----

If the loads to be transported are equal to or more than 20 T then Fork Lift / Hydra / Truck would be provided for a fixed period by NALCO free of cost depending on the requirement & availability.

45. SERVICING OF DEWATERING SUMP PUMP (applicable for item no- 89):

The contractor has to decouple & dismantle the pump (in case of sump pumps, by taking out from the sump), impeller, bearings, shaft, foot valve (if applicable), do the necessary cleaning & assemble, couple & align as per the direction of manager-in-charge. All spares required for the purpose would be supplied by M/s. NALCO free of cost but are to be collected by the contractor from the stores. Consumables like diesel, cotton waste, etc. are to be arranged by contractor but grease & gaskets would be supplied by M/s. NALCO.

The freeness of the pumps & leak proof joints, are to be ensured by the contractor. The contractor has also to provide necessary assistance for trial run without any extra cost.

46. REPLACEMENT OF LUBE OIL PUMP OIL SEAL / MECHANICAL SEAL, OF PA / FD FAN / APH (applicable for item no- 90):

The contractor has to remove the pump of PA fan / FD fan / APH from position & dismantle it. Required oil seal / mechanical seal & if required, any other damaged components such as gears / drives shaft / driven shafts, etc. also are to be replaced. Then all components are to be assembled back after necessary cleaning & the pump is to be erected to position. The contractor has to ensure leak proof joints & free rotation of the pump.

All spares & gaskets required for the purpose, would be supplied by M/s. NALCO free of cost. Consumables like diesel, cotton waste, cloth etc. are to be arranged by the contractor at his cost.

47. RECTIFICATION / REPLACEMENT OF LUB OILPUMP COUPLING OF PA FAN /FD FAN/ APH (applicable for item no- 91):

The contractor has to remove pump / motor of PA / FD / APH from position & then take out the damaged coupling from the pump / motor & replace with a repaired / new one along with a spider. Any minor repair like weld deposits on coupling for proper fitment and minor cutting and welding requirements, form part of this scope. Then the pump / motor has to be placed in position & all pipe lines are to be connected back ensuring leak proof joints & free rotation of the pump.

All spares & gaskets required for the purpose would be supplied by M/s. NALCO free of cost. Consumables like diesel, cotton waste, etc. are to be arranged by the contractor at his cost.

48. OIL TANK & FILTER CLEANING OF, PA FAN/FD FAN/APH & ID FAN VOITH COUPLING (applicable for item no- 92):

The contractor has to remove the old oil to empty barrels (to be supplied by M/s. NALCO) from lube oil tanks / sumps of PA, FD, Voith-coupling of ID fan or APH. The oil tank / sumps & filters are to be cleaned properly with diesel & air, before filling new oil up to the designated level. The required new oil (to be supplied by M/s. NALCO free of cost) is to be transported from the central stores by the contractor, with due care. All the oil barrels (new, old & empty) are to be kept at designated locations only as per instruction of manager-in-charge. Consumables like diesel, cotton waste, markin cloth are to be arranged by the contractor at his cost.

The quantity of lube oil may vary from 200 to 840 liters depending on the requirement.

49. APPLICATION OF PAINT SUPPLIED BY CONTRACTOR (applicable for item no- 93):

The job involves the following:

- I. Proper cleaning of the surfaces with brush / air / by any other means & applying of one coat of lead primer.
- II. Then applying intermediate coat of high gloss enamel.
- III. And finally applying finish coat of high gloss enamel.
- IV. Wherever necessary the contractor has to arrange necessary scaffolding at his own cost.

The above jobs are to be carried out at different locations of the Boiler and boiler aux. area as per the instruction of the engineer-in \cdot charge.

Special instruction for painting: For painting the cleaning agent, brushes, paints, etc. are to be arranged by the contractor at his cost. The paint to be used by the party should be of from a reputed make only viz. (1) Asian paints, (2) Shalimar Paints, (3) Jenson & Nicholson, (4) Berger paints, or 5) Nerolac. Paint application should be as per the manufacturer's guide lines. The party has to furnish the original invoice and entry gate pass of the paint purchased (as evidence of procurement) on demand.

50. APPLICATION OF PAINT SUPPLIED BY NALCO (applicable for item no- 94):

Protective coating may be required to be applied to pipes, equipments, structural components, at various locations and elevations, inside the plant. The scope of work includes, cleaning the surface to remove dirt oil, grease, rust, scales and other contaminations, etc. by blasting, chipping, scrapping, wire brushing for applying one coat of primer paint and two coats of finishing paint. The interval between surface preparation and painting shall be minimum and in no case longer than 4 hours. The application procedure shall be in accordance with the prescribed recommendations of the paint manufacturer and IS: 1477 part-II.

NALCO shall issue paints, thinners, etc. as free issue materials. All other materials like brush, wire brush, etc. tools and tackles are to be arranged by the contractor at his own cost. Extra payment for arranging Scaffolding as per requirement shall be made to the contractor as per item no-55.

51. SAFETY VALVE SERVICING AND STEM & DISC REPLACEMENT (applicable for item no- 95):

The contractor has to dismantle the safety valve for cleaning of various components, mount the collars / disc on the stem & finally assemble the valve & do the adjustments. All lifting jobs are to be done solely by the contractor. All consumables, tools & tackles required for the purpose are to be arranged by the contractor at his own cost.

52. SERVICING / OVERHAULING OF HFO / LDO TRANSFER PUMPS (applicable for item no- 96):

The contractor has to decouple, remove the cartridge assembly, and dismantle the screw, bearings & mechanical seal, for cleaning of the components & to re-assemble, align & re-couple. All lifting jobs are to be solely done by the contractor, if required, by making chain block arrangements.

All cleaning agents, tools & tackles required for the purpose will be supplied by the contractor. Nalco will supply the spares at free of cost.

53. O/H OF BRIDGE TROLLEY, MONORAIL TROLLEY (applicable for item no- 97 to 98):

Overhauling of bridge trolley, monorail trolley are to be done as per the direction of Manager-incharge. For this purpose, the bridge trolley, monorail trolley & chain pulley blocks are to be brought down. Only bridge trolley & monorail trolley are to be dismantled, checked and worn out parts are to be replaced, which shall be supplied by NALCO free of cost. All the bearings, pinions,

Page: 69 of 132

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

ratchets, wheels and operating chains, etc. are to be cleaned properly and greasing is to be done, so that the total operating and lifting system moves and operates freely. There should not be any jamming of the lifting equipment. After proper servicing and overhauling, the whole equipment (Monorail beam, chain pulley block with trolley) is to be painted with yellow color (Type of color will be selected by Manager-in-charge). The color may be hand painted or spray painted, for which free compressed air will be supplied by NALCO. On either side of the monorail beam, capacity of the chain block (i.e. 15 Ton or 10 Ton) is to be written with black bold letters such as SWL-15 Ton / SWL-10 Ton, by the contractor, at no extra cost for the work. After completion of the overhauling and painting, the monorail block and chain pulley blocks are to be lifted & positioned at the specified place.

After positioning of, 15 / 10 T bridge trolley, monorail trolley with chain pulley blocks, the longitudinal & traverse movement (both ways) of trolley, is to be checked from one end of beam to other end. After completion of the job, stoppers are to be provided on either side of the monorail.

For carrying out the job, required scaffolding, welding, cutting, painting, paint, transportation, loading & unloading of tools & tackles, etc. are to be arranged by the contractor at no extra cost. The total job is to be carried out at a height of approximately 20 mtr. Hence extra safety precautions are to be taken, for the men and machines, to avoid any type of accident.

54. CLEANING OF HANGER SUPPORT (applicable for item no- 99):

The scope of work includes cleaning of all the hanger supports by high pressure air available at different levels of the boiler, to the entire satisfaction of the engineer-in-charge. The contractor has to arrange necessary scaffolding wherever required and will be paid separately. The contractor has to take all necessary safety precautions i.e. use of safety belt, etc. by workmen. Whenever required, any repair of the hangers is to be done by the contractor and will be paid separately.

55. SERVICING OF VALVES (applicable for item no- 100 to 133):

The job mentioned below is to be carried out on different type of valves and traps in various units of 10x120MW Power Plant, in the Boiler and boiler auxiliaries' area. The job is to be carried out during respective overhauling period or any type of defects noticed / received from UCR during running of individual units. The work has to be done in expeditious manner, working round the clock and observing standards as per manufacturers or as per direction of the Manager in-Charge / EIC. Apart from this, the job has to be done as and when required as per the instruction of the Manager-in-Charge. All consumables like paint, thinner, wire brush, lapping paste, cleaning agent, Prussian blue, welding rods, etc. are to be arranged by the contractor. All required tools and special tools shall be arranged by the contractor for the work. All spares including gland packing, gaskets and lubricants, etc. shall be supplied by M/s. NALCO at free of cost.

The scope of work shall include:

- a) Removal of actuator (electrical / pneumatic) and coupling, in case of actuator operated valve. Separate payment will be released for removal & fitting of actuators of more than 65 NB size valves.
- b) Complete dismantling of the valve.
- c) Thorough cleaning of the valve internals by desired cleaning agents like diesel / petrol / kerosene.
- d) Lapping of valve seat and disc with lapping disc & lapping paste (lapping with glass / zig plate / lapping plate / any other fixture, etc.). The lapping disc shall be issued by M/s. NALCO.
- e) Matching of disc and seat surfaces with blue & to be confirmed by MIC / EIC.
- f) Replacement of gland packings, bonnet gaskets and sealing ring, etc.
- g) Assembly of the valve.
- h) Lubrication of the valve stem & bush with desired lubricant.

TENDER No.:

CPP/T&C/GeM-192/MC-5459/NIT/2024/317

- i) Valve body and handle is to be painted with aluminum / enamel paint, as per the instruction of the Manager-in-charge.
- j) Actuator mounting and coupling, after work completion, in case of actuator operated valve.
- k) After assembly, the valve should have complete free operation and the valve should be completely free from leakage and passing.
- 1) In case of flanged valves, if required, the valve assembly is to be removed from the position and put back in position, after necessary refurbishment work on any part of the valve as per the direction of the Manager-in-Charge.
- m) The servicing of traps includes dismantling, cleaning of internals, and replacement of defective spares, lapping of seat and disc with lapping paste, matching of seat with disc with blue and assembly of the traps. After assembly, the traps should be completely free from leakage and passing.
- n) The above job involves making necessary work platforms and approaches to the work spot where ever necessary. No extra payment will be paid for this. All working groups should possess arrangements for valve lapping and should have portable torch lights to facilitate ready inspection of the valves and traps.
- o) Free issue materials like plugs, spindles, glands, etc. shall be provided by NALCO at free of cost.
- p) Paint, thinner, wire brush, Lapping paste, lapping discs and consumables are to be arranged by the contractor at his own cost.
- q) After completion of the valve servicing, hot tightening of the valve glands to be done when and where ever required as per the instruction of the Manager-In-Charge.
- r) After completing the valves servicing of the valves related to hydraulic testing of the boiler, during annual Overhauling, contractor has to provide assistance to carry out Hydraulic test as per the instruction of the Manager-In-charge at no extra cost.

56. GLAND TIGHTENING OF VALVES (applicable for item no- 134 to 136):

The scope of work shall include tightening of gland nuts in different types of valves in unit #1 to 10 during shut down as well as during running condition of the units, and make them leakage free. The work may be required to be done at different locations of the boiler and boiler auxiliary area. The contractor has to arrange necessary scaffolding wherever required and will be paid separately.

57. REPLCAMENT / SERVICING OF OIL COOLERS OF ID / PA / FD (applicable for item no- 137):

The scope includes removal of cooler bundles after draining of oil from coolers assembly & filter assembly and storing them properly in a suitable container. Then cooler bundles to be taken to the designated place as per direction of MIC & soaked in a container filled to suitable level with acid water (acid to be provided by NALCO free of cost) to be prepared by the party. After few hours or as may be directed by MIC the coolers are to be steam cleaned at suitable steam station followed by cleaning by appropriate washing powder and then by Water for both inside & outside of individual tube of the bundle. The cleaned bundle are to be again brought & refitted to the Fan assembly if required & directed by MIC the entire cooler assembly or part there off may have to be replaced with new one after due servicing. The same is within the scope. The scope include drawing the spares / assembly, etc. from central store & disposing the scrap at designated places or as per instruction of MIC. Except acid all other consumables are within contractor's scope.

58. SERVICING / REPLACEMENT OF BEARING ASSEMBLY OF SEAL AIR FAN (applicable for item no- 138):

The scope includes following activities:

- Decoupling the assembly from motor.
- Removal of the coupling & oil.
- Removal of bearing assembly.
- Servicing of the bearing assembly and part there off.
- Replacement of entire bearing assembly or part there off if required.
- Drawing the spares & consumables from central store & disposing at scrap yard.

59. INSPECTION OF APH (applicable for item no- 139):

The scope includes following activities:

- Opening the required APH doors / manholes, etc. as per instruction of MIC.
- Inspection of APH internals & external casing / body / guide bearing area, etc.
- Inspection & operation of drive coupling, APH gear box, air motor to ascertain any defect of the equipment.
- Oil top up of APH gear box, Air motor lubricator, guide bearing / support bearing, etc.
- Removal / draining of water from air receiver tank airline.
- Cleaning of APH GEAR box & air motor body by air & wire brush.

60. APH CLEANING (applicable for item no- 140):

The scope includes following activities:

- Opening / refitting of bottom water drains & manholes at the duct & APH hopper, etc.
- Opening /refitting of APH manholes /doors, etc.
- Water washing of guide bearing area by using water pipes or by any other suitable means.
- Water washing of APH internals by pipes or by any other suitable means.
- Cleaning of APH casing, APH GEAR BOX AIR MOTOR by air / wire brush.

61. APH DRIVE COUPLING SERVICING (applicable for item no- 141):

The scope includes following activities:

- Decoupling / Removal of both AC motor & DC motor / Air motor side coupling.
- Cleaning followed by replacement of asbestos rope.
- Alignment of the coupling as per instruction of MIC.
- Cleaning of APH casing, APH GEAR BOX AIR MOTOR by air / wire brush.
- Cleaning of APH Gear Box Air Motor by air / wire brush.

62. APH DRIVE COUPLING OR CLUTCH REPLACEMENT (applicable for item no- 142):

The scope includes following activities:

- Decoupling the required coupling / Over running clutch by removing the AC motor / DC motor / Air Motor.

- Replacing the required coupling / Over running clutch with New by removing the AC motor / DC motor / Air Motor, etc.

- Alignment of the coupling.

- Refitting the dismantled components.

63. AIR MOTOR REPLACEMENT (applicable for item no- 143):

- The scope includes following activities:
- Decoupling the air motor.
- Removing the over running clutch / air motor or both as the case may be.
- Replacing the above equipments / spares with new.
- If required the coupling has to be replaced.
- Alignment of the said equipment.
- Oil top up of the lubricator.
- Test checking for direction.
- Refitting the dismantled spares in order.

64. SERVICING OF THE AIR MOTOR (applicable for item no- 144):

The scope includes following activities:

- Dismantling the air motor in order as per instruction of MIC.

<u>CPP/T&C/GeM-192/M</u>C-5459/NIT/2024/317

Page: 72 of 132

- Servicing the air motor after thorough cleaning.
- Replacing the damaged components with New.
- Refitting in order.
- Checking the direction of rotation.

65. ATTENDING FAN DAMPER JAMMING (applicable for item no⁻ 145):

The scope includes following activities:

- Checking the movement of JAMMED FAN dampers by suitable means.
- Removing the jamming by suitable means.
- If required chain pulley arrangement or cutting / welding are to be done to clear the jamming.

66. LOP SERVICING (applicable for item no- 146):

The scope includes following activities:

- Servicing of the old / existing LOPs by removing the usable items from old /damaged pumps & refitting them in a new pump.

- Where ever required new rotor/ casing/ mechanical seal / oil seal, etc. are to be replaced with New.

- Necessary cleaning / greasing to be done followed by painting.

67. ESP CRM / ERM gear box replacement (applicable for item no- 147):

The scope includes removal of the damaged gear box from position, lifting of new / serviced gearbox from zero meter to the location, fitment of new / serviced gearbox at desired location. The contractor has to fill up the required lubricant & ensure leak proof joints. Necessary assistance for trial also forms part of this scope. The transportation of serviced / new gearbox from central store or from any other location inside the plant is in the scope of the contractor. The old damaged gearbox is then to be shifted to the desired location as per instruction of MIC.

68. SERVICING / OVERHAULING / REPLACEMENT OF HFO / LDO UNLOADING PUMP (applicable for item no- 148):

The contractor has to decouple, remove the cartridge assembly, and dismantle the screw, bearings & mechanical seal, for cleaning of the components & to re-assemble, align & re-couple. All lifting jobs are to be solely done by the contractor, if required, by making chain block arrangements.

In case of new unloading pump / serviced pump, the contractor has to decouple & dismantle the old pump & has to issue a new pump / serviced pump from the Central store or from any other location as per the instruction of MIC / EIC and transporting of that to the respective location & fitting over the foundation, alignment & re-couple to be done. All lifting jobs are to be solely done by the contractor, if required, by making chain block arrangements. The disposal of old pump at the designated place as per the instruction of MIC / EIC is a part of this scope without any extra cost.

All cleaning agents, tools & tackles required for the purpose will be supplied by the contractor. Nalco will supply the spares / new unloading pump at free of cost but are to be collected by the contractor from the stores. No extra payment will be paid for this. The freeness of the pumps & leak proof joints, are to be ensured by the contractor. The contractor has also to provide necessary assistance for trial run without any extra cost.

69. SERVICING OF HIGH PRESSURE VALVE SIZE 2"- 6" (applicable for item no- 149):

The job mentioned below is to be carried out on different type of high pressure valves in various units of 10x120MW Power Plant, in the Boiler. The job is to be carried out during respective overhauling period or any type of defects noticed / received from UCR during running of individual units. The work has to be done in expeditious manner, working round the clock and observing standards as per manufacturers or as per direction of the Manager in-Charge / EIC. Apart from

को	NALCO

नाल

Page: 73 of 132

this, the job has to be done as and when required as per the instruction of the Manager-in-Charge. All consumables like paint, thinner, wire brush, lapping paste, cleaning agent, Prussian blue, welding rods, etc. are to be arranged by the contractor. All required tools and special tools shall be arranged by the contractor for the work. All spares including gland packing, gaskets and lubricants, etc. shall be supplied by M/s. NALCO at free of cost.

In this scope, the contractor has to dismantle the high pressure valve for cleaning of various components, mounting the collars / disc on the stem & finally assemble the valve & do the adjustments. All lifting jobs are to be done solely by the contractor. All consumables, tools & tackles required for the purpose are to be arranged by the contractor at his own cost.

70. SUPPLY OF MANPOWER / ASSISTANCE FOR BOOM LIFT OPERATION AND EQUIPT CLEANING (Applicable for item no- 150):

The contractor has to provide necessary <u>SKILLED</u> <u>ASSISTANCE</u> for operation of Boom lift in Boiler & its auxiliary area, cleaning of the same equipments and keeping the equipments at their respective safe locations, as per the instruction of Manager-in-charge.

71. SUPPLY OF USW MANPOWER / RENDERING USW ASSISTANCE FOR DIFFERENT WORKS (APPLICABLE FOR ITEM NO- 151):

The contractor has to provide necessary <u>USW</u> <u>ASSISTANCE</u> for carry out of different works as mentioned below:

72. SUPPLY OF SSW MANPOWER / RENDERING SSW ASSISTANCE FOR DIFFERENT WORKS (APPLICABLE FOR ITEM NO- 152):

The contractor has to provide necessary $\underline{\rm SSW}$ $\underline{\rm ASSISTANCE}$ for carry out of different works as mentioned below:

73. SUPPLY OF SW MANPOWER / RENDERING SW ASSISTANCE FOR DIFFERENT WORKS (APPLICABLE FOR ITEM NO- 153):

The contractor has to provide necessary \underline{SW} $\underline{ASSISTANCE}$ for carry out of different works as mentioned below:

Note: Applicable for Item no-151 to 153:

- a) For LRSB operation: The job involves minor adjustment of chains, clutch coupling and to carry out minor works, depending on the requirement during regular LRSB operation. Pulling out the lance by hand cranking, when the lance assembly fails to retract, also forms part of the scope. The group for assistance has to remain present during the operation of all LRSB (normally 8 nos. in case of Unit #1 to 6 and 12 nos. in case of Unit #7 to 10) of a particular Unit. All spares required for the above purpose would be supplied by NALCO free of cost.
- b) FOR OVERHAULING OF DEWATERING SUMP PUMPS: The job is to help the skilled technician in dismantling the pump, part by part, cleaning of all the parts, replacing the worn out / damaged parts and then assembling of the pump. The consumables and spares shall be provided free of cost by NALCO.
- c) FOR SAFETY VALVE SERVICING / REPLACEMENT OF STEM & DISC OF SAFETY VALVES: The contractor has to provide necessary assistance for dismantling of the safety valves, cleaning of its various components, assisting in mounting of collars / disc on the stem & finally rendering assistance to assemble the valve & doing adjustments, assembly

(up to providing hydro static plug in case of drum & MS safety valves) & adjustments. Lifting of all components is to be solely done by the contractor. All required consumables, tools & tackles will be supplied by M/s NALCO free of cost.

- d) SERVICING OF HIGH PRESSURE VALVES (OF ALL CLASESS & ANY MAKE): The contractor has to provide assistance for dismantling of the valve (including actuator if any) for cleaning of various components & fasteners & for assembling back the valves. The scope also includes providing assistance for any minor rectification / repair works which may be carried out by M/s NALCO during the execution of work. All lifting jobs are to be solely done by the contractor, if required by mechanical or chain block arrangements. All consumables, tools & tackles required for the purpose would be supplied free of cost.
- e) FOR GAUGE GLASS ASSEMBLY REPAIR / REPLACEMENT / REPLACEMENT OF DRUM LEVEL GAUGE GLASS PORT: The contractor has to provide assistance to dismantle the flange mounted boiler drum gauge glass assembly from position, do the necessary cleaning, service the damaged gauge glass by repair/ replacing the damaged spare of the gauge glass and transport the new / repaired body to the location & assist in mounting / mount the assembly in position. All consumables, tools & tackles required for the purpose would be supplied free of cost.

Whenever required, the contractor has to open the port of the isolated / damaged gauge glass, remove the broken glass and clean the port and fix back assembly with a new glass. The assembly is to be checked for leak proof, after charging the same. All consumables, tools & tackles required for the purpose are to be arranged by the contractor at his own cost. Nalco will supply the spares free of cost.

- f) FOR LIFTING BY CHAIN BLOCKS: The contractor has to carry the chain blocks from local store to the location, mount the same rigidly to lift the desired load, lift & reposition the load as per the instruction of manager-in-charge. All consumables, tools & tackles required for the purpose would be supplied free of cost.
- g) FOR SERVICING / OVERHAULING OF HFO / LDO TRANSFER / UNLOADING PUMPS: The contractor has to provide assistance for decoupling, removing the cartridge assembly, dismantling of screw, bearings, mechanical seal, cleaning of the components & also for assisting in assembly, alignment & coupling. All lifting jobs are to be solely done by the contractor, if required by making chain block arrangements. All consumables, tools & tackles required for the purpose would be supplied free of cost.
- h) FOR MACHINING, RECONDITIONING OF JIGS, FIXTURES, ETC.: The contractor has to provide necessary assistance for transporting the job to workshop, provide assistance for machining / reconditioning / fabrication & deliver the job to the work spot. The payment will be made based on no. of jobs completed in workshop.
- i) FOR ALIGNMENT OF FD / ID / PA FAN: The contractor has to provide necessary assistance for alignment of FD / PA motors with reference to Fan or ID fan / motor with reference to voith coupling. The assistance also is to be rendered for the necessary related jobs, required for alignment such as, removal of coupling guard, couplings etc. Shifting of hoods & finally re-fixing the removed items. Cleaning of various dismantled items, during alignment, forms part of this scope. Payment will be released based on no. of alignments completed. All tools, tackles & consumables required for the purpose would be supplied by M/s NALCO free of cost.
- **j) FOR STORE / OFFICE / HOUSE KEEPING AND EQUIPMENT CLEANING:** The contractor has to provide necessary assistance for cleaning of various equipment in Boiler area, Housekeeping of the stores and providing assistance in bringing the spares from

NALUU	SERVIC	CING IN BO	MAINTENANO ILER & AUXILI		
	UNII #	1 TO 10.		Page	e: 75 of 132

नालक

central store as per the instruction of Manager-in-charge. The scope also covers rendering USW assistance for office works.

- k) FOR BOILER HYDROSTATIC TEST FOR STATUTORY PURPOSE: The scope of work includes:
 - 1) Shifting of the trolley mounted hydro test pump, reservoir tank with its stand, etc. to the required site from anywhere in the plant and connection of the necessary hose, other than high pressure welding.
 - 2) Supply of sufficient (minimum 4 no's) man power as per the instruction of MIC / EIC to assist in necessary closing / opening of the valves in the hydro test circuit of the boiler, for the total hydro test operation. The job involves in-house hydro test and final hydro test in presence of the statutory authority and may spread over a period of 3 days or more as per the requirement.
 - 3) After completion of the test, necessary disconnection of the hoses and shifting of the machine and tank with its stand to the site as per the instruction of the site engineer.
- 1) ANY OTHER WORK AS PER THE DIRECTION OF THE MANAGER-IN-CHARGE / ENGINEER-IN-CHARGE: The scope of work includes to supply the manpower assistance for execution of any other works inside the plant premises as per the direction of MIC / EIC.

Page: 76 of 132

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

ANNEXURE-B3

SUB: GENERAL MAINTENANCE & VALVE SERVICING IN BOILER & AUXILIARY AREA OF UNIT #1 TO 10.

SPECIAL CONDITINS OF CONTRACT

- 1. The jobs depending on urgency may have to be carried out beyond normal working hours & working days, for which the contractor has to remain organized for quick mobilization.
- 2. During emergency, particularly in odd hours, the party should be able to mobilize the required resources within one hour of intimation.
- 3. The contractor shall arrange all consumables including gas cylinders, welding electrodes, welding machines with accessories, scaffolding material, tools and tackles & manpower required , for complete execution of the job. The steel material and spares required for different jobs, such as steel plates, sheets, channels, beams, angles, support pipes, expansion bellows, valves etc. will be supplied free of cost by M/s NALCO.
- 4. The contractor has to strictly ensure use of safety belts, 24V lamps, helmets etc. while working inside the boiler, apart from adhering to general safety requirements in all areas of work.
- 5. All scraps, bamboos, ropes, ash, gaskets, refractory etc. are to be promptly removed from the boiler area & disposed of, at scrapyard near steelyard or at any other designated place as per direction of MIC.
- 6. The electrodes to be used should be of M/s D&H or M/s ESAB India or M/s Modi Arc Electrodes Ltd. or M/s Ador Welding Ltd or Maruti Weld Ltd. only. the electrodes are to be purchased only from the approved suppliers of the above electrode manufacturers & the challans for the same are to be entered at the CISF main gate of CPP. These challans and the manufacturer's batch certificate are to be submitted to Manager-in-charge on demand.
- 7. All special tools and tackles, lifting devices (cranes, winches, chain pulleys. etc.) are to be arranged by the contractor as per requirement of work for completion of work in scheduled period.
- 8. Necessary safety appliances & arrangements for welding, cutting, grinding etc. are to be made available by the contractor at their cost. In case of use of gas set with cutting torch, the party has to use flash-back arrestor. For movement of the gas cylinders the party has to use wheel mounted trolleys only.
- 9. All lifting tools/tackles used by the contractor are to be certified for safe working, by the authorized agency of the "STATUTORY AUTHORITY" of Govt. of Odisha. The contractor has to submit certificate issued by the authority to this effect along with 1st RA bill & before start up of 2nd year work commencement similar to Safety clearance.
- 10. The contractor has to produce the Original invoice & entry gate pass of the paints purchased (as evidence of procurement) on demand. All the empty paint containers, after completion of work, will have to be taken out of plant premises, by the contractor, as per environmental quality system requirements.
- 11. Time is the essence of the contract. Hence the contractor has to arrange adequate manpower (engagement of temporary manpower beyond sanctioned manpower if required)and other resources, so as to complete the jobs within the schedule date.
- 12. The components of Wages which are paid annually (Leave Wages & Bonus) or at the end of the Contract (Retrenchment Benefit & Gratuity) as applicable, is to be retained from the monthly RA Bills of the Contractor based on recommendation/ certification of HRD in respective HR Clearance as these components are not paid on monthly basis. The amount so retained will be released to the

ANNEXURE-C21

PRE CONTRACT INTEGRITY PACT

General

This pre-bid pre-contract Agreement (hereinafter called the Integrity Pact) is made on ______ day of the month of ______ 2024, between, on one hand, the National Aluminium Company Limited (NALCO), a company registered under the Companies Act 1956 and a Government of India Enterprise, having its Registered Office at NALCO Bhawan, P/1, Nayapalli, Bhubaneswar- 751013,Odisha, India (referred to as NALCO) acting through Shri A.K. Mohanty, AGM (Mech.), Tender & Contract, CPP) (hereinafter called the "BUYER", which expression shall mean and include, unless the context otherwise requires, his successors in office and assigns) of the First Part and M/s.

represented by Shri ______, Chief Executive Officer (hereinafter called the "BIDDER / Seller" which expression shall mean and include, unless the context otherwise requires, his successors and permitted assigns) of the Second Part.

WHEREAS the BUYER proposes to procure "GENERAL MAINTENANCE & VALVE SERVICING IN BOILER & AUXILIARY AREA OF UNIT #1 TO 10" and the BIDDER/Seller is willing to offer/has offered the stores and

WHEREAS the BIDDER is a private company / public company /Government undertaking/ partnership /registered export agency, constituted in accordance with the relevant law in the matter and the BUYER is a Company under the administrative control of the Ministry of Mines, Govt. of India.

NOW THEREFORE

To avoid all forms of corruption by following a system that is fair, transparent and free from any influence / prejudiced dealings prior to during and subsequent to the currency of the contract to be entered into with a view to :-

Enabling the BUYER to obtain the desired said stores/equipment at a competitive price in conformity with the defined specifications by avoiding the high cost and the distortionary impact of corruption on public procurement, and

Enabling BIDDERs to abstain from bribing or indulging in any corrupt practice in order to secure the contract by providing assurance to them that their competitors will also abstain from bribing and other corrupt practices and the BUYER will comment to prevent corruption, in any form, by its officials by following transparent procedures.

The parties hereto hereby agree to enter into this Integrity Pact and agree as follows:

Commitments of the BUYER

1.1 The BUYER undertakes that no official of the BUYER, connected directly or indirectly with the contract, will demand, take a promise for or accept, directly or through intermediaries, any bribe, consideration, gift, reward, favour or any material or immaterial benefit or any other advantage from the BIDDER, either for themselves or for any person or organisation or third party related to

the contract in exchange for an advantage in the bidding process, bid evaluation, contracting or implementation process related to the contract.

- 1.2 The BUYER will, during the pre-contract stage, treat all BIDDERs alike and will provide to all BIDDERs the same information and will not provide any such information to any particular BIDDER which could afford an advantage to that particular BIDDER in comparison to other BIDDERs.
- 1.3 All the officials of the BUYER will report to the appropriate Government office any attempted or completed breaches of the above commitments as well as any substantial suspicion of such a breach.
- 2. In case any such preceding misconduct on the part of such official(s) is reported by the BIDDER to the BUYER with full and verifiable facts and the same is prima facie found to be correct by the BUYER, necessary disciplinary proceedings, or any other action as deemed fit, including criminal proceedings may be initiated by the BUYER and such a person shall be debarred from further dealings related to the contract process. In such a case while an enquiry is being conducted by the BUYER the proceedings under the contract would not be stalled.

Commitments of BIDDERs

- 3. The BIDDER commits itself to take all measures necessary to prevent corrupt practices, unfair means and illegal activities during any stage of its bid or during any pre-contract or post-contract stage in order to secure the contract or in furtherance to secure it and in particular commit itself to the following :-
- 3.1 The BIDDER will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the BUYER, connected directly or indirectly with the bidding process, or to any person, organisation or third party related to the contract in exchange for any advantage in the bidding, evaluation, contracting and implementation of the contract.
- 3.2 The BIDDER further undertakes that it has not given, offered or promised to give, directly or indirectly any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the BUYER or otherwise in procuring the Contract or forbearing to do or having done any act in relation to the obtaining or execution of the contract or any other contract with the Government for showing or forbearing to show favour or disfavour to any person in relation to the contract or any other contract with the Government.
- 3.3 BIDDERs shall disclose the name and address of agents and representatives and Indian BIDDERs shall disclose their foreign principals or associates.
- 3.4 BIDDERs shall disclose the payment to be made by them to agents / brokers or any other Intermediary, in connection with this bid / contract.

को 🙆 NALCO

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

- 3.5 The BIDDER, either while presenting the bid or during pre-contract negotiations or before signing the contract, shall disclose any payments he has made, is committed to or intends to make to officials of the BUYER or their family members, agents, brokers or any other intermediaries in connection with the contract and the details of services agreed upon for such payments.
- 3.6 The BIDDER will not collude with other parties interested in the contract to impair the transparency, fairness and progress of the bidding process, bid evaluation, contracting and implementation of the contract.
- 3.7 The BIDDER will not accept any advantage in exchange for any corrupt practice, unfair means and illegal activities.
- 3.8 The BIDDER shall not use improperly, for purposes of competition or personal gain, or pass on to others, any information provided by the BUYER as part of the business relationship, regarding plans, technical proposals and business details, including information contained in any electronic data carrier. The BIDDER also undertakes to exercise due and adequate care lest any such information is divulged.
- 3.9 The BIDDER commits to refrain from giving any complaint directly or through any other manner without supporting it with full and verifiable fact.
- 3.10 The BIDDER shall not instigate or cause to instigate any third person to commit any of the actions mentioned above.
- 3.11. If the Bidder or any employee of the Bidder or any person acting on the behalf of the Bidder, either directly or indirectly, is a relative of any of the officers of the Buyer, or alternatively, if any relative of an officer of the Buyer has financial interest/stake in the Bidder's firm, the same shall be disclosed by the Bidder at the time of filing of tender.

The term "relative" for this purpose would be as defined in Section 6 of the Companies Act 1956.

- 3.12. The Bidder shall not lend to or borrow any money from or enter into monetary dealings or transactions, directly or indirectly, with any employee of the Buyer.
- 3.13 Bidder(s)/ Contractor(s) who have signed the integrity pact shall not approach the courts while representing the matter to IEMs and shall wait for their decision in the matter.
- 4. **Previous Transgression**
- 4.1. The Bidder declares that no previous transgression occurred in the last three years immediately before signing of this integrity Pact, with any other company in any country in respect of any corrupt practices envisaged hereunder or with any Public Sector Enterprise in India or any Government Department in India that could Justify Bidder's exclusion from the tender process.
- 4.2. The Bidder agrees that if it makes incorrect statement on this subject, Bidder can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.
- 5.. Sanctions for Violations :

- 5.1. Any breach of the aforesaid provisions by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER) shall entitle of the BUYER to take all or any one of the following actions, wherever required: -
 - To immediately call off the pre-contract negotiations without assigning any reason or giving any compensation to the BIDDER. However, the proceedings with the other BIDDER(s) would continue.
 - (ii) The Earnest Money Deposit (in pre-contract stage) and/or Security Deposit / Performance
 Bond (after the contract is signed) shall stand forfeited either fully or partially, as decided
 by the BUYER and the BUYER shall not be required to assign any reason therefore.
 - (iii) To immediately cancel the contract, if already signed, without giving any compensation to the BIDDER.
 - (iv) To recover all sums already paid by the BUYER, and in case of an Indian BIDDER with interest thereon at 2% higher than the prevailing Prime Lending Rate of State Bank of India, while in case of a BIDDER from a country other than India with interest thereon at 2% higher than the LIBOR. If any outstanding payment is due to the BIDDER from the BUYER in connection with any other contract for any other stores, such outstanding payment could also be utilized to recover the aforesaid sum and interest.
 - (v) To en-cash the advance bank guarantee and performance bond / warranty bond, if furnished by the BIDDER, in order to recover the payments, already made by the BUYER, along with interest.
 - (vi) To cancel all or any other Contracts with the BIDDER. The BIDDER shall be liable to pay compensation for any loss or damage to the BUYER resulting from such cancellation / rescission and the BUYER shall be entitled to deduct the amount so payable from the money(s) due to the BIDDER.
 - (vii) To debar the BIDDER from participating in future bidding processes of NALCO for a minimum period of five years, which may be further extended at the discretion of the BUYER.
 - (viii) To recover all sums paid in violation of this Pact by BIDDER(s) to any middleman or agent or broker with a view to securing the contract.
 - (ix) In cases where irrevocable Letters of Credit have been received in respect of any contract signed by the BUYER with the BIDDER, the same shall not be opened.
 - (x) Forfeiture of Performance Bond in case of a decision by the BUYER to forfeit the same without assigning any reason for imposing sanction for violation of this Pact.
- 5.2 The BUYER will be entitled to take all or any of the actions mentioned at para 5.1(i) to (x) of this Pact also on the Commission by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER), of an offence as defined in Chapter IX of

the Indian Penal Code 1860 or Prevention of Corruption Act, 1988 or any other statute enacted for prevention of corruption.

5.3 The decision of the BUYER to the effect that a breach of the provisions of this Pact has been committed by the BIDDER shall be final and conclusive on the BIDDER. However, the BIDDER can approach the independent Monitor(s) appointed for the purposes of this Pact.

6. Independent External Monitors (IEMs):

- 6.1. The BUYER has a panel of Independent External Monitors (hereinafter referred to as-IEMs) for this Pact in consultation with the Central Vigilance Commission as mentioned in NALCO's NIT/NALCO's website (<u>www.nalcoindia.com</u>).
- 6.2 The task of the IEMs shall be to review independently and objectively, whether and to what extent the parties comply with the obligations under this Pact.
- 6.3 The IEMs shall not be subject to instructions by representatives of the parties and perform their functions neutrally and independently.
- 6.4 Both the parties accept that the IEMs have the right to access all the documents relating to the project / procurement including minutes of meetings.
- 6.5 As soon as the IEM notices, or has reason to believe, a violation of this Pact, he will so inform the Authority designated by the BUYER.
- 6.6 The BIDDER(s) accepts that the IEM has the right to access without restriction to all Project documentation of the BUYER including that provided by the BIDDER. The BIDDER will also grant the IEM, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The IEM shall be under contractual obligation to treat the information and documents of the BIDDER / Subcontractor(s) with confidentiality.
- 6.7 The BUYER will provide to the IEM sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the parties. The parties will offer to the IEM the option to participate in such meetings.
- 6.8 The IEM will submit a written report to the designated Authority of BUYER / Secretary in the Department / within 8 to 10 weeks from the date of reference or intimation to his by the BUYER / BIDDER and should be occasion arise, submit proposals for correcting problematic situations.

7. Facilitation of Investigation:

In case of any allegation of violation of any provisions of this Pact or payment of commission, the IEMs shall be entitled to examine all the documents including the Books of Accounts of the BIDDER and the BIDDER shall provide necessary information and documents in English and shall extend all possible help for the purpose of such examination.

8. Law and Place of Jurisdiction:

This Pact is subject to Indian Law. The place of performance and jurisdiction is the seat of the BUYER.

CPP/T&C/GeM-192/MC-5459/NIT/2024/317

9. Other Legal Actions:

The actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the extant law in force relating to any civil or criminal proceedings.

10. Validity:

TENDER No.:

- 10.1 This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the contract, and for all other Bidders 6 months after the contract has been awarded. If any claim is made/lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/ determined by CMD, NALCO.
- 10.2 Should one or several provisions of this Pact turn out to be invalid, the remainder of this Pact shall remain valid. In this case, the parties will strive to come to an agreement to their original intentions.
- 11. If the bidder/ Contractor is a partnership or a consortium, this agreement must be signed by all partners or consortium members

12. The parties hereby sign this Integrity Pact at _____ on _____.

ANNEXURE-C23

<u>AGREEMENT</u>

Whereas:

- (A) The owner being desirous of having provided and executed certain works mentioned enumerated or referred to in the tender documents including Notice Inviting Tender/Letter Inviting Tender, General Conditions, Drawings, Plans, Time schedule of Completion of jobs, and other documents has called for Tender.
- (B) The Contractor has inspected the site and surroundings of the works specified in the tender documents and has satisfied himself by careful examination before submitting his tender as to the nature of the surface strata, soil, subsoil and ground, the form and nature of site and local conditions, the quantities, nature and magnitude of the work, the availability of labour and materials necessary for the execution of work, the means of access to site, the supply of power and water thereto and the accommodation he may require and has made local and independent enquiries and obtained complete information as to the matters and things referred to or implied in the tender documents or having any connection therewith, and has considered the nature and extent of all probable and possible situations, delays, hindrances or interferences to or with the executions and completion of the work to be carried out under the contract, and has examined and considered all other matters, conditions and things and probable and possible contingencies, and generally all matters incidental thereto and ancillary thereof affecting the execution and completion of the work and which might have influenced him in making his tender.
- (C The Notice Inviting Tender/ Letter Inviting Tender, General conditions of Contract, Special Conditions of Contract, General Obligations, Specifications, Drawings, Plans, Time Schedule of Completion of jobs, Letter of Acceptance of Tender and any statement of agreed variations with its enclosures, copies for which are hereto annexed form part of this contract though separately set out herein and are included in the expression ``CONTRACT" wherever herein used.

01) SERVICE PURCHASE ORDER NO: ------

AND WHEREAS:

The owner accepted the Tender of the Contractor for the provision and the execution of the said work at the rates stated in the schedule of quantities of works and finally approved by owner (Hereinafter called the `Schedule of Rates') upon the terms and subject to the conditions of contract. Now this agreement witnesses and it is hereby agreed and declared as follows:-

01. In consideration of the payment to be made to the contractor for the work to be executed by him, the contractor hereby covenants with the owner that the contractor shall and will duly provide, execute and complete the said works and shall do and perform all other acts and things in the contract mentioned or described or which are to be implied there from or may be reasonably necessary, for the completion of the said works and at the said times and in the manner subject to the terms and conditions or stipulations mentioned in the contract.

TENDER No.: CPP/T&C/GeM-192/MC-5459/NIT/2024/317

नालका

Page 116 of 132

02. In consideration of the due provision execution and completion of the said work, the owner does hereby agree with the contractor that the owner will pay to the contractor the respective amounts for the work actually done by him and approved by the owner at the scheduled rates and such other sum payable to the contractor under provision of the such contract, payment to be made at such time and in such manner as provided for in the contract.

AND

03. In consideration of the due provisions execution and completion of the said work the contractor does hereby agree to pay such sums as may be due to the owner for the services rendered by the owner to the contractor such as power supply, water supply and others as set for in the said contract and such other sums as may become payable to the owner towards the controlled items of consumables materials or towards loss, damage to the owner's equipment, materials, construction plant and machinery, such payments to be made at such time and in such manner as is provided in the contract. It is specially and distinctly understood and agreed between the owner and the contractor that the contractor shall have no right, title or interest in the site made available by the owner for execution of the works or in the building, structure or works executed on the said site by the contractor or in the goods, articles, materials etc. brought on the said site (Unless the same specifically belongs to the contractor) and the contractor shall not have or deemed to have any lien whatsoever charge for unpaid bills nor will be entitled to assume or retain possession or control of the site or structures and the owner shall have an absolute and unfettered right to take full possession of the site and to remove the contractor, his servants, agents and materials belonging to the contractor and lying on the site.

The contractor shall be allowed to enter upon the site for execution of the works only as a licencee simplicitor and shall not have any claim, right, title or interest in the site or the structure erected thereon and the owner shall be entitled to terminate such license at any time without assigning any reason. The materials including sand, gravel, stone, loose earth rock etc. dug up or excavated from the said site shall unless otherwise expressly agreed under this contract, exclusively belong to the owner and the contractor shall have no right to claim over the same and such excavations and materials should be disposed off on account of the owner according to the instructions in writing issued from time to time by the Engineer-in-Charge.

In witness whereof the parties have executed these presents in the day and the year first above written.

Annexure-C32

Declaration by Bidder for Implementation of Integrity

Tender Ref:

I/We <u>(Name of the Bidder)</u> commit to take all measures necessary to prevent corrupt practices, unfair means and illegal activities during any stage of his bid or during any pre-contract or post-contract stage in order to secure the contract. I/ We further undertakes that

- Will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage to any official of the Buyer, connected directly or indirectly with the bidding process, evaluation, contracting and implementation of the Contract.
- will not collude with other parties interested in the contract to impair the transparency, fairness and progress of the bidding process, bid evaluation, contracting and implementation of the contract.
- will not accept any advantage in exchange for any corrupt practice, unfair means and illegal activities.
- will commits to refrain from giving any complaint directly or through any other manner without supporting it with full and verifiable fact.
- will not instigate or cause to instigate any third person to commit any of the actions mentioned above.

Yours faithfully

GENERAL CONDITIONS OF CONTRACT (GCC)

(Enclosed separately with this Tender)

ANNEXURE-B4

Name of Work: GENERAL MAINTENANCE & VALVE SERVICING IN BOILER & AUXILIARY AREA OF UNIT #1 TO 10. (MC-5459)

Name of the			
Bidder :			

NOTE:

- 1. This BOQ template must not be modified/replaced by the bidder and the same should be uploaded after filling the relevent columns.
- 2. Bidders are allowed to enter the Bidder Name and Values only.
- 3. In case of any mismatch between the amount in this Price Bid (BOQ) and GeM-Portal-Quotation-Field,
- then the value mentioned in the GeM Portal Field shall be final.
- 4. Prior to submission of the Offer, the Bidders may please ensure their GST registration category in GEM portal is correct,
- for e.g. if a vendor is REGISTERED GST Vendor, same should be ensured during GeM Portal registration of the Vendor.
- 5. In GeM Portal Quotation field, the total amount inclusive of GST (for registered Vendor) is to be quoted.
- 6. Bidders are required to quote on, either 'Plus(+)', or 'Minus(-)' Percentage (%) basis only vis-a-vis total declared estimate inclusive of GST (for regestered
- Vendor), in figure & in words, in the Percentage BOQ format only.
- 7. The total declared estimate is Rs 1,45,79,487.35, exclusive of GST (GST is to be added extra as applicable).
- 8. Total value of contract shall be as per the quoted % of the declared Estimate of the accepted L-1 bidder or the Estimate whichever is less.

9. Uploading of this BOQ is mandatory for item break up of the BoQ.

10. The evaluation shall be based on overall L-1 basis.
